DAVID S. WYMAN

AUTHOR OF THE ABANDONMENT OF THE JEWS

Paper Walls America And The Refugee Crisis 1938 1941

Aaron Berman

Paper Walls America And The Refugee Crisis 1938 1941:

Paper Walls: America and the Refugee Crisis, 1938-1941 David S. Wyman, 2019-07-31 Paper Walls was the first scholarly book to deal with the question of America's response to the Nazi assault on the European Jews. A revised version of my Ph.D. dissertation at Harvard University, it was originally published in 1968. Those times were very different from these. There was little public receptivity to Holocaust studies then and only limited academic interest. The scholarly reviews of which there were several were favorable. But the general press paid little attention to the book. A pioneer in its field, Paper Walls first established the thesis that three features of American society in the 1930s and 1940s were key to understanding the nation's inadequate response to the refugee crisis: They were anti-Semitism, nativistic nationalism, and the unemployment problem of the Great Depression. This basic concept has been followed in all the succeeding scholarly literature on the topic. This concept is also the main legacy from Paper Walls to my more recent book, *The Abandonment of the Jews: America and the Holocaust 1941-1945* (1984). Although *Abandonment* stands as a complete study in its own right, it is in fact the sequel to Paper Walls. It is a continuation of the history of America's reaction to the plight of the European Jews in the Nazi era.

David S. Wyman, Preface to the 1985 paperback edition of Paper Walls: A thorough study of American refugee policy from 1938 to 1941. On the basis of Wyman's book, the United States stands indicted for a tragic failure to live up to its nineteenth-century ideal of asylum. Though Wyman makes no effort to disguise his strong sympathy for the refugees, his book gives a careful and well-documented history of American refugee policy. The State Department, above all, Assistant Secretary of State Breckinridge Long emerges from his pages as the primary culprit. The attitude displayed by the foreign service led to the creation of the paper walls that Wyman so honestly and tragically describes in this important book.

Robert A. Divine, *Journal of American History*: The first scholarly examination of American refugee policy between 1938 and 1941. What Wyman sets out to do, he does extremely well. Paper Walls is a worthwhile addition to our growing knowledge of the policy of those who bore witness to the Holocaust.

Henry L. Feingold, *American Jewish Historical Quarterly*: No one who reads this book will be able to ignore the fact that blatant antisemitism in the United States, from the public, from Congress, and from within the State Department, prevented our government from giving more than minimal assistance to the Jewish refugees. Professor Wyman has done an immense amount of research in primary and secondary sources, and Paper Walls is extraordinarily sound and superbly documented. It is tightly written, well organized, and logically presented.

Leonard Dinnerstein, *Jewish Social Studies*: The conclusions of the book are stark and simple. The half-filled quotas of mid-1940 to mid-1941, when refugee rescue remained entirely feasible, symbolize 20,000 to 25,000 lives lost. In the eight years from 1933 to 1941, about 250,000 refugees found safety here. The total is not small, but neither is the country which received them.

Raul Hilberg, *Political Science Quarterly*: Generally, President Roosevelt left refugee policy to the disposition of a hostile Congress and the State Department. Yet, as the author points out, neither Roosevelt, the State Department, nor Congress can be blamed entirely for what happened. Viewed

within the context of its times United States refugee policy from 1938 to the end of 1941 was essentially what the American people wanted In December 1938 only 8 7 per cent of the respondents to a Roper poll favored entry of a larger number of European refugees than the quota law allowed fully 83 per cent were flatly opposed This book tells a dismal story While it is dear where the author s sympathies lie he tells the story with restraint if anything his approach and writing style underplay the pathos involved Wyman has given us a scholarly description and analysis of the first act of the tragedy which he promises to carry on through the war and postwar years J Joseph Huthmacher The American Historical Review This thoroughly documented study of the United States policies in regard to the refugee crisis of 1938 1941 is the best available source in this field and on that period Drawing on material from some well known as well as several previously untapped sources Wyman discusses both the ambiguous role of particular figures and organizations and the underlying forces at work in American society which influenced governmental policy and practices anti semitism nativism fear of unemployment and of Nazi subversives are shown as the major pressure to which America s people and leaders succumbed Joseph S Roucek The International Migration Review This is a depressing topic impressively researched Professor Wyman has investigated almost all the relevant primary and secondary materials in order to recount the tragic story of America s indifference to the hundreds of thousands of refugees fleeing Hitler s Europe Over two thirds of Americans desired to keep the Jewish refugees out of the United States Wyman argues that this sentiment was due to three sources nativism anti Semitism and economic insecurity There is enough evidence in Wyman s book to cause the Statue of Liberty to collapse for lack of moral foundation John P Diggins The Historian Professor Wyman skillfully investigates and thoughtfully analyzes the complexities of the crisis and the reasons why more was not done to aid the refugees in the crucial period between 1938 and 1941 The author examines the problem thoroughly from a number of standpoints The State Department the Congress and the President really were reflecting the attitudes of the American people who Wyman asserts were indifferent and even antagonistic to the refugees because of the economic insecurity engendered by the depression nativistic nationalism and anti Semitism A well researched and lucidly if not dispassionately written book Paper Walls is a sound workmanlike study of a significant episode in our nation s recent past E Berkeley Tompkins The Annals of the American Academy of Political and Social Science

