Powers**

Panama The Whole Story:

Panama Kevin Buckley, 1992-08-15 Written by a seasoned journalist and updated to include Noriega's trial this account of U S involvement in Panama reads like a spy thriller Publishers Weekly Kevin Buckley shows that U S policymakers were fully aware of Noriega's drug trafficking activities and his association with the Medellin cocaine cartel when they worked with him

The History of Panama Robert C. Harding, 2006-05-30 As the narrowest stretch of land in the Central American isthmus Panama's geographical location has for millennia made it the crossroads for traders travelers European pirates and world superpowers Panamanian history is replete with explicit or tacit domination by others In the post Columbus period Panama was first a Spanish colony then a province of Colombia and then finally a quasi territory of the United States during the 20th century Suffering invasion by the United States in 1989 to oust dictator Manuel Noriega and then receiving full ownership of the Panama Canal at the end of 1999 Panama has rebuilt itself into a strong if contentious democracy This work chronicles and highlights the key events and figures in the country's past 500 years of history from Columbus to current day It begins with Panama's colonial period demonstrating how even in its early days the isthmus was seen by the Spanish as merely a transshipment point It then examines the post Spanish period when the Colombian province of Panama became a forgotten backwater until European powers began vying for canal rights leading to an ill fated French effort The main portion of the book details the events figures and intricacies of the Panama U S relationship which dominated Panama's history for the entire 20th century It closes with an examination of the gains and challenges the country has faced in the post U S invasion years

Panama Kevin Buckley, 1991 **Modern Panama** Michael L. Conniff, Gene E. Bigler, 2019-05-09

Provides a comprehensive overview of the political and economic developments in Panama from 1980 to the present day

Rhetoric, Media, and the Narratives of US Foreign Policy Adam Lusk, 2021-12-30 Rhetoric Media and the Narratives of US Foreign Policy Making Enemies studies the process of communicating threats to the US public and explores when and why the American public believes another country or regime is a threat Through a comparative and historical study the author focuses on how the media environment enables and constrains rhetorical strategies deployed to construct reproduce and change narratives about a threat Recent literature on threat inflation securitization and critical security studies returned to the concept of threat Building on this renewed conceptual attention this book examines why and how policy makers and other public figures in particular the President convince the public about a threat and will be of interest to students and academics in the disciplines of political science international relations foreign policy security studies and contemporary history

The Routledge Handbook of American Military and Diplomatic History Christos Frentzos, Antonio Thompson, 2013-08-29 The Routledge Handbook of U S Military and Diplomatic History provides a comprehensive analysis of the major events conflicts and personalities that have defined and shaped the military history of the United States in the modern period Each chapter begins with a brief introductory essay that provides context for the topical essays that follow by

providing a concise narrative of the period highlighting some of the scholarly debates and interpretive schools of thought as well as the current state of the academic field Starting after the Civil War the chapters chronicle America s rise toward empire first at home and then overseas culminating in September 11 2001 and the War on Terror With authoritative and vividly written chapters by both leading scholars and new talent maps and illustrations and lists of further readings this state of the field handbook will be a go to reference for every American history scholar s bookshelf *The Makers of the Panama Canal*, 1911 F.E. Jackson & Son,1911 *The Small Wars of the United States, 1899-2009* Benjamin R. Beede,2010 The Small Wars of the United States 1899 2009is the complete bibliography of works on US military intervention and irregular warfare around the world as well as efforts to quell insurgencies on behalf of American allies The text covers conflicts from 1898 to present with detailed annotations of selected sources In this second edition Benjamin R Beede revises his seminal work bringing it completely up to date including entries on the current conflicts in Iraq and Afghanistan An invaluable research tool The Small Wars of the United States 1899 2009is a critical resource for students and scholars studying US military history **Castro'S Final Hour** Andres Oppenheimer,1993-10-29 Reported from inside Cuba by Pulitzer Prize winning reporter Andres Oppenheimer Castro s Final Hour chronicles the dramatic events that have crippled the more than three decades old Marxist regime of Fidel Castro From the execution of the country s most celebrated Army general in 1989 to the devastating effects of the loss of all Soviet aid the picture Oppenheimer paints is extraordinarily detailed and engrossing revealing a country on the brink of disaster He uncovers Castro s never before reported efforts to radicalize Noriega s regime in Panama the failure of his Zero Option plan to restore economic stability without outside aid and tells how in a last ditch attempt to save the country from its dire slide Castro s top aides pushed a plan to strip him of some of his powers Including exclusive interviews with Soviet officials Latin American leaders including Daniel Ortega and Manuel Noriega as well as the top echelon of current Cuban leadership and Fidel s dissident daughter Alina Castro s Final Hour is a compelling and intimate portrait of the Cuban leader and an authoritative evaluation of what the future may hold for his country U.S. Presidents and Latin American Interventions Michael Grow,2008 Reveals how Cold War U S presidents intervened in Latin America not as the official argument stated to protect economic interests or war off perceived national security threats but rather as a way of responding to questions about strength and credibility both globally and at home
