Pananandata Knife Fighting Amante P. Marinas, 1986 *FMA Grandmasters and Masters* Bram Frank, 2017-11-09

This book is about some of the many Masters and Grandmasters of the FMA Filipino Martial Arts. Some are well known, others are relatively obscure, some are famous, others are known only by their skill, but they all have in common their love for the Filipino Martial Arts and their connection through training, friendship, heritage, or lineage with GM Bram Frank. Some are the heroes of the Philippines and the spirit of Arnis, like the late Professor Remy Presas, part of American martial art history with the FMA and JKD, like Guro Dan Inosanto, or like GM Bram Frank, a faithful practitioner and instructor of the arts. Their stories are told in pictures and with a bio of who they are and what they've done. Regardless of gender, these people give their lives, souls, and energy to the Filipino Martial Arts. This is the first in a series of volumes of these wonderful people. This is the first book written by a non-Filipino, with a forward by a Filipino President, President Benigno Aquino III. Mabuhay! understood the Filipino martial arts have a rich history and distinctive character that have not fully been documented until now. Written in the context of Philippine history and culture, *Filipino Martial Culture* uncovers the esoteric components of the Filipino martial arts and the life histories of the men who perpetuate them. Included are the history of turbulence and war in the Philippines from prehistoric times to the present day, the culture of the Filipino martial arts including warrior ethos and worldview, spirituality, folklore, and weaponry. Biographical sketches of eighteen Filipino masters and descriptions of their respective fighting styles and a comparative study of the ethos, ideology, and development of the Filipino martial arts in relation to the considerable martial traditions of India, China, and Japan. Wiley traveled the globe interviewing top masters and recording their life histories, thoughts, and anecdotes. In addition, he collected 320 historical photographs and illustrations, including step-by-step sequences of the masters demonstrating the distinctive techniques of their particular martial styles.