Nazism, the Jews and American Zionism, 1933-1988 Aaron Berman, 1992 An investigation of the response of American Jews to Nazism and the extermination of European Jewry The demand for Jewish statehood politicized the rescue issue and made it impossible to appeal for American aid on purely humanitarian grounds Berman tries to understand the constraints within which American Jews operated Annotation copyrighted by Book News Inc Portland OR *The Holocaust and Israel Restored* Monty Noam Penkower, 2025-07-29 The chapters in this volume examine facets in the drama of Jewish existence in the tumultuous years of the Twentieth Century and beyond They include Theodor Herzl as Zionism s driven prophet James G McDonald s valiant effort to alert the world to the Nazi menace the darkening shadow of the swastika in the

1930s across the European Continent the Revisionist Zionist campaign for a Jewish Army in World War II a debate on Zionism and Jewish survival after the Shoah the 1947 legal brief for a Jewish State Poland's distortion of the Holocaust and The Jews Were Expendable forty years later Joining extensive archival research and a limpid prose Professor Monty Noam Penkower again displays a definitive mastery of his craft **Catholic New Deal** Kenneth J. Heineman, 2010-11-01 The Catholic Church and the Jews Graciela Ben-Dror, 2008-01-01 The impact of events in Nazi Germany and Europe during World War II was keenly felt in neutral Argentina among its predominantly Catholic population and its significant Jewish minority The Catholic Church and the Jews Argentina 1933-1945 considers the images of Jews presented in standard Catholic teaching of that era the attitudes of the lower clergy and faithful toward the country's Jewish citizens and the response of the politically influential Church hierarchy to the national debate on accepting Jewish refugees from Europe The issue was complicated by such factors as the position taken by the Vatican Argentina's unstable political situation and the sizeable number of citizens of German origin who were Nazi sympathizers eager to promote German interests Argentina's self-perception was as a Catholic country Though there were few overtly anti-Jewish acts traditional stereotypes and prejudice were widespread and only a few voices in the Catholic community confronted the established attitudes *The German Jews in America* Gerhard Falk, 2014-04-01 This book describes the assimilation and acculturation of a small minority who immigrated to the United States in the nineteenth century and again in the twentieth century Gerhard Falk focuses on refugees who fled from Nazi tyranny in the 1930s immigrated to America and succeeded despite immense obstacles This book includes a review of the most prominent academics that made major contributions to science medicine art and literature in America The German Jews in America demonstrates that America is still the land of opportunity for everyone who makes an effort no matter what their religion ethnicity or race In addition this book is a key to understanding immigration and the role of community in providing the support needed in becoming an American Microhistories of the Holocaust Claire Zalc, Tal Bruttman, 2016-12-01 How does scale affect our understanding of the Holocaust In the vastness of its implementation and the sheer amount of death and suffering it produced the genocide of Europe's Jews presents special challenges for historians who have responded with work ranging in scope from the world historical to the intimate In particular recent scholarship has demonstrated a willingness to study the Holocaust at scales as focused as a single neighborhood family or perpetrator This volume brings together an international cast of scholars to reflect on the ongoing microhistorical turn in Holocaust studies assessing its historiographical pitfalls as well as the distinctive opportunities it affords researchers **The UNHCR and World Politics** Gil Loescher, 2001-05-25 Over fifty years ago governments established the Office of the United Nations High Commissioner for Refugees UNHCR to protect the world's refugees The UNHCR was created to be a human rights and advocacy organization But governments also created the agency to promote regional and international stability and to serve the interests of states Consequently the UNHCR has always trod a perilous

