**The Organization of African Unity** , The political and spiritual affinity felt by black peoples may date back centuries but it was first formalized in Africa by a series of conferences at the beginning of the twentieth century In the postwar struggle for independence Africanness became a potent force Later in the early 1960s the flood of newly independent African states adopted a Pan African ideal in their common struggle against the remaining colonial and white dominated territories on the continent The launch of the Organization of African Unity OAU in 1963 was an impressive achievement by any standards and many commentators cited in this bibliography recognize this adding that the OAU s survival for thirty years is even more astonishing Overall however assessments of the OAU s activities have not been positive Lack of unanimity among member states has weakened the OAU s ability to deal with disputes While critical of OAU s ineffectiveness most writers marvel at the organization s resilience over three decades While Central and Eastern Europe fragment Africa is still represented by one organization with annual meetings continuing to be held and attended by foreign ministers prime ministers and presidents Chapters in this original and comprehensive bibliography include Literature on the OAU General Assessments The OAU in African Politics and The OAU in World Politics There are also extensive indexes of authors titles and subjects regarding the OAU Organization of African Unity is a critical resource for political scientists historians and Africa area specialists seeking to understand a changing continent **Pan-Africanism** Peter Olisanwuche Esedebe,1982

Laurent Gbagbo's Trial and the Indictment of the International Criminal Court Gnaka Lagoké,2023-02-14 The International Criminal Court ICC created in 2002 to combat impunity projects a sense of unfairness and stirs an unending debate A trial before the court epitomizes the controversy surrounding it perceived as a neocolonialist tool in the hands of the most powerful nations This research critically examines the trial of the former president of Ivory Coast Laurent Gbagbo The two decade crisis in Ivory Coast was a series of armed diplomatic and political conflicts in which human rights were violated by all sides Military confrontation resumed as a result of an electoral stalemate that followed a controversial presidential election in the fall of 2010 The most atrocious human rights abuse was perpetrated at the end of March 2011 by the rebel forces backed by the French and the United Nations troops the massacre of Du kou In one day hundreds of Laurent Gbagbo s followers were killed However the ICC undertook a selective prosecution against Gbagbo s camp After a trial of eight years Laurent Gbagbo was finally acquitted The news of his unanticipated acquittal shocked the world Later that decision was overturned and transformed into freedom with binding and coercive conditions by the Appeals Chamber which had succumbed to political pressure The former president of Ivory Coast spent months of confinement in Belgium until the Appeals Chamber rebutted the prosecutor s appeal against his release and confirmed his total acquittal and that of Bl Goud He eventually went back to Ivory Coast on June 17 2021 The trial of Laurent Gbagbo before the ICC despite his acquittal a tardy one reflects a series of biases germane to international law and international justice such as the victor s justice stance

the conflict between national law and international law the question of sovereignty and the issue of lawfare The trial of Laurent Gbagbo which was the hallmark of the selective international justice system embedded in unfairness led to a historical landmark with his shocking acquittal which led to the indictment of the International Court whose fate has thus been sealed before history

Race against Empire Penny M. Von Eschen, 2014-06-14 Marshaling evidence from a wide array of international sources including the black presses of the time Penny M Von Eschen offers a vivid portrayal of the African diaspora in its international heyday from the 1945 Manchester Pan African Congress to early cooperation with the United Nations Tracing the relationship between transformations in anti colonial politics and the history of the United States during its emergence as the dominant world power she challenges bipolar Cold War paradigms She documents the efforts of African American political leaders intellectuals and journalists who forcefully promoted anti colonial politics and critiqued U S foreign policy The eclipse of anti colonial politics which Von Eschen traces through African American responses to the early Cold War U S government prosecution of black American anti colonial activists and State Department initiatives in Africa marked a change in the very meaning of race and racism in America from historical and international issues to psychological and domestic ones She concludes that the collision of anti colonialism with Cold War liberalism illuminates conflicts central to the reshaping of America the definition of political economic and civil rights and the question of who in America and across the globe is to have access to these rights

