Paradigms Lost Reflections On Literacy:

Paradigms Lost John Simon, 1981-01-01 **Paradigms Lost** John Ivan Simon, 1980 In a collection of keen observations and barbs the eminent critic exposes abuses of the English language *Paradigms Lost, Reflections on Literacy and Its Decline* John Ivan Simon, 1980 Paradigm Lost Vicki J. Sapp, 2024-10-01 Technology has taken over higher education and we not only allow but also encourage this From Google to ChatGPT technology threatens to sweep students into dependency and undermine their critical thinking and communication skills not to mention their autonomy and story Prof Sapp helps educators students parents and the broader public to see the dangers and recognize possible remedies in the effort to keep education human centered and the guardian of individual and cultural literacy and freedom In her work Prof Sapp chronicles and critiques the efforts of educators and students to cross the Digital Divide from print to digital paradigms She especially reaches out to the mentors the gatekeepers of education to ask hard questions and find positive pathways even as we hand over our classrooms to technology The author draws heavily from her own experience crossing the divide she brings in scholarship literature review literary analysis her students perspectives and even fiction to cover the layers and argument angles of this major paradigm shift Prof Sapp acknowledges the importance of new digital literacies and provides practical suggestions and constructive techniques describing classroom exercises she has found to work well engaging students and navigating the challenges as devices invade the classroom and the medium indeed becomes the message **On Literacy** Robert Pattison, 1984 This book is original informed brilliantly argued and written with real passion It is going to be very useful in the literacy debates in the next few years Richard Lanham Bryson's Dictionary for Writers and Editors Bill Bryson, 2011-06-22 From one of the world's most beloved and bestselling authors a terrifically useful and readable guide to the problems of the English language most commonly encountered by editors and writers What is the singular form of graffiti From what mythological figure is the word tantalize derived One of the English language's most skilled writers guides us all toward precise mistake free usage Covering spelling capitalization plurals hyphens abbreviations and foreign names and phrases Bryson's Dictionary for Writers and Editors will be an indispensable companion for all who care enough about our language not to maul misuse or contort it As Bill Bryson notes English is a dazzlingly idiosyncratic tongue full of quirks and irregularities that often seem willfully at odds with logic and common sense This dictionary is an essential guide to the wonderfully disordered thing that is the English language *Towards a Standard English* Dieter Stein, Ingrid Tieken-Boon van Ostade, 2012-10-25 The future of English linguistics as envisaged by the editors of Topics in English Linguistics lies in empirical studies which integrate work in English linguistics into general and theoretical linguistics on the one hand and comparative linguistics on the other The TiEL series features volumes that present interesting new data and analyses and above all fresh approaches that contribute to the overall aim of the series which is to further outstanding research in English linguistics *Intelligibility in World Englishes* Cecil L. Nelson, 2012-01-27 Intelligibility is the term most generally used to

address the complex of criteria that describe broadly how useful someone's English is when talking or writing to someone else. Set within the paradigm of world Englishes which posits that the Englishes of the world may be seen as flexibly categorized into three Circles Inner Outer Expanding in terms of their historical developments this text provides a comprehensive overview of the definitions and scopes of intelligibility comprehensibility and interpretability and addresses key topics within this paradigm. Who if anyone provides the models and norms for a given population of English users Hybridity and creativity in world Englishes Evaluating paradigms misinformation and disinformation Practicalities of dealing with the widening variety of Englishes Is English falling apart The much debated issue of intelligibility touches not only sociolinguistic theory but all aspects of English language teaching second language acquisition language curriculum planning and regional or national language planning Designed for students teacher educators and scholars internationally each chapter includes Topics for Discussion and Assignments and Suggestions for Further Reading

English Usage Guides Ingrid Tieken-Boon van Ostade, 2018 This volume explores both historical and current issues in English usage guides or style manuals Chapters look at how and why these guides are compiled and by whom what sort of advice they contain how they differ from grammars and dictionaries and how attitudes to usage have changed *English Compounds and their Spelling* Christina Sanchez-Stockhammer, 2018-05-03 An original study of the formation of compounds and what syntactic structural and semantic criteria determine their spelling and usage

Describing Prescriptivism Ingrid Tieken-Boon van Ostade, 2019-10-08 Describing Prescriptivism provides a topical and thought provoking analysis of linguistic prescriptivism in British and American English from a historical as well as present day perspective Focusing on usage guides and usage problems the book takes a three fold approach to present an in depth analysis of the topic featuring a detailed study of the advice provided in usage guides over the years an authoritative comparison of this advice with actual usage as recorded in British and American corpora including the HUGE Hyper Usage Guide of English database developed specifically to enable this line of study as well as more mainstream corpora such as COCA COHA and the BNC a close analysis of the attitudes to particular usage problems among the general public based on surveys distributed online through the Bridging the Unbridgeable research project's blog With extensive case studies to illustrate and support claims throughout this comprehensive study is key reading for students and researchers of prescriptivism the history of English and sociolinguistics Found at <https://bridgingtheunbridgeable.com>

