pain has silenced our prayers and blinded our souls In *Reaching for Wonder* Marlo Schalesky explores fifteen of the New Testament's one time encounters with Christ to illuminate the surprising character of a God who transforms our pain into wonder Because sometimes life isn't at all as we want it to be Because we lose the wonder in the hardships of life Because encountering Christ changes everything Like those who have gone before following God's call isn't about easy faith a life of effortlessness or every prayer answered when and how we want Instead it's about encountering God so deeply so significantly that everything about your circumstances about your life about you changes because of God In these New Testament stories you'll find guidance to a deeper understanding of God's plan for you a more vibrant faith and a fuller trust in God Plus you'll find hope in knowing that your life may not be as you had envisioned it but is one in which God is doing a mighty work

Holy Unhappiness Amanda Held Opelt, 2023-07-18 Discover what it means to be blessed and challenge the false beliefs many in the church hold about the good life and what it means to walk in communion with God American Christians have developed a long list of expectations about what the life with God will feel like Many Christians rightly deny the prosperity gospel the idea that God wants you to be healthy and wealthy but instead embrace its more subtle spin off the emotional prosperity gospel or the belief that happiness and spiritual euphoria will inevitably follow if you believe all the right things and make all the right choices In this view frustration is deemed unholy fear is seen as a failure of faith and sadness is a sign of God's disfavor In *Holy Unhappiness* Amanda Held Opelt author of *A Hole in the World* grapples with her own experience of disillusionment when life with God didn't always feel the way she expected it to feel She examines some of the historic religious and cultural influences that led to the idolization of positive feelings and the marginalization of negative feelings Unpacking nine elements of life that have been tainted by the message of the emotional Prosperity Gospel including work marriage parenting calling community and church she points to a new path forward one that reimagines what the blessed life can be like if we release some of our expectations and seek God in places we never thought to look This is a book that asks what good is God when he

doesn't always make sorrow go away or soothe every fear. It is a book that explores our aversion to sadness and counts the costs of our unrelenting commitment to optimism. This is a book that insists there is holiness to be found even in our unhappiness.

Designed to Lead Eric Geiger, Kevin Peck, 2016-09. Authors Eric Geiger and Kevin Peck argue that churches that consistently produce leaders have a strong conviction to develop leaders, a healthy culture for leadership development, and helpful constructs to systematically and intentionally build leaders. All three are essential leaders to be formed through the ministry of a local church. Back cover.
