*Our Life Force and the Sacred* Sherrill Perry,2010-04-30 Often we sit wondering Is this all there is We so much need to find out what brings real peace How and where could we begin to find the honest and genuine meaning to our existence Many of us realize that something is missing We look for magic answers and when they run their course we feel even emptier If we are looking in the right places we realize there is another dimension a spiritual dimension When one searches in the spiritual dimension there is a time when a spiritual rebirth is sought and realized a spiritual rebirth that creates in us a new existence a new life It is where belief emotions and the spiritual experience become one within This can happen to a searcher when that person realizes the validity of spiritual truths and allows them to unite within We can have this experience as a Buddhist a Jewish or Kabbalist believer a Christian Muslim Native American or cult believer This experience can have a life changing effect on the person What happens is the new belief brings a realization that old habit patterns appetites desires and ways of living have brought about emptiness and darkness The new belief shines its light on the darkness These spiritual truths give us another way to think about our life Our emotions are brought to a higher level As we live our new life we are transformed

**A Teacher Between Worlds** Lillian Cui Garcia, 2019 This is a collection of essays I've written through the years reflecting on my teaching journey in a northern Canadian community college They are interwoven with memories about my earlier Alberta government researcher's job and my first teaching experience in Cebu Philippines Also intertwined with them are remembrances of my family friends colleagues and benefactors It is a social history memoir that touches on a number of contemporary Canadian Native Peoples and Philippine history It's an invitation for teachers and newcomers in a place to reflect on their own comparable journeys while walking with me through my experiences integrating my minority status as a woman of colour in the academic world and the Canadian cultural mosaic where I sought and found acceptance respect and even affection My observations about teaching family friendship the arts health concerns majority and minority relations and transformation resonate with the abiding belief of social scientists in humankind's oneness in mind and spirit They are timely reminders that in an increasingly fractious world we are better off engaging with each other grounding ourselves in honesty civility and compassion as we share space and help navigate this magnificent boat called Earth
