Parables of the Kingdom Mary Ann Getty-Sullivan, 2017-06-15 Do you not understand this parable is a question Jesus posed to his disciples Mark 4:13 Just as the first disciples often did not understand Jesus many parables so it is for listeners and readers nearly two thousand years later In Parables of the Kingdom Mary Ann Getty Sullivan helps readers to hear and see and understand the parables of Jesus She offers a general introduction to the use of parables in the life and ministry of Jesus and the early church In addition Getty Sullivan helps readers learn to interpret parables to enter into what the parables can reveal about Jesus and his audience about the evangelists and their communities and about how we are to understand the Kingdom of God today Parables of the Kingdom helps us hear and see Jesus parables with new eyes and renewed hearts thereby allowing the parables to transform our lives and help us respond with new conviction to the gospel's

power in our world Mary Ann Getty Sullivan holds an S T D from the Catholic University of Louvain in Belgium She has been teaching New Testament courses in colleges and seminaries for more than thirty years and has recently retired from teaching full time to devote more time to writing and lecturing Mary Ann has written several commentaries on the Letters of Saint Paul Her recent books include *Women in the New Testament* published by Liturgical Press *The Parables for Today* Alyce M. McKenzie,2007-04-02 This book in the popular For Today series introduces the reader to the main parables of Jesus in an engaging and accessible way Professor author and preacher Alyce McKenzie makes the familiar parables come alive with new meaning using the best of biblical scholarship to provide an easy entrance to this major form of Jesus teachings With questions for discussion at the end of each chapter this book is ideal for personal and group study The For Today series was designed to provide reliable and accessible resources for the study and real life application of important biblical texts theological documents and Christian practices The emphasis of the series is not only on the realization and appreciation of what these subjects have meant in the past but also on their value in the present for today Thought provoking questions are included at the end of each chapter making the books ideal for personal study and group use **Humor in the Gospels** Terri Bednarz,2015-05-05 Humor in the Gospels is the most comprehensive resource on Gospel humor to date Terri Bednarz reviews and critiques a 150 years of biblical scholarship on the subject from little known journal articles and out of print books to the most well respected classical works of today She covers a range of scholarly discussions on the various forms and functions of Gospel humor from frivolity to witty allusions to satirical barbs She examines the barriers of associating humor with the Gospel depictions of Jesus the difficulties of identifying humor in ancient biblical texts and the advances of literary contextual and rhetorical approaches to recognizing Gospel humor This important work includes an extensive bibliography for further study of Gospel humor in particular and Biblical humor in general *Parables for Preachers* Barbara E. Reid,2000-08 Reid aids preachers by bringing together current biblical research on the parables in the hope that it will open new vistas of meaning and help spark their creativity She also offers an understanding of how parables communicate and invite preachers to try out the parabolic techniques of preaching *Parables for Preachers* is for everyone interested in obtaining a deeper understanding of parables *Jesus's Truth* Yung Suk Kim,2018-01-10 Parables of Jesus are stories about everyday life ranging from a person s worldview to economic justice in society This book examines most parables of Jesus from a critical literary perspective Twenty three narrative parables in the Synoptic Gospels are rearranged by their source Markan parables Q parables Matthean unique parables Lukan unique parables Each parable invites readers to reengage Jesus s stories in the contemporary world *Exploring the Financial Parables of Jesus* Keith Bodner,2025-09-09 Storytelling is a powerful and effective means of communication a truth Jesus knew and used to great advantage in his parables Many of the plots in these parables involve financial matters They teach about God s perspective on money resources and their use but further they teach profound spiritual truths about the kingdom of God This kingdom operates

according to a different kind of economy wherein relationships love and serving others take precedence over accumulating wealth and possessions Taken together the parables examined in this book paint a picture of divine generosity and grace in both the financial and spiritual realms This in turn challenges readers to reexamine their priorities and how money and possessions can be used for the kingdom The author brings his expertise in literature and biblical studies to bear in a fresh examination of the nature of parables and their interpretation in general and of a number of Jesus's prominent parables with financial themes all with an eye toward contemporary application He does so without scholarly jargon making this accessible book ideal for both undergraduate courses on the Gospels and for church leaders and groups *The Bible & Literature*