*Re-engaging the African Diasporas* Charles Quist-Adade, Wendy Royal, 2016-08-17 Re engaging the African Diasporas Pan Africanism in the Age of Globalization is the second volume in the Kwame Nkrumah International Conference series and brings together twenty selected papers presented at the Third Kwame Nkrumah International Conference held at Kwantlen Polytechnic University on August 19 21 2014 Two premises inform this volume 1 If the history of slavery and its vestiges divided and continue to divide the continent and its Diasporas modern technology should be harnessed to bridge that divide and 2 the continent s development is a boon to the development of what the African Union has dubbed Africa s Sixth Region The book threads together papers that seek to give academic and intellectual impetus to tie the continent s development to that of the African Diaspora The goal is to end the inertia and inward looking on the part of scholars and academics in both Africa and African International or Global Africa and re engage one another in more productive ways By harnessing the enormous resources available in our internet age and riding the cresting wave of globalization the task of re engagement will be vastly enhanced and the debates and discussions in this volume will serve to facilitate this re engagement A main highlight of the conference was a special tribute to Nelson Mandela to honour his death in December 2013 and celebrate 20 years of South African independence In these papers scholars examine Mandela s role in the transition of South Africa from a racist state to a democratic nation They critically examine how the ANC s policies have impacted post Apartheid South Africa and question what alternatives remain for the future

**Pan-Africanism, and the Politics of African Citizenship and Identity** Toyin Falola, Kwame Essien, 2013-10-08 There

is no recent literature that underscores the transition from Pan Africanism to Diaspora discourse This book examines the gradual shift and four major transformations in the study of Pan Africanism It offers an academic post mortem that seeks to gauge the extent to which Pan Africanism overlaps with the study of the African Diaspora and reverse migrations how Diaspora studies has penetrated various disciplines while Pan Africanism is located on the periphery of the field The book argues that the gradual shift from Pan African discourses has created a new pathway for engaging Pan African ideology from academic and social perspectives Also the book raises questions about the recent political waves that have swept across North Africa and their implications to the study of twenty first century Pan African solidarity on the African continent The ways in which African institutions are attracting and mobilizing returnees and Pan Africanists with incentives as dual citizenship for diasporans to support reforms in Africa offers a new alternative approach for exploring Pan African ideology in the twenty first century Returnees are also using these incentives to gain economic and cultural advantage The book will appeal to policy makers government institutions research libraries undergraduate and graduate students and scholars from many different disciplines

**C.L.R. James** Paul Buhle, 2017-10-10 A new edition of C L R James s authorized biography C L R James was a man of prodigious and varied accomplishments He was a protean twentieth century Marxist intellectual widely recognized as a pioneering scholar of slave revolt a leading voice of Pan Africanism a peripatetic revolutionary and scholar active in US and UK radical movements a novelist playwright and critic and one of the premier writers on cricket and sports This intellectual portrait was written by James s longtime interlocutor and comrade Paul Buhle and initially published in 1988 With a new final chapter updated bibliography a new foreword by historian Robin D G Kelley and a new afterword by Paul Buhle and the philosopher Lawrence Ware this long awaited revised edition of a classic biography will be a key resource in the James revival

**Africa, Asia, and South America Since 1800** A. J. H. Latham, 1995 A reference for graduate and undergraduate students presenting the bibliographic details and sometimes describing and evaluating the content of over 5 000 books in English most published since 1945 and many quite recently but also some earlier works of enduring importance A section of works on all three continents is followed by sections on each which first consider the continent as a whole then each country usually by chronological periods and topics such as economics politics and society Indexed only by author and editor but the table of contents is detailed enough to provide adequate access Distributed in the US by St Martin s Press Annotation copyright Book News Inc Portland Or

**Nationalism and African Intellectuals** Toyin Falola, 2004 An examination of the attempt by Western educated African intellectuals to create a better Africa through connecting nationalism to knowledge from the anti colonial movement to the present day This book is about how African intellectuals influenced primarily by nationalism have addressed the inter related issues of power identity politics self assertion and autonomy for themselves and their continent from the mid nineteenth century onward Their major goal was to create a better Africa by connecting nationalism to knowledge The results have been mixed from the glorious euphoria of the success of anti

colonial movements to the depressing circumstances of the African condition as we enter a new millennium As the intellectual elite is a creation of the Western formal school system the ideas it generated are also connected to the larger world of scholarship This world is in turn shaped by European contacts with Africa from the fifteenth century onward the politics of the Cold War and the subsequent collapse of the Soviet Union In essence Africa and its elite cannot be fully understood without also considering the West and changing global politics Neither can the academic and media contributions by non Africans be ignored as these also affect the ways that Africans think about themselves and their continent Nationalism and African Intellectuals examines intellectuals ambivalent relationships with the colonial apparatus and subsequent nation state formations the contradictions manifested within pan Africanism and nationalism and the relation of academic institutions and intellectual production to the state during the nationalism period and beyond Toyin Falola is the Jacob and Frances Sanger Mossiker Chair in the Humanities and University Distinguished Teaching Professor at the University of Texas at Austin

