

A photograph of a sunset over a body of water. The sun is a bright yellow-orange orb in the upper right corner, casting a long, shimmering reflection across the water's surface. In the background, dark, silhouetted mountains rise against the sky. The water in the foreground is dark and calm, with some subtle ripples. The overall color palette is dominated by warm tones of orange, yellow, and brown.

Parables By The Sea:

Parables by the Sea Pamela Reeve, 1976 Using beautiful photographs of nature and personal reflections the author explores the beauty of God's creation in each of us and His unique plan for us and invites us to respond to Him More than 220 000 copies in print Parables from the Sea Robbins Wolcott Barstow, 1959 **The Parables of Jesus** Arland J. Hultgren, 2000-06-22 Outlines the parables of Jesus and discusses how each of the parables can be taught and preached

Parables of the Kingdom Mary Ann Getty-Sullivan, 2017-06-15 Do you not understand this parable is a question Jesus posed to his disciples Mark 4 13 Just as the first disciples often did not understand Jesus many parables so it is for listeners and readers nearly two thousand years later In *Parables of the Kingdom* Mary Ann Getty Sullivan helps readers to hear and see and understand the parables of Jesus She offers a general introduction to the use of parables in the life and ministry of Jesus and the early church In addition Getty Sullivan helps readers learn to interpret parables to enter into what the parables can reveal about Jesus and his audience about the evangelists and their communities and about how we are to understand the Kingdom of God today *Parables of the Kingdom* helps us hear and see Jesus parables with new eyes and renewed hearts thereby allowing the parables to transform our lives and help us respond with new conviction to the gospel's power in our world Mary Ann Getty Sullivan holds an S T D from the Catholic University of Louvain in Belgium She has been teaching New Testament courses in colleges and seminaries for more than thirty years and has recently retired from teaching full time to devote more time to writing and lecturing Mary Ann has written several commentaries on the Letters of Saint Paul Her recent books include *Women in the New Testament* published by Liturgical Press **An exposition of the Parables** Benjamin Keach, 1856 Matthew 13 and the Prophetic Parables About the Present Age Todd Baker, 2011-12-01 Matthew chapter 13 is key to correctly understanding the specific time frame for the Second Coming and establishment of Messiah's Kingdom on earth and how the course of the present age will unfold and progress from the first coming of Christ until His return Failure to properly understand these parables of Matthew 13 results in a failure to understand all the rest of the parables Jesus spoke after them as He so indicated in Luke 4 13 Therefore it behooves every Bible believing Christian to take serious study of the unfolding prophetic events of the present age as symbolized in the eight parables of Matthew 13 This simple exposition is a humble effort to help the Bible student and reader gain a better appreciation and understanding of this chapter as it pertains to those living in the present age as these prophetic parables are unfolding and being fulfilled right before our very eyes AN EXPOSITION OF THE PARABLES Benjamin Keach, 2023-12-23 Originally written in 1701 this classic work has seen several reprinted versions in the nineteenth century and beyond In this volume Benjamin Keach introduces each parable as a sermon with lessons that help the reader find application Keach's thorough familiarity with Scripture shines in every page of this study as he compares epistle messages and Old Testament commands with the lessons of each parable providing the reader wide and deep access to scriptural study surrounding the parables All the Parables

of the Bible Herbert Lockyer,1963 A study and analysis of the more than 250 parables in Scripture **The Field and Sea** J. M. Bray,2025-09-07 The Field and Sea frames the context and surroundings of two parables that Jesus told his apostles these parables were the treasure in the field and the pearl of great price These two parables were spoken only to the twelve apostles of Jesus these were not shared with the other disciples or crowd and there is a reason for that Jesus s disciples ask why he teaches in riddles Jesus tells them that they have been given to know the secrets of the kingdom but for others it has not been given Jesus speaks in parables allowing the Holy Spirit to work with hearts to understand and those seeking and searching may get the depth of the teaching The book takes us deeper into the details using the information provided from the bible and following the information revealed and examined from the scriptures The scriptures will give rise to the desire to understand the depths of what Jesus is telling us searching for the meanings within Then there is the hope that in sharing what is discovered it will encourage others to look deeper within God s word and not just linger on the surface We must passionately pursue the creator in all that He has given us to find revelation that is personal to each of us **A Harmony of the Gospels for Historical Study** Ernest DeWitt Burton,1904 **Dictionary of the Bible: Gennesaret, Sea of, to Market** William Smith,1872 *A popular commentary on the New Testament. 2nd (3rd)* Daniel Denison Whedon,1888

The Dead Sea Scrolls and the New Testament George J. Brooke, Brooke illuminates the first century world shared by the Qumran community and the writers of the New Testament The Dead Sea Scrolls have provided Old Testament scholars with an enormous wealth of data for textual criticism as well as theology But as Brooke skillfully demonstrates New Testament scholars can use the Scrolls to learn more about the linguistic historical religious and social contexts of Palestine in the first century A wide range of topics and themes is discussed including Matthew s Beatitudes the lost song of Miriam Levi and the Levites women s authority and the use of scripture in the parable of the vineyard *A popular commentary on the New Testament* Daniel Denison Whedon,1874 **An Illustrated Commentary on the Gospels According to Mark and Luke** Lyman Abbott,1877 *A Harmony of the Gospels for Historical Study* William Arnold Stevens,Ernest DeWitt Burton,1893 *A Harmony of the Gospels For Students of the Life of Christ* A.T Robertson,2020-07-31 Reproduction of the original *A Harmony of the Gospels For Students of the Life of Christ* by A T Robertson **A harmony of the Gospels, for historical study, by W.A. Stevens and E. de W. Burton** William Arnold Stevens,1893 *Jesus Remembered* James D. G. Dunn,2003-07-29 In Christianity in the making James D G Dunn examines in depth the major factors that shaped first generation Christianity and beyond exploring the parting of the ways between Christianity and Judaism the Hellenization of Christianity and responses to Gnosticism He mines all the first and second century sources including the New Testament Gospels New Testament apocrypha and such church fathers as Ignatius Justin Martyr and Irenaeus showing how the Jesus tradition and the figures of James Paul Peter and John were still esteemed influences but were also the subject of intense controversy as the early church wrestled with its evolving identity **Life-Study of Matthew** Witness Lee,1986-04-01 In

the Lord's recovery during the past five hundred years the church's knowledge of the Lord and His truth has been continually progressing This monumental and classical work by Brother Witness Lee builds upon and is a further development of all that the Lord has revealed to His church in the past centuries It is filled with the revelation concerning the processed Triune God the living Christ the life giving Spirit the experience of life and the definition and practice of the church In this set Brother Lee has kept three basic principles that should rule and govern every believer in their interpretation development and expounding of the truths contained in the Scriptures The first principle is that of the Triune God dispensing Himself into His chosen and redeemed people the second principle is that we should interpret develop and expound the truths contained in the Bible with Christ for the church and the third governing principle is Christ the Spirit life and the church No other study or exposition of the New Testament conveys the life nourishment or ushers the reader into the divine revelation of God's holy Word according to His New Testament economy as this one does
