A Furever Home Kaje Harper, Gabbi Grey, 2025-09-09 A Furever Home Arthur When I was squeezing seven rescue dogs and a horde of cats in my small house all I wanted was to not turn away a pet in need Opening the Safe Haven Pet Rescue was a dream come true But when I get hurt standing between a man with a gun and a stray dog I realize I still can't do it all My injured leg a concussion having to lean on my friends and realizing how helpless I feel throws me back to my childhood when nothing I did ever seemed to be enough But there's one silver lining Brooklyn West He's the kind of guy who holds a stranger's hand in a crisis He's great with my dogs even cranky little Chili and really seems to want to help the shelter I like watching him be a protective big brother when his sister turns

up on his doorstep even though I think there's pain underneath his sunny smiles. But as we move toward friendship I keep looking for the strings for the catch and wondering how I'll pay him back because nothing in my life can be that sweet or that simple. Brooklyn I went through a slice of medical hell and came out the other side with enough money to move to the opposite side of the country and start the doggie daycare business of my dreams. The cherry on top of that good luck is meeting Arthur Bjornsson. Big wild bearded soft voiced Arthur is the kind of guy my family would've ridiculed. He's warm hearted and willing to throw himself into harm's way right in front of my eyes to save one pathetic stray dog. He's the kind of guy who gives me back some faith in humanity. But when my underage sister Cheyenne shows up on my doorstep on the run from the family I thought I'd escaped my old life and new collide. I want to help Arthur get to know him and as he heals I want more than just friendship. But Cheyenne brings legal risks a teen on the other side of my bedroom wall and the threat of retribution from our family. The simple relationship I thought Arthur and I were building is suddenly messy as hell. I don't know how we'll get through this to reach the forever home I so desperately want. A Forever Home is a fur baby filled hurt comfort small town romance between two men whose only chance at a family is to build one themselves. **In His Hands**