*Western-Educated Elites in Kenya, 1900-1963* Jim C. Harper, 2005-12-09 Western educated Elites in Kenya proposes to conduct a critical examination of the emergence of the American educated Kenyan elites the Asomi and their role in the nationalist movement and eventually their Africanization of the Civil and Private sectors in Kenya **Africans in Britain** David Killingray, 2012-12-06 This collection of essays looks at the history of African people in Britain mainly over the past 200 years *The Struggles of John Brown Russwurm* Winston James, 2010-08-30 If I know my own heart I can truly say that I have not a selfish wish in placing myself under the patronage of the American Colonization Society usefulness in my day and generation is what I principally court Sensible then as all are of the disadvantages under which we at present labour can any consider it a mark of folly for us to cast our eyes upon some other portion of the globe where all these inconveniences are removed where the Man of Colour freed from the fetters and prejudice and degradation under which he labours in this land may walk forth in all the majesty of his creation a new born creature a Free Man John Brown Russwurm 1829 John Brown Russwurm 1799 1851 is almost completely missing from the annals of the Pan African movement despite the pioneering role he played as an educator abolitionist editor government official emigrationist and colonizationist Russwurm s life is one of firsts first African American graduate of Maine s Bowdoin College co founder of Freedom s Journal America s first newspaper to be owned operated and edited by African Americans and following his emigration to Africa first black governor of the Maryland section of Liberia Despite his accomplishments Russwurm struggled internally with the perennial Pan Africanist dilemma of whether to go to Africa or stay and fight in the United States and his ordeal was the first of its kind to be experienced and resolved before the public eye With this slim accessible biography of Russwurm Winston James makes a major contribution to the history of black uplift and protest in the Early American Republic and the larger Pan African world James supplements the biography with a carefully edited and annotated selection of Russwurm s writings which vividly demonstrate the trajectory of his political thinking and contribution to Pan Africanist thought and highlight the challenges

confronting the peoples of the African Diaspora Though enormously rich and powerfully analytical Russwurm's writings have never been previously anthologized The Struggles of John Brown Russwurm is a unique and unparalleled reflection on the Early American Republic the African Diaspora and the wider history of the times An unblinking observer of and commentator on the condition of African Americans as well as a courageous fighter against white supremacy and for black emancipation Russwurm's life and writings provide a distinct and articulate voice on race that is as relevant to the present as it was to his own lifetime

*Developing Heritage - Developing Countries* Marie Huber, 2020-11-23 The history of development has paid only little attention to cultural projects This book looks at the development politics that shaped the

UNESCO World Heritage programme with a case study of Ethiopian World Heritage sites from the 1960s to the 1980s In a large scale conservation and tourism planning project selected sites were set up and promoted as images of the Ethiopian nation This story serves to illustrate UNESCO s role in constructing a useful past in many African countries engaged in the process of nation building UNESCO experts and Ethiopian elites had a shared interest in producing a portfolio of antiquities and national parks to underwrite Ethiopia s imperial claims to regional hegemony with ancient history The key findings of this book highlight a continuity in Ethiopian history despite the political ruptures caused by the 1974 revolution and UNESCO s transformation from knowledge producer to actual provider of development policies The particular focus on the bureaucratic and political practices of heritage bridges a gap between cultural heritage studies and the history of international organisations The result is a first study of the global discourse on heritage as it emerged in the 1960s development decade

