compilation of moral stories from the five books of Panchatantra *Tales from Panchatantra by Vishnu Sharma Series-2* Anusha Hs,2022-01-27 In South India there was a city named mahilaaropa A king named Amara Shakthi was ruling the city of mahilaaropa He was very friendly with his citizens He was a great visionary and a man with valour The citizens of his Kingdom were always happy But the king himself was not happy He had no contentment Because that King had three sons

who were very stupid The elder one was very stubborn His name was bahu shakti The second one was a shrewd fellow His name was ugrashakti The third one was a wicked fellow who had inculcated only bad habits His name was Ananta Shakti Moreover the three sons of the King were egoistic as they were the sons of a king Because of this they did not obtain any kind of knowledge and education Though they were aged between 16 and 18 years they did not know how to write Like this they used to lead their lives The king Amara Shakti being the father of those three princes did not succeed in his attempt of making them knowledgeable and educating them even though he tried his level best Because those three children of the king did not have any earnestness to get educated they disrespected their Guru or teacher So all the Gurus or teachers started rejecting the offer of teaching the three children of the king Though they were in youth they were slow egoistic and had inculcated bad habits in them As the time had passed away they had grown like wild bulls Hearing about the nature of the three princes the kings belonging to the neighboring kingdoms hesitated to give their daughters in hand for conducting marriage ceremony of their daughters The king Amara shakti went into a chronic depression and lost his peace of mind He struggled and trembled out of fear thinking about their son s future

Panchatantra Luis Fernandes,2017-05-22 King Sudarshan was known for his learning and wisdom but his three sons were known for the dullness of their intellect Concerned for their future and the welfare of his kingdom the king employed an aged scholar named Vishnu Sharma to hammer some wisdom into the princes in the shortest possible time Taking stock of the situation Vishnu Sharma decided to teach through a series of stories To this end he devised the Panchatantra five pancha treatises tantra The Panchatantra consists of five books Each is a collection of stories interwoven into the framework of one main story the five main stories are Loss of Friends The Winning of Friends Of Crows and Owls Loss of Gains and Imprudence The seven stories in this comic in the Amruta Comics series are taken from one or the other of these five parts

THE TALL TALES OF VISHNU SHARMA: PANCHATANTRA, Issue 4 Samit Basu,2014-01-12 As the secret agents of TaleCorps get closer to controlling the Panchatantra storyworlds Vishnu contemplates the ultimate betrayal The Panchatantra characters are summoned from their own stories to Council Rock in the center storyworld of Kathagraha where their collective future will be decided But as Leo strives to unite his subjects to face the peril that threatens to overwhelm them shadows lurk in the forest it might already be too late The Panchatantra heroes face imminent danger but questions still remain Can Jack really be trusted Will Vishnu put self preservation above the needs of his new friends We ll never tell but one thing s for sure this tale is about to get a lot more graphic
