Paper Caper:

The Paper Caper Tim Topps, 2015-12-22 The Paper Caper starts at the beginning of the Cold War in a very laid back army depot full of staff visibly unwinding after the previous war. It follows the newly commissioned but determinedly unmilitary Tim Topps who arrives at the immense depot in 1947. Along with regimental and storehouse duties, Tim is immediately appointed Editor of the depot's weekly newspaper which he has never seen or even heard of. Expecting a newsroom bursting with activity when he makes his way to meet his staff, the new editor is met with a small private who is currently operating the paper single handedly at a desk in the far corner of the Print Pubs shed. To no surprise, the paper itself can mostly be found holding a portion of chips at the end of the week. It is soon revealed that Tim's true role as Editor is to expand the paper using it to trap a Communist sleeper who MI5 have discovered planted within the civilian staff. He is to be aided by a charming and efficient ATS Corporal with whom he is doomed to strictly contrary to army regulations fall in love. Tim and his assistant eventually narrow down the suspects to one officer but all is not as it seems. They are led on a chase beyond the depot to ruined castles up and down the Welsh border coming to the end of their journey near a fishing village in the south of France. Here they will confront their enemy for the last time. The Paper Caper is a light hearted novel that will appeal to fans of history and military novels.

Gadgets and Inventions Neil Morris, 2010 Introduces some great inventions that came about after spectacular failures and introduces the failed ideas themselves.

The Great Paper Caper Oliver Jeffers, 2009-01-22 From the illustrator of the 1 smash hit *The Day the Crayons Quit* comes a whodunnit just right for the youngest of readers not to mention instructions for how to build the perfect paper airplane. The animals' homes are disappearing. Tree by tree, the forest is being cut down. Clues. There must be clues. For instance, look there is a mysterious bear carrying an ax. But what would a bear want with so many trees? Perhaps the discarded paper airplanes littering the forest floor have a story to tell. Oliver Jeffers' quirky childlike humor and lovable illustrations are in full effect in this funny whodunit featuring a winning cast of animals and a message about the importance of conservation and recycling.

Oliver Jeffers Martin Salisbury, 2025-07-24 A phenomenon of 21st century bookmaking, Oliver Jeffers has carved an extraordinary career that shows no sign of slowing. Still only in his forties, he has published an

array of hugely popular books both as illustrator and author-illustrator. This overview of his life and work so far charts his passion for the environment and his quest to understand humanity's major challenges and the impact this has had on his creative and intellectual output. The list of Jeffers's accomplishments is long and glittering; he has held numerous one-man shows in both the UK and the USA and was appointed an MBE in 2022 for services to the arts. Most importantly, however, he has tirelessly pushed the boundaries of what a picturebook can be. His regular exploration of existential issues, whether through illustration or other media such as site-specific installation or film, has exerted a major influence on the practice of authorial picturebook making. This addition to Thames Hudson's acclaimed *Illustrators* series is the first book to focus closely on Oliver Jeffers's practice as an illustrator, offering an in-depth analysis of his processes, influences, styles, and subjects as they have changed over time.

Re-thinking Picturebooks for Intermediate and Advanced Learners: Perspectives for Secondary English Language Education Grit Alter, Thorsten Merse, 2023-11-27

Der didaktische Wert von Picturebooks für den Englischunterricht in der Grundschule gilt als unumstritten. Jedoch gibt es in Forschung und Unterrichtspraxis derzeit kaum Anstöße, wie der Transfer dieses vermeintlich kindlichen Literaturmediums in die Sekundarstufe gelingen kann. Dieser Band legitimiert Picturebooks als komplex angelegte Textform, die sich auch mit fortgeschrittenen Lernenden zu kompetenz- und inhaltsorientierter Arbeit im Englischunterricht anbietet. Die im Band versammelten konzeptuellen und empirischen Perspektiven zeigen angehenden und praktizierenden Lehrkräften konkret auf, wie vielfältig Picturebooks den Unterricht bereichern können. Eine große Bandbreite praktischer Beispiele verdeutlicht ihr Potenzial für den Englischunterricht der Sekundarstufen von der Förderung verschiedener Literacies und literarischen Lernens bis hin zur Fokussierung von Themen wie Umwelt, sozialer Gerechtigkeit oder kultureller Diversität.

Irish Children's Literature and Culture Keith O'Sullivan, Valerie Coghlan, 2011-03-17

What constitutes a national literature is rarely straightforward and it is especially complex when discussing writing for young people in an Irish context. Until recently, there was only a slight body of work that could be classified as Irish children's literature, whatever the parameters. In comparison with Ireland's contribution to adult literature in the twentieth century, this volume looks critically at Irish writing for children from the 1980s to the present, examining the work of many writers and illustrators and engaging with all the major forms and genres. Topics include the gothic, the speculative, picturebooks, poetry, post-colonial discourse, identity, and ethnicity, and globalization. Modern Irish children's literature is also contextualized in relation to Irish mythology and earlier writings, thereby demonstrating the complexity of this fascinating area. The contributors, who are leading experts in their fields, examine a range of texts in relation to contemporary literary and cultural theory and also in relation to writing for adults, thereby inviting a consideration of how well writing for a young audience can compare with writing for an adult one. This groundbreaking work is essential reading for all interested in Irish literature, childhood, and children's literature.