**Edward W. Blyden's Intellectual Transformations** Harry N. K. Odamtten, 2019-08-01

Distinguished by its multidisciplinary dexterity this book is a masterfully woven reinterpretation of the life travels and scholarship of Edward W Blyden arguably the most influential Black intellectual of the nineteenth and early twentieth centuries It traces Blyden s various moments of intellectual transformation through the multiple lenses of ethnicity race religion and identity in the historical context of Atlantic exchanges the Back to Africa movement colonialism and the global Black intellectual movement In this book Blyden is shown as an African public intellectual who sought to reshape ideas about Africa circulating in the Atlantic world The author also highlights Blyden s contributions to different public spheres in Europe in the Jewish Diaspora in the Muslim and Christian world of West Africa and among Blacks in the United States Additionally this book places Blyden at the pinnacle of Afropublicanism in order to emphasize his public intellectualism his rootedness in the African historical experience and the scholarship he produced about Africa and the African Diaspora As Blyden is an important contributor to African studies among other disciplines this volume makes for critical scholarly reading

Modern Genocide Paul R. Bartrop, Steven Leonard Jacobs, 2014-12-17 This massive four volume work provides students with a close examination of 10 modern genocides enhanced by documents and introductions that provide additional historical and contemporary context for learning about and understanding these tragic events Modern Genocide The Definitive Resource and Document Collection spans nearly 1 700 pages presented in four volumes and includes more than 120 primary source documents making it ideal for high school and beginning college students studying modern genocide as part of a larger world history curriculum The coverage for each modern genocide from Herero to Darfur begins with an introductory essay that helps students conceptualize the conflict within an international context and enables them to better understand the complex role genocide has played in the modern world There are hundreds of entries on atrocities organizations individuals and other aspects of genocide each written to serve as a springboard to meaningful discussion and further research The coverage of each genocide includes an introductory overview an explanation of the causes consequences perpetrators victims and

bystanders the international reaction a timeline of events an Analyze section that poses tough questions for readers to consider and provides scholarly pro and con responses to these historical conundrums and reference entries This integrated examination of genocides occurring in the modern era not only presents an unprecedented research tool on the subject but also challenges the readers to go back and examine other events historically and consequently consider important questions about human society in the present and the future

**Pan-Africanism in Modern Times** Olayiwola Abegunrin, Sabella Ogbobode Abidde, 2016-06-15 For about one hundred years Pan Africanism as a social cultural economic political and philosophical idea thrived Towards the tail end of the twentieth century however it waned But in more recent times there has been noticeable resurgence And as we approach the second decade of the twenty first century there are indications of significant transformations vis vis the role and place of Pan Africanism and Pan Africanists Consequently this book offers a new further and better understanding of Pan Africanism not just from the traditional African and African American points of view but also from a global perspective It does so by offering an analysis of its early years in terms of the personalities ideas and conferences that shaped it it also examines many of the factors that brought about its decline and its eventual rebirth Contributing to this seminal work are scholars of different but complementary styles and intellect who deviate from the more traditional or obvious approaches For instance one of the chapters explores Pan Africanism from the geographic perspective while another examines the role and place of women in the Pan African movement There are also voices that advance the conversation from the regional and continental viewpoint hence chapters that investigate the status of Pan Africanism in Latin America in the Caribbean and Islam and Pan Africanism in the modern world Ethnonationalism and xenophobia are also part of the treatise because increasingly these injurious phenomena are reemerging in Africa s landscape and consciousness In an increasingly interdependent and interrelated world this book also suggests that Pan Africanism will undergo a metamorphosis problems and challenges will be seen and tackled from the globalization and global common perspective Pan Africanism in Modern Times goes beyond the historicity of Pan Africanism and examines the challenges concerns and constraints it faces and also examines it from an inclusive perspective to have a broader understanding of this phenomenon and its future trajectory

*50 Events That Shaped African American History* Jamie J. Wilson, 2019-09-19 This two volume work celebrates 50 notable achievements of African Americans highlighting black contributions to U S history and examining the ways black accomplishments shaped American culture This two volume encyclopedia offers a unique look at the African American experience from the arrival of the first 20 Africans at Jamestown through the launch of the Black Lives Matter movement and the Ferguson Protests It illustrates subjects such as the Jim Crow period the Brown v Board of Education case that overturned segregation Jackie Robinson s landmark integration of major league baseball and the election of Barack Obama as president of the United States Drawing from almost 400 years of U S history the work documents the experiences and impact of black people on every aspect of American life Presented chronologically the selected events each include at

least one primary source to provide the reader with a first person perspective These range from excerpts of speeches given by famous African American figures to programs from the March on Washington The remarkable stories collected here bear witness to the strength of a group of people who chose to survive and found ways to work collectively to force America to live up to the promise of its founding
