## **Papers Critical Reminiscent:**

Papers Critical and Reminiscent William Sharp, 1912      **Christina Rossetti** Emma Mason, 2018 Christina Rossetti 1830 94 is regarded as one of the greatest Christian poets to write in English While Rossetti has firmly secured her place in the canon her religious poetry was for a long time either overlooked or considered evidence of a melancholic disposition burdened by faith Recent scholarship has redressed reductive readings of Christian theology as repressive by rethinking it as a form of compassionate politics This shift has enabled new readings of Rossetti s work not simply as a body of significant nineteenth century devotional literature but also as a marker of religion s relevance to modern concerns through its reflections on science and materialism as well as spirituality and mysticism Emma Mason offers a compelling study of Christina Rossetti arguing that her poetry diaries letters and devotional commentaries are engaged with both contemporary theological debate and an emergent ecological agenda In chapters on the Catholic Revival Pre Raphaelite Brotherhood contemporary debates on plant and animal being and the relationship between grace and apocalypse Mason reads Rossetti s theology as an argument for spiritual materialism and ecological transformation She ultimately suggests that Rossetti s life and work captures the experience of faith as one of loving intimacy with the minutiae of creation a divine body in which all things material and immaterial human and nonhuman divine and embodied are interconnected      3000-3999, Modern languages and literature Princeton University. Library, 1920      **The English Catalogue of Books [annual].** , 1913 Vols 1898 include a directory of publishers      Springfield City Library Bulletin Springfield City Library Association (Springfield, Mass.), 1913      **The Works of Christina Rossetti** Christina Georgina Rossetti, 1995 This work comprises a collection of the poetic works of 19th century poet Christina Rossetti Rossetti s inner life dominates her poetry exploring the themes of loss and unattainable hope across subjects ranging from love to the divine      *The Collected Works of Walter Pater, vol. IX: Correspondence* Robert Seiler, 2023-09-21 Correspondence is vol ix in the ten volume Collected Works of Walter Pater Among Victorian writers Pater 1839 1894 challenged academic and religious orthodoxies defended the love of art for own sake developed a new genre of prose fiction the imaginary portrait set new standards for intermedial and cross disciplinary criticism and made style the watchword for creativity and life For the first time all the known correspondence of Walter Pater has been assembled and fully annotated including letters exchanged with his main publisher the Macmillans for more than two decades Pertinent letters written after his death by his sisters Clara and Hester Pater are also included The Correspondence provides a richer much more complete overview of Pater s academic professional and personal lives and demonstrates how vigorously he participated in some of the most important literary and cultural networks of the Victorian era      **The Platonism of Walter Pater** Adam Lee, 2020 As a teacher of Plato in Oxford s Literae Humaniores Walter Pater was informed by philosophy from his earliest essays to his last book The Platonism of Walter Pater examines Pater s deep engagement with Platonism throughout his career It overturns his reputation as a superficial aesthete known mainly for his

Conclusion to The Renaissance to reposition his contribution to literature and the history of ideas In his criticism and fiction including his studies on myth Pater was influenced by several of Plato's dialogues Phaedrus Symposium Theaetetus Cratylus and The Republic informed his philosophy of beauty history myth knowledge ethics language and style As a philosopher critic and artist Plato embodied what it meant to be an author to Pater who imitated his creative practice from vision to expression For Pater Platonism was also a point of contact with his contemporaries including Matthew Arnold and Oscar Wilde offering a means to take new measure of their literary relationships Using the interdisciplinary critical tools of Pater's own educational milieu which combined literature philosophy and classics The Platonism of Walter Pater repositions the importance Pater's contribution to literature and the history of ideas