path between its mandate to protect refugees and asylum seekers and the demands placed upon it by states to be a relevant actor in world politics This is the first independent history of the UNHCR Gil Loescher one of the world's leading experts on refugee affairs draws upon decades of personal experience and research to examine the origins and evolution of the UNHCR as well as to identify many of the major challenges facing the organization in the years ahead A key focus is to examine the extent to which the evolution of the UNHCR has been framed by the crucial events of international politics during the past half century and how in turn the actions of the eight past High Commissioners have helped shape the course of world history Each chapter tells the story of an individual High Commissioner and examines the unique contributions made to the development of the Office The history of the last fifty years shows how the UNHCR has initiated and capitalized on international political developments to progressively expand its scope and authority as an important actor in world politics The book argues that the UNHCR has overstretched itself in recent decades and has strayed from its central human rights protection role The protection of refugees remains a litmus test of the international community's commitment to defend human rights and to uphold liberal democratic values Loescher offers a series of bold policy recommendations aimed at making the agency a more effective and accountable advocate for the millions of refugees in the world today **Belgium and the Holocaust** Dan Mikhman, 1998 About the Holocaust in Belgium *American Refugee Policy and European Jewry, 1933-1945* Richard Bretman, Alan M. Kraut, 1987 How does one explain America's failure to take bold action to resist the Nazi persecution and murder of European Jews In contrast to recent writers who place the blame on anti-Semitism in American society at large and within the Roosevelt administration in particular Richard Breitman and Alan M Kraut seek the answer in a detailed analysis of American political realities and bureaucratic processes Drawing on exhaustive archival research the authors describe and analyze American immigration policy as well as rescue and relief efforts directed toward European Jewry between 1933 and 1945 They contend that U S policy was the product of preexisting restrictive immigration laws an entrenched State Department bureaucracy committed to a narrow defense of American interests public opposition to any increase in immigration and the reluctance of Franklin D Roosevelt to accept the political risks of humanitarian measures to benefit the European Jews The authors find that the bureaucrats who made and implemented refugee policy were motivated by institutional priorities and reluctance to take risks rather than by moral or humanitarian concerns *A History of the Jews in the Modern World* Howard M. Sachar, 2006-09-12 The distinguished historian of the Jewish people Howard M Sachar gives us a comprehensive and enthralling chronicle of the achievements and traumas of the Jews over the last four hundred years Tracking their fate from Western Europe's age of mercantilism in the seventeenth century to the post Soviet and post imperialist Islamic upheavals of the twenty first century Sachar applies his renowned narrative skill to the central role of the Jews in many of the most impressive achievements of modern civilization whether in the rise of economic capitalism or of political socialism in the discoveries of theoretical physics or applied medicine in higher literary criticism or mass

communication and popular entertainment As his account unfolds and moves from epoch to epoch from continent to continent from Europe to the Americas and the Middle East Sachar evaluates communities that until lately have been underestimated in the perspective of Jewish and world history among them Jews of Sephardic provenance of the Moslem regions and of Africa By the same token Sachar applies a master's hand in describing and deciphering the Jews unique exposure and functional usefulness to totalitarian movements fascist Nazi and Stalinist In the process he shines an unsparing light on the often widely dissimilar behavior of separate European peoples and on separate Jewish populations during the Holocaust A distillation of the author's lifetime of scholarly research and teaching experience *A History of the Jews in the Modern World* provides a source of unsurpassed intellectual richness for university students and educated laypersons alike

Holocaust Hero David Kranzler, 2004 One of the most remarkable heroes of the Holocaust was Solomon Schonfeld a young British rabbi who personally rescued thousands of Jews during the tragic decade of 1938-1948 Rabbi of a small Orthodox congregation and pioneer of the Jewish day school movement in London England Schonfeld was inspired by Rabbi Michael Ber Weissmandl to get into rescue work Under the auspices of the Chief Rabbi's Religious Emergency Council this dynamic and charismatic personality single handedly brought to England several thousand youngsters as well as rabbis teachers ritual slaughterers and other religious functionaries Schonfeld obtained kosher homes Jewish education and jobs for his charges He also created unique mobile synagogues the first to serve the spiritual and physical needs of the survivors in the liberated areas of Europe He also tried unsuccessfully to persuade the British government to bomb Auschwitz This fascinating biography with a focus on his rescue efforts includes his struggles with the assimilationist Anglo Jewish leadership as well as forty vignettes by individuals he rescued

