The Panama Canal Tatiana Ryckman, 2017-07-15 Since the beginning of exploration people have searched for easier ways to navigate between waterways and oceans to bolster trade The Panama Canal demonstrates how innovation advanced engineering hard work and great personal cost resulted in one of modern history s most critical trade routes This book includes information about the explorers and inventors behind the project the goods and services traded and the ways the canal is used today

The Panama Canal Duncan E. McKinlay, 2021-05-19 In *The Panama Canal* Duncan E McKinlay provides a comprehensive examination of one of the greatest engineering feats of the 20th century The book intricately details the historical political and social contexts surrounding the construction of the canal delving into the challenges and triumphs faced by engineers laborers and politicians alike McKinlay employs a narrative style that blends meticulous research with vivid storytelling offering a multifaceted perspective on issues such as colonialism international relations and economic impact Through rich illustrations and primary source excerpts the book highlights the canal s role in reshaping global trade and military strategy positioning it within the broader discourse of modernity and imperialism Duncan E McKinlay a noted historian with extensive expertise in American and Latin American history draws on his academic background and field research to illuminate the complexities involved in the Panama Canal s construction His passion for engineering history and geopolitical dynamics is evident in his detailed analysis McKinlay s scholarly approach combined with his accessible prose makes this work stand out as an essential text for understanding the nuances of this monumental

project and its implications This book is highly recommended for anyone interested in history engineering or international relations McKinlay invites readers to reflect on the intricacies of human ambition and environmental challenges making it a vital resource for scholars students and general readers alike The engaging narrative and profound insights ensure that The Panama Canal is both informative and thought provoking **Transit and Harbor Regulations of the Panama Canal and Approaches Thereto, Including All Waters Under Its Jurisdictions.** ... Panama Canal Executive Dept,1923 The Panama Canal J. Saxon Mills,2022-08-10 In The Panama Canal J Saxon Mills offers an incisive and comprehensive narrative that weaves together the geopolitical economic and technological threads that underpin the historical saga of the Panama Canal s creation The text delves into the colossal international efforts and significant human costs associated with one of the most ambitious engineering feats of the 20th century Mills s scholarly treatment applies meticulous research presenting the layered complexities in a coherent and engaging literary style that situates the canal within its wider historical and cultural context J Saxon Mills a historian of considerable repute brings to the fore his expertise in trade international relations and engineering history to dissect the herculean task of the Panama Canal s construction His analysis is informed by a nuanced understanding of the period s political landscape as well as a deep empathy for the myriad workers whose toils and sacrifices enabled the canal s completion Mills s historical scrutiny reflects both a profound appreciation for the canal s transformative impact on global commerce and a critical eye on the imperialistic endeavors that characterized its provenance The Panama Canal is an essential read for students and scholars of modern history engineering and international politics as well as for general readers captivated by monumental historical achievements Mills s erudition and narrative elegance make this book a definitive account of the canal s exhaustive history ensuring that the immense significance of this engineering marvel is comprehensively understood and appreciated The depth and breadth of Mills s research also provide invaluable insights into the broader socio economic repercussions that continue to echo well into the 21st century **Panama Canal** Rebecca Steffoff,2016-01-01 This title explores and explains how the Panama Canal was built The canal s construction is described in terms of the engineering process The book explores why the canal was built and describes the design stages and technologies used during construction The book also describes the challenges builders faced while building the canal History of the Panama Canal Ira Elbert Bennett,1915 **The Panama Canal** Walter LaFeber,1978 This newly updated edition of Walter LaFeber s widely praised study of the evolution of U S Panama relations contains two new chapters on the events that have occurred since the Panama Canal Treaty in 1978 This new edition offers particularly detailed examinations of the 1988 attempt to oust Manuel Noriega and Noriega s role in aiding the Nicaraguan Contras as well as invaluable background information for understanding the 1989 crises LaFeber argues that the interdependent but turbulent relationship between Panama and the United States continued into the 1980s with the U S using General Manuel Antonio Noriega to overthrow the Sandinista government of Nicaragua U S officials in the Reagan administration also subordinated

widespread knowledge of Noriega's drug trafficking in order to keep Panama in line with the U.S. policy towards Nicaragua. But by 1986 the United States both knew and demanded too much of Noriega and the relationship finally began to fragment. LaFeber's updated volume remains the essential source for anyone who wants a complete picture of U.S. Panama relations from Balboa to the present. Building the Panama Canal Sylvia Engdahl, 2012-07-30 This compelling volume provides the historical background of the construction of the Panama Canal. Readers will learn how women played an important role in the project. Controversies are also explored including the role that the United States played in the Panamanian Revolution. Personal narratives are presented from sources such as Theodore Roosevelt and Helen Herron Taft. Other essay sources include the Panama Canal Authority, James T. Du Bois and David Newton E. Campbell. A Sketch of the Panama Canal John Frank Stevens, 1908. **The Panama Canal Record**, 1925. **The Panama Canal** Lesley A. DuTemple, 2002-09-01. A history of the building of the Panama Canal with emphasis on the difficulties of digging a canal where some engineers said it could not be done. **History of the Panama Canal.** Ira E.