*Escritos discentes em literaturas de língua inglesa* Maria Aparecida Andrade Salgueiro, Leila Assumpção Harris, As professoras Leila Assumpção Harris e Maria Aparecida Andrade Salgueiro est o mais uma vez frente de uma das iniciativas mais bem sucedidas destes 30 anos de existência do Programa de Pós-graduação em Letras stricto sensu da Universidade do Estado do Rio de Janeiro a coleção Escritos discentes em literaturas de língua inglesa Chegando agora ao seu décimo volume a coleção consolidou-se definitivamente como um meio privilegiado de divulgação das pesquisas realizadas pelos mestrandos e doutorandos da especialidade de Literaturas de Língua Inglesa cuja pujança atestada tanto pela qualidade quanto pela diversidade dos temas recobertos pelos trabalhos aqui reunidos A história da série teve início com uma exitosa atividade acadêmica cultivada por anos pela especialidade a dos seminários internos em que os alunos apresentavam o andamento de seus estudos e eram beneficiados pelos comentários críticos e sugestões de professores e colegas T o bem sucedida foi a prática dos simpósios que ultrapassou os limites da especialidade e permanece viva hoje nos Seminários anuais dos alunos no âmbito geral do PPG Letras Na condição de coordenador atual do Programa não posso deixar ainda de saudar a publicação de mais um volume da série uma vez que ela contempla um dos quesitos de avaliação mais valorizados pela CAPES a produção bibliográfica de mestrandos e doutorandos Louva-se nesse sentido não apenas a publicação do livro em si mas seu processo de elaboração os capítulos supervisionados pelos orientadores valem também como um precioso exercício de escrita de futuros artigos destinados aos veículos especializados da área Resta-nos pois apenas desejar uma longa vida à série Escritos discentes em Literaturas de Língua Inglesa

*James Thomson (B.V.)* Imogene B. Walker, 2019-06-30 Previous studies of James Thomson B V failed to consider adequately the significant relationship between the man and his poetry a failure which Mrs Walker corrects in the present work That poet of the Victorian Age who was so correctly labeled The Laureate of Pessimism will find renewed appreciation from students of the period who read this book

Re-Reading the Age of Innovation Louise Kane, 2022-07-28

The period of 1830 1950 was an age of unprecedented innovation From new inventions and scientific discoveries to reconsiderations of religion gender and the human mind the innovations of this era are recorded in a wide range of literary texts Rather than separating these texts into Victorian or modernist camps this collection argues for a new framework that reveals how the concept of innovation generated forms of literary newness that drew novelists poets and other creative figures working across this period into dialogic networks of experiment The 14 chapters in this volume explore how inventions like the rotary print press or hot air balloon and emergent debates about science trade and colonialism evolved new forms and genres Through their examinations of a wide range of texts and writers from well known novelists like Conrad Dickens Hardy and Woolf to less canonical figures like Charlotte Mew El as Mar and Walter Frances White the chapters in this collection re read these texts as part of an age of innovation characterized not by division and divide but by collaboration and community

**Christina Rossetti** ,1977      **Christina Rossetti** Lona Mosk Packer,2023-11-10 Christina Rossetti one of the most remarkable poets of the 19th century remains an enigmatic figure whose life and work continue to captivate readers While her brother William Michael Rossetti s interpretations have dominated biographies to date recent studies aim to uncover a deeper and more nuanced understanding of her inner world Rossetti s poetry rich with emotional and spiritual intensity often reveals glimpses of a life shaped by unspoken struggles and profound passions By examining her work and her connections including her relationships with figures like William Bell Scott a fresh perspective emerges suggesting that her experiences of love and conflict deeply influenced her creative energy and personal growth This exploration seeks to go beyond the surface of daily events to delve into the deeper internal currents of Christina s life Her poetry serves as a map to the intricate interplay of emotions and convictions that defined her as an artist and individual Through meticulous research and a sensitive approach this narrative reconstructs a portrait of a woman whose life was as richly textured and multifaceted as her verse In doing so it not only illuminates Christina Rossetti s enduring legacy but also honors her belief that truth tempered with tenderness is the ultimate tribute to a life fully lived This title is part of UC Press s Voices Revived program which commemorates University of California Press s mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1963