Beyond Belief Deborah E. Lipstadt, 1993-02-08 This most complete study to date of American press reactions to the Holocaust sets forth in abundant detail how the press nationwide played down or even ignored reports of Jewish persecutions over a twelve year period

Identification and Registration Practices in Transnational Perspective J. Brown, I. About, G. Lonergan, 2013-07-29 This collection examines the subject of identification and surveillance from 16th C English parish registers to 21st C DNA databases The contributors who range from historians to legal specialists provide an insight into the historical development behind such issues as biometric identification immigration control and personal data use

Diary of a Witness, 1940-1943 Raymond-Raoul Lambert, 2007-10-15 Raymond Raoul Lambert's Diary has been among the most important untranslated records of the experience of French Jews in the Holocaust Lambert a leader of the Union of French Jews UGIF was in the words of the historian Michael Marrus arguably the most important Jewish official in contact with the Vichy government and the Germans Lambert's Diary survived the war and was published in France in 1985 It reveals Lambert's efforts to save the Jews in France particularly the children

Shanghai Sanctuary Bei Gao, 2013-02-14 This book assesses the plight of the European Jewish refugees who fled to Japanese occupied China during the Second World War It examines the Nationalist government's policy

towards the Jewish refugee issue and the most thorough and subtle analysis of Japanese diplomacy concerning this matter The story of the wartime Shanghai Jews is not merely a side bar to the history of modern China or modern Japan It is a story that illuminates how the Jewish issue complicated the relationships among China Japan Germany and the United States before and during World War Two Both the Chinese Nationalist government and the Japanese occupation authorities thought very carefully about the Shanghai Jews and how they could be used to win international financial and political support in their war against one another Thus the Holocaust had complicated repercussions that extended far beyond Europe The diaspora of Jews to East Asia in the era of the Second World War is a rich and complex story that deserves our attention as well Firmly grounded in archival sources from the People s Republic of China Taiwan Japan the United States Britain and Israel this book is comparative and transnational in scope and makes an important contribution to the international history of the period

Ben Shahn's New Deal Murals Diana L. Linden, 2015-10-15 A study of Ben Shahn s New Deal murals 1933-43 in the context of American Jewish history labor history and public discourse Lithuanian born artist Ben Shahn learned fresco painting as an assistant to Diego Rivera in the 1930s and created his own visually powerful technically sophisticated and stylistically innovative artworks as part of the New Deal Arts Project s national mural program In Ben Shahn s New Deal Murals Jewish Identity in the American Scene author Diana L. Linden demonstrates that Shahn mined his Jewish heritage and left leaning politics for his style and subject matter offering insight into his murals creation and their sometimes complicated reception by officials the public and the press In four chapters Linden presents case studies of select Shahn murals that were created from 1933 to 1943 and are located in public buildings in New York New Jersey and Missouri She studies Shahn s famous untitled fresco for the Jersey Homesteads a utopian socialist cooperative community populated with former Jewish garment workers and funded under the New Deal Shahn s mural for the Bronx Central Post Office a fresco Shahn proposed to the post office in St Louis and a related one panel easel painting titled The First Amendment located in a Queens New York post office By investigating the role of Jewish identity in Shahn s works Linden considers the artist s responses to important issues of the era such as President Roosevelt s opposition to open immigration to the United States New York s bustling garment industry and its labor unions ideological concerns about freedom and liberty that had significant meaning to Jews and the encroachment of censorship into American art Linden shows that throughout his public murals Shahn literally painted Jews into the American scene with his subjects themes and compositions Readers interested in Jewish American history art history and Depression era American culture will enjoy this insightful volume

