Fascinating Bible Studies on Every Parable Dr. William H. What Did Jesus Mean? Ron Rhodes, 2003-10-21 Why did Jesus say He would return soon when He hasn't Why did Jesus curse the fig tree and cause it to wither Can faith really move a mountain Although much of the Bible is straightforward Christians and seekers alike are perplexed by some of Jesus' puzzling statements Noted Bible teacher Ron Rhodes tackles difficult passages to help you get

the most out of Christ's teachings and understand what Jesus meant when He said Take up your cross and follow Me Let the dead bury their own dead If your eye causes you to sin pluck it out Blasphemy against the Spirit will not be forgiven In his engaging easy to read style Rhodes provides solid biblical cultural and historical research to help you discover why Jesus said what He did 2000 years ago These new insights will help you capture the heart of Jesus message and draw you closer to Him

The Parables of Jesus; A Verse-by-Verse Commentary David Dorius, 2019-02-06 The Parables of Jesus is a verse by verse commentary of Jesus's parables found in the synoptic gospels Each Bible verse is replicated making it easier to compare the scriptures to the comments in the commentary without needing the Bible at one's side In a thorough well organized thought provoking manner the book weaves together historical context linguistic connotations the wisdom of other scholars and the author's own compelling observations The Parables of Jesus answers numerous questions including why did the foolish virgins lack oil for their lamps at midnight and what does this imply for those trying to follow the Savior's path today What does the return of the prodigal son reveal about God's expectant love for the House of Israel and the prospect of hope and healing for each of His children How can the Ten Commandments be reduced to the two commandments the great commandment to love the Lord thy God and the second unto it to love thy neighbor as thyself This is an excellent reference volume for study and a source to teach the parables of Jesus

Loving Jewish People Paul O. Bischoff, 2025-08-21 Jewish people are experiencing another Holocaust The only difference between today's catastrophic extermination of Jews and that of Nazi Germany's is technology German efficiency murdered Jewish people and disposed of their bodies in short order Iranian murderous terror toward Jewish people is taking longer Missiles are hit and miss Why does the world hate the Jews It all starts with God An anti God spirit prevails in cultures around the world The Jews are God's first people on earth They are God's method of blessing all families and nations Maybe it's jealousy No matter what you can't love God and hate the Jews Ironically the very religion which owes its existence to Judaism Christianity has historically been the perpetrator of Jewish hatred The church was a bystander while others executed their mission of annihilation The opposite of hate is love To reverse current global anti Jewish feeling requires loving Jewish people as human beings It must start with a repentant church willing to admit confess and plead forgiveness from any Jewish person The church needs to practice what it believes to love God with all its heart body soul and spirit by demonstrating concrete ways to love its neighbor the Jewish people

Kingdom in Your Midst Robert F. Schut, 2015-02-23 Our culture is changing almost daily in our world This creates a lot of confusion as to where the believer and the church fit into this changing culture How do we maintain our Christian identity in such a world that requires us to compromise our most cherished beliefs This book offers an old solution that has stood the test of time but has eluded many present day believers The original message of Jesus is no longer considered relevant in our culture by many today This book challenges that idea by making Jesus message about the kingdom of heaven not only relevant but also necessary It is time that we listen again to the underlying message of the greatest prophet and teacher who

has ever lived and not only make his teaching relevant but the teacher as well **Puzzling the Parables of Jesus** Ruben Zimmermann, 2015-11-02 Modern scholarship on the parables has long been preoccupied with asking what Jesus himself said and what he intended to accomplish with his parables Ruben Zimmermann moves beyond that agenda to explore the dynamics of parabolic speech in all its rich complexity Introductory chapters address the history of research and distinguish historical from literary and reader oriented approaches then set out a postmodern hermeneutic that analyzes narrative elements and context maps the sociohistorical background explores stock metaphors and symbols and opens up contemporary horizons of interpretation Subsequent chapters then focus on one parable from early Christian sources Q Mark Matthew Luke John and the Gospel of Thomas to explore how parables function in each literary context Over all reigns the principle that the meaning or theological message of a parable cannot be extracted from the parabolic form thus the parables continue to invite hearers and readers involvement to the present day **Listen Up** Marty Machowski, 2018-04-16 Children love stories and the parables provide a wonderful opportunity to engage their imaginations and help them understand and live out the good news of the kingdom of God This thirteen week family devotional is designed to help families explore the parables that Jesus taught through reading selected parables activities discussion **The Parables** Gary Inrig, 1991 Reveals Jesus parables as windows into God's very heart and mind Readers will recognize and understand themselves in Jesus narratives For group and individual study Teaching that Transforms Richard R. Melick, Jr., Shera Melick, 2010-05-01 A proposal on how to improve the way the Bible is taught to adult learners that focuses on life transformation and putting faith into action Right Parables, Wrong Perspectives Sam Tsang, 2015-09-15 Jesus parables in Luke weren't only addressing his audience Rather Luke used them to address his audience In so doing the worlds of both Jesus and Luke had many ways to understand these parables This book explores some of those ways based on the way Jesus and Luke told these stories as well as the first century backgrounds The ultimate goal is to help both people who lead Bible studies and preach in the church to grasp firmly Luke's message for us today *New Testament* Richard Cooke, 2009 An undergraduate textbook for use on modules introducing the New Testament It argues that the New Testament reflects four streams of apostolic tradition reflected in the 4 gospels It includes bibliographies at the end of each section to guide the reader to the most relevant areas for further research in any given subject area *Preaching the Gospel of Mark* Dawn Ottoni-Wilhelm, 2008-08-19 In this engaging treatment of the Gospel of Mark Dawn Ottoni Wilhelm combines biblical scholarship with a close reading of the Gospel text to meet the needs of preachers today Swift and purposeful the Gospel of Mark proclaims God's reign and urges the participation of all God's people in the witness of the good news that God has transformed human reality through Jesus Christ This insightful commentary helps that message come alive while providing pertinent suggestions about how preachers can proclaim this message to today's churchgoers *The Carpenter's Son* Ron W. Simmons, 2017-08-09 What is humanity's ultimate destiny Could there be life beyond the grave What is genuine spirituality These questions and many more are

answered by a carpenter's son Jesus born in ancient Judaea two thousand years ago He healed thousands yet never received medical training He taught in streets homes and temples yet never achieved scholarly status He demanded perfection yet chose the imperfect to follow him He spoke of the arrival of an eternal kingdom yet he never ran for political office or led a nation He spoke of peace and love yet led the greatest counter revolutionary effort in human history Despised by his critics and revered by society's lowest members Jesus still speaks to our deficiencies as well as our weaknesses and assures a redemption we could never achieve on our own Out of an original rebellion we all face a self imposed defeat by pointlessly attempting to establish our own kingdoms despite confronting the same abysmal fate Yet God has achieved the greatest comeback in history by conquering death and in doing so has prepared for us a victory we could not possibly imagine for to lose all is to gain all
