passport was taken away his wages garnished his vehicle seized and sold at auction and his multiple attempts to refute his ex wife s charges denied Years later he refuses to surrender which means he is still unable to leave the country own property or earn a living Fed up with the systematic fraud and perjury he claims he has encountered throughout the justice system in El Dorado County California which has jurisdiction over his case Bryson has finally decided to take matters into his own hands In this book he has published his side of the story candidly and unedited including accompanying legal documentation By doing so he hopes not only to hold the County of El Dorado accountable for withholding justice in his case but also to prevent other alleged deadbeat dads like him from being presumed guilty before they have a chance to prove their innocence
