Parables In The Eye Of The Storm Christs Response In The Face Of Conflict:

Interpreting the Parables Craig L. Blomberg, 2012-07-16 Craig Blomberg surveys the contemporary critical approaches to the parables including those that have emerged in the twenty years since the first edition. This widely used text has taken a minority perspective and made it mainstream with Blomberg ably defending a limited allegorical approach and offering brief interpretations of all the major parables. *Parables in the Eye of the Storm* Stanley A. Ellisen, 2001 Foreword by Mark L. Bailey. The author delves into many of the parables and offers a view of Jesus that we can use as a model for how to face and overcome conflict. **Basis of Preaching Biblical Message: Preach the Word** Rev Dr Koningthung Ngoru

Moyon, 2024-11-07 Public Speaking is one of the most important task and challenging to the human beings. It is imperative for all the committed Christians to learn and live with the Biblical truths. As such the knowledge and application of Scripture is an utmost necessity to be grounded upon the word of God. The necessity of Scripture means that the Bible is necessary for knowing the gospel for maintaining spiritual and moral life and for knowing God's will but is not necessary for knowing that God exists or for knowing something about God's character and moral law. **Basis of Preaching Biblical Message: Preach the Word** is for the glory of God, the building up of the church and society and the spreading of the Gospel to the ends of the earth that is to all the creation. Biblical preaching is centered around and takes its content from the inerrant Word of God. True Biblical preaching aims at life change. Biblical preaching also comes through the personality of the preacher. Some communicators or preachers are encouragers, some are confrontational. Some are humour while others use sound logic and well reasoned content. It is not good to fall into the trap of trying to mimic your favourite preacher. Instead learn from them and develop your own style as a good communicator. Rev Dr Koningthung Ngoru Moyon presents Biblical Preaching in his book **Basis of Preaching Biblical Message: Preach the Word**. It is both an art and a science. It is a science in the sense that there are rules and principles of communication that we are to follow. It is an art in that each person brings his own unique personality and style to the preaching experience. Preaching is truth through personality. Both are necessary. However the very important and foremost focus in the book is that Biblical Preaching is empowered by the work of the Holy Spirit. The focus in the book

Jesus as Torah in John 1-12 Dan Liroy, 2007-10-01 In this study of John 1-12 the author develops the thesis that Jesus is the divine incarnate Torah and that Jesus as Torah is the conceptual center of the Fourth Gospel. An overarching goal of the treatise is to explore the Evangelist's portrait of Jesus as the fulfillment of the Mosaic law. Connected with this aim is the central thesis that the Messiah appears in the Gospel of John as the realization of all the law's redemptive historical types, prophecies and expectations. A corresponding major claim is that those who trust in Jesus for eternal life and heed his teaching satisfy fully the requirements of the moral law recorded in Scripture. An examination of John 1-12 substantiates the truth that Jesus is the perfection of the gift of the Tanakh. He existed in the beginning with the Father and Spirit as God. The eternal Torah is light and life, fulfillment and joy in fellowship with the triune God for all eternity. The divine Tanakh by

becoming incarnate revealed the glory of the Father and made the fullness of God's grace and truth available to humankind. The living Word not only provides salvation but in so doing unveils the loving and redeeming heart of the Father for all to see. The Son of God is the one to whom all the Old Testament luminaries such as Abraham, Jacob, Moses and Isaiah pointed and in whom their eschatological hopes were realized. The Anointed One is greater than and supreme over all the religious institutions once associated with the Jerusalem tabernacle and temple. Even such Jewish festivals as the Feast of Tabernacles, Pentecost, Dedication and Passover find their fulfillment in the Messiah. This volume is appropriate for personal study and is also suitable as a college and seminary text. **Encountering Diversity in Indian Biblical Studies** David J.

Chalcraft, Zhodi Angami, 2023-03-20 This book provides analysis of a variety of biblical narratives and texts which are the vehicle for the expression, articulation and performance of diverse identities in the Indian context and is the first attempt to do so for a global audience of scholars and students. From pan-Indian social problems attributed to caste, class and gender inequality to specific North Eastern tribal settings, Dalit struggles in rural Andhra Pradesh and the experience of Christian autorickshaw drivers in urban Chennai, the book explores the diverse geographical, cultural, social, economic and linguistic settings in which the Bible is encountered. The holistic and multidisciplinary approach to Biblical studies adopted broadens the field beyond textual exegesis. Encounters with the Bible are revealed in diverse chapters impacted by contexts of caste realities, the history of Indian Christianity, colonial and post-colonial frameworks and educational institutions. Full use is made of vernacular texts and traditions including oral and written cultural folk tale, literary and auto-biographical narratives in Tribal, Dalit and British colonial settings. Diversity of method is championed through including sociological analysis of Indian social realities, qualitative fieldwork techniques and a kaleidoscope of visual and sensory environments with over 30 photographs. The book celebrates and promotes diversity in Indian biblical studies, creativity and sometimes conflicting perspectives. *Encountering Diversity in Indian Biblical Studies* will be of interest to students, scholars and researchers working on post-colonial biblical studies and diversity in Christianity, particularly in the Indian context. *The Gospel of Matthew* John Nolland, 2005-11-01 Having devoted the past ten years of his life to research for this major new work, John Nolland gives us a commentary on the Gospel of Matthew that engages with a notable range of Matthean scholarship and offers fresh interpretations of the dominant Gospel in the history of the church. Without neglecting the Gospel's sources or historical background, Nolland places his central focus on the content and method of Matthew's story. His work explores Matthew's narrative technique and the inner logic of the unfolding text, giving full weight to the Jewish character of the book and its differences from Mark's presentation of parallel material. While finding it unlikely that the apostle Matthew himself composed the book, Nolland does argue that Matthew's Gospel reflects the historical ministry of Jesus with considerable accuracy and he brings to the table new evidence for an early date of composition. Including accurate translations based on the latest Greek text, detailed verse-by-verse comments, thorough bibliographies for each section and an array of insightful

critical approaches Nolland's Gospel of Matthew will stimulate students preachers and scholars seeking to understand more fully Matthew's presentation of the gospel narrative