Final Solution David Cesarani, 2016-11-08 This groundbreaking history of the Holocaust presents a brilliant synthesis and interpretation of the greatest crime of the modern era harrowing and extraordinary The Times UK David Cesarani s Final Solution is a magisterial work of history that chronicles the fate of Europe s Jews during and directly after World War II Based on decades of scholarship documentation newly available from the opening of Soviet archives declassification of Western intelligence

service records as well as diaries and reports written in the camps Cesarani provides a sweeping reappraisal that challenges accepted explanations for the anti Jewish politics of Nazi Germany and the inevitability of the final solution The persecution of the Jews as Cesarani demonstrates was not always the Nazis central preoccupation nor was it inevitable Instead it unfolded erratically in German occupied countries often due to local initiatives Military failures created a crisis of resources that led to the starvation of the ghettos and intensified anti Jewish measures Cesarani also disputes the iconic role of railways and deportation trains and exposes the extent of sexual violence and abuse of Jewish women In bracingly vivid prose *Final Solution* captures the experience of a heroic people caught in the hell that was Hitler s Germany Remembering for the Future J. Roth,E. Maxwell,2017-02-13 Focused on The Holocaust in an Age of Genocide *Remembering for the Future* brings together the work of nearly 200 scholars from more than 30 countries and features cutting edge scholarship across a range of disciplines amounting to the most extensive and powerful reassessment of the Holocaust ever undertaken In addition to its international scope the project emphasizes that varied disciplinary perspectives are needed to analyze and to check the genocidal forces that have made the Twentieth century so deadly Historians and ethicists psychologists and literary scholars political scientists and theologians sociologists and philosophers all of these and more bring their expertise to bear on the Holocaust and genocide Their contributions show the new discoveries that are being made and the distinctive approaches that are being developed in the study of genocide focusing both on archival and oral evidence and on the religious and cultural representation of the Holocaust **None Is Too Many** Irving Abella,Harold Troper,2017-06-21 Winner of the National Jewish Book Award Holocaust Category Winner of the Canadian Historical Association John A Macdonald Prize Featured in The Literary Review of Canada 100 Canada s Most Important Books This is a story best summed up in the words of an anonymous senior Canadian official who in the midst of a rambling off the record discussion with journalists in 1945 was asked how many Jews would be allowed into Canada after the war None he said is too many From the Preface One of the most significant studies of Canadian history ever written *None Is Too Many* conclusively lays to rest the comfortable notion that Canada has always been an accepting and welcoming society Detailing the country s refusal to offer aid let alone sanctuary to Jews fleeing Nazi persecution between 1933 and 1948 it is an immensely bleak and discomfiting story and one that was largely unknown before the book s publication Irving Abella and Harold Troper s retelling of this episode is a harrowing read not easily forgotten its power is such that a manuscript copy helped convince Ron Atkey Minister of Employment and Immigration in Joe Clark s government to grant 50 000 boat people asylum in Canada in 1979 during the Southeast Asian refugee crisis Robin Roger The Literary Review of Canada *None Is Too Many* will undoubtedly continue to serve as a potent reminder of the fragility of tolerance even in a country where it is held as one of our highest values

Paper Walls America And The Refugee Crisis 1938 1941 Book Review: Unveiling the Power of Words

In a world driven by information and connectivity, the ability of words has been evident than ever. They have the capability to inspire, provoke, and ignite change. Paper Walls America And The Refugee Crisis 1938 1941 Introduction

In the digital age, access to information has become easier than ever before. The ability to download Paper Walls America And The Refugee Crisis 1938 1941 has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Paper Walls America And The Refugee Crisis 1938 1941 has opened up a world of possibilities. Downloading Paper Walls America And The Refugee Crisis 1938 1941 provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Paper Walls America And The Refugee Crisis 1938 1941 has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Paper Walls America And The Refugee Crisis 1938 1941. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Paper Walls America And The Refugee Crisis 1938 1941. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Paper Walls America And The Refugee Crisis 1938 1941, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure

their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Paper Walls America And The Refugee Crisis 1938 1941 has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Paper Walls America And The Refugee Crisis 1938 1941 Books

What is a Paper Walls America And The Refugee Crisis 1938 1941 PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Paper Walls America And The Refugee Crisis 1938 1941 PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Paper Walls America And The Refugee Crisis 1938 1941 PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Paper Walls America And The Refugee Crisis 1938 1941 PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Paper Walls America And The Refugee Crisis 1938 1941 PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields

and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
