Palm Sunday Parade:

Palm Sunday Parade Martha McKown,1995 Jesus and the Big Parade Susan Minton,2014-04-01 A long long time ago Jesus was in the middle of a parade in Jerusalem It was not a real parade It was different than any parade you have ever been to This parade started because Jesus decided to take a trip to Jerusalem and lots of people followed Find out what happened with this simple retelling of the Palm Sunday story which follows the biblical accounts in Mark Chapter 11 and Luke Chapter 19 and has built in questions to help children ages 4 to 9 relate to the storyline and the characters When you have finished reading the story learn a Bible verse that says exactly what the people shouted about Jesus Mark 11 10a Hosanna Blessed is He Who comes in the Name of the Lord Making a Parade for Jesus Wesley Runk,1992 Create an interactive atmosphere where maximum learning takes place with this collection of 52 easy to use children s lessons for the entire church year Based on Gospel texts mostly from Luke Runk s messages use a conversational tone and easily obtained items such as a pen or a light bulb to help young people understand their growing relationship with God Each lesson features simple delivery that helps establish a rapport with the children Good morning boys and girls Have you ever clear directions that indicate when to let the children answer and familiar objects like a magnifying glass to illustrate searching diligently for the child in Matthew 2 1 12 A convenient table of contents lists the scripture passage used with each lesson *Parade of Faith* Ruth A. Tucker,Ruth Tucker,2011 Through this lively narrative of church history readers will discover that the story of Christianity is an exhilarating adventure Tucker s engaging writing style informative historical overview and selection of colorful characters are sure to attract and fascinate students and lay learners alike **Pollyanne** Sarah Oliver,2012-11-08 John McLaren has dedicated his life to rescuing mistreated donkeys When he finds Pollyanne at a livestock auction unloved and horribly frail he knows immediately that if he doesn t take her home to the sanctuary he has made his life s work she stands little chance of surviving John soon discovers that despite her terrible start in life Pollyanne has the X factor she is destined for more than the local nativity play The bright lights of the West End beckon and before long Pollyanne is appearing onstage with opera s biggest stars She may have hit the animal A list but Pollyanne s no diva When the curtain comes down there s nowhere she d rather be than at home with John and her four legged friends Sarah Oliver s Pollyanne is a heart warming true story of unconditional love and a Little Donkey with star quality Waiting to Go! James Abbington,Linda H. Hollies,2002 *Sharing the Easter Faith with Children* Carolyn C. Brown,2011-07-01 Sharing the Easter Faith with Children is theologically sound biblically focused educationally on target and developmentally appropriate Carolyn Brown writes clearly and helpfully with conviction and passion for what to share and how to share one s faith with children It should be required reading for every parent educator and pastor who wants to communicate and celebrate the Easter faith with children Brown packs a lot of practical suggestions insights and activities into this very readable resource I am confident children will mature in their understanding and affirmation of the Easter faith when they have been nurtured in

families and congregations that take seriously what Brown offers Donald Griggs author of *Teaching Today's Teachers to Teach* It is easy to share the Christmas story and faith with children The story is beautiful and lends itself well to pageants and other celebratory events for children It is not so easy to share the Easter story and faith with children because the message and images are complex Many parents have trouble articulating what Easter means to them personally much less answering their children's questions In many congregations children are featured in palm parades on Palm Sunday but they are not specifically planned for at other Holy Week services When schools schedule an Easter break many families go away and thus unintentionally bypass the whole Easter message for years This book explores what the Easter message can mean to children as they grow up The author helps congregations and families share the Easter message with their children and include the children meaningfully in Lent Holy Week and Easter observances Included are materials for children from birth in the church nursery to age 12 and reproducible pages to create a booklet for parents The first section of the book describes the particular parts of the Easter faith that are important to children at different ages and comments on the biblical Easter texts from a child's point of view The second part of the book works through the Lenten season describing ways congregations can include children and providing program and worship plans including Lenten disciplines for children and their families Ash Wednesday Celebrating Palm Sunday or looking ahead on Passion Sunday Maundy Thursday Recalling the Last Supper Keeping Good Friday The church sponsored Easter Egg Hunt Easter Sunday Morning Another part of the book offers help to leaders who want to share the content with teachers parents or committees Also included is a comprehensive list of related resources This carefully researched and well grounded practical resource from a highly regarded Christian educator will strengthen your educational ministry with children and support parents as they shape the faith of their children

Preaching Mark's Gospel Richard A. Jensen, 1996 In a classic case of failing to see the forest for the trees Jensen a homiletics professor and author of two works on narrative preaching says that preachers tend to analyze biblical books to glean the slightest bits of exegetical data yet miss the thrust of the overarching story they try to convey Jensen contends that preachers get too caught up in an analytical left brained mentality that obscures the power and meaning of the good news story In these pages Jensen helps us approach Mark's gospel with eyes wide open rather than with microscope in hand He treats Mark's gospel as a narrative whole and challenges preachers to tell the gospel's story to their congregations In doing so Jensen emphasizes the strength of biblical stories He says that these stories are powerful in and of themselves and that they work without much explanatory help The problem is that listeners never hear the entire story because it's always told to them in bits and pieces Jensen's adaptation of what Robert Alter author of *The Art of Biblical Narrative* calls narrative analogy assumes that parallel acts or situations are used to comment on each other in biblical narrative In other words if Mark told story B to flesh out the reality of story A then perhaps preachers today can do the same thing in their preaching Students of Jensen have enthusiastically embraced this approach This is great we never get to hear them stories whole How

did it ever occur to us that we could improve on the story of the Prodigal Son for example by reducing it to ideas Richard A Jensen teaches homiletics at Wartburg Seminary in Dubuque Iowa and Lutheran School of Theology at Chicago He is best known for his ten year stint as preacher for the national radio program Lutheran Vespers He has also produced a television series titled Reflections and one titled Rhapsody **reTell Me the Stories of Jesus** E.R. Free in Obedience William Stringfellow, 2006-11-01 An astute outspoken lay theologian talks to Christians about how they can today find freedom in obedience to Christ s gospel and about the urgent necessity of trying to live this kind of freedom now He insists that his readers look realistically and relentlessly at their own condition at the condition of the church and that they see how these relate and compare to Christ s gospel His book based on certain passages from Hebrews thus becomes a call to freedom and a call to revolutionary Christianity William Stringfellow begins by spelling out in impressive and telling detail how the church has become mired in secular idolatries and ideologies both economic and political Then in constrast to this situation he examines Christ s resistance to the temptations of worldly power Stringfellow ends his book by emphasizing the meaning of the resurrection as the exercise of the freedom of God and sets forth the victory over death and bondage given in Christ Only in that gift is the Christian free to offer his own life to the

world Only thus is he free in obedience Festivals Together Sandra Millar,2012-06-21 This book will recap the basic principles of structuring and delivering all age worship well covered in the first book It will also include ideas about using festivals to build relationships with the community It will also explore the idea of involving children and young people on occasions which have traditionally been less child friendly e g Good Friday Civil Disturbances in Washington United States. Stories in Season Bruce L. Taylor,2025-07-29 Stories in Season brings together thirty two narrative sermons by Bruce Taylor based on the Common Lectionary Revised for preaching over the course of the Sundays and feast days of the Christian year Included here are stories published for the first time and a sampling of stories that have appeared in his books previously published by Wipf and Stock With some set in biblical times and others in imagined more recent circumstances they exemplify the engaging use of storytelling in the process of communicating the gospel drawing on Jesus own example The homiletical task is never one of pure entertainment but the occasional and appropriate use of stories can provide a variety in preaching that sparks fresh interest in familiar Bible passages and invites congregations to discover new dimensions of the Scriptures and how Christian faith can and should shape daily life all while narrowing the distance between the Bible and our own time and place Whether the reader is a minister tasked with preaching or a lay person seeking intellectual and emotional connection with the continuing Christian epic these stories will bring a smile a tear a nod and a new engagement of heart and mind