Do You Speak American? Robert MacNeil, William Cran, 2007-12-18 Is American English in decline Are regional dialects dying out Is there a difference between men and women in how they adapt to linguistic variations These questions and more about our language catapulted Robert MacNeil and William Cran the authors with Robert McCrum of the language classic *The Story of English* across the country in search of the answers *Do You Speak American* is the tale of their discoveries which provocatively show how the standard for American English if a standard exists is changing quickly and dramatically On a journey that takes them from the Northeast through Appalachia and the

Deep South and west to California the authors observe everyday verbal interactions and in a host of interviews with native speakers glean the linguistic quirks and traditions characteristic of each area While examining the histories and controversies surrounding both written and spoken American English they address anxieties and assumptions that when explored are highly emotional such as the growing influence of Spanish as a threat to American English and the special treatment of African American vernacular English And challenging the purists who think grammatical standards are in serious deterioration and that media saturation of our culture is homogenizing our speech they surprise us with unpredictable responses With insight and wit MacNeil and Cran bring us a compelling book that is at once a celebration and a potent study of our singular language Each wave of immigration has brought new words to enrich the American language Do you recognize the origin of 1 blunderbuss sleigh stoop coleslaw boss waffle Or 2 dumb ouch shyster check kaput scram bumper Or 3 phooey pastrami glitch kibbitz schnozzle Or 4 broccoli espresso pizza pasta macaroni radio Or 5 smithereens lollapalooza speakeasy hooligan Or 6 vamoose chaps stampede mustang ranch corral 1 Dutch 2 German 3 Yiddish 4 Italian 5 Irish 6 Spanish

Erasmus and His Catholic Critics Erika Rummel, 2024-01-15 Although polemics dominated Erasmus literary output in the last two decades of his life the controversies remain among the most neglected pieces in the corpus of his writings On a different level they add a dimension often missing in portraits of Erasmus Usually depicted as the urbane and witty humanist who enjoyed great popularity and prestige he appears in the works of his critics as a contentious and duplicitous theologizer who inspired disdain and loathing The print edition is available as a set of two volumes 9789060044018

Defiant Desire Edwin Cameron, Mark Gevisser, 2013-09-13 Defiant Desire records the lives of lesbian and gay South Africans of all races as they have lived in the face of censure denial and oppression The history of gay identity in South Africa is here in its past and present aspects from a drag salon in Woodstock to a gay shebeen in kwaThema from a church in a Pretoria nightclub to Johannesburg's lesbian and gay pride march from Afrikaans love poetry to new activism The book is a document of lesbian and gay struggle and indispensable for those interested in the sexual politics coursing beneath the country's troubled passage to democracy

Fifty Key Thinkers on Language and Linguistics Margaret Thomas, 2012-04-27 What was the first language and where did it come from Do all languages have properties in common What is the relationship of language to thought Fifty Key Thinkers on Language and Linguistics explores how fifty of the most influential figures in the field have asked and have responded to classic questions about language Each entry includes a discussion of the person's life work and ideas as well as the historical context and an analysis of his or her lasting contributions Thinkers include Aristotle Samuel Johnson Friedrich Max Müller Ferdinand de Saussure Joseph H Greenberg Noam Chomsky Fully cross referenced and with useful guides to further reading this is an ideal introduction to the thinkers who have had a significant impact on the subject of Language and Linguistics

Class Warfare J Martin Rochester, 2002-12-01 Class Warfare Besieged Schools Bewildered Parents Betrayed Kids and the Attack on Excellence offers

a first hand account of the Great American Education War being waged from coast to coast including the reading wars math wars testing wars and other schoolyard scuffles reported almost daily by the nation's media Martin Rochester takes the reader on a field trip that begins with his own upper middle class suburban school district in St Louis and then moves on to inner city locales and some of the best private schools in showing how pack pedagogy has steamrolled parent resistance in promoting disasters such as whole language fuzzy math multiple intelligences theory teacher as coach the therapeutic classroom and all the other latest fads found in today's schools A college professor Rochester became deeply involved in public education as a result of his children's misadventures in the classroom After several years of trying to improve the status quo as a dogged volunteer he graduated from involved parent to informed critic of a system in which progressive educators continue to assault the techniques of traditional schooling ability grouping grades homework etc allow nonacademic diversions to crowd out academic study and subordinate a commitment to excellence to an obsession with equity As a result of his experiences Rochester concludes that all children are being victimized not only the most gifted but especially average students and those lower achieving kids whose needs are now supposedly driving the entire curriculum Martin Rochester began as a concerned parent and wound up creating a fever chart of what is wrong in our nation's classrooms

The Copy Editing And Headline Handbook Barbara Ellis,2009-08-05 Everyone in the newsroom agrees that copy editors are the unsung heroes in the business who until now have never had a succinct and authoritative guide for on the job use From counting the headline to line breaks from decks to jumps from editing numbers and photo captions to editing for organization The Copy Editing and Headline Handbook is the complete source of essential information for the copy editor Whether copy editing on a computer or on the printed page for a newspaper or for a magazine Barbara Ellis shows how to clean organize and proof copy like a pro With special sections on libel captions forbidden words job hazards and head counts as well as a section of the most commonly used symbols in copy editing and proofreading the Handbook is essential for every copy editor's bookshelf Behavior Science H. W. Reese,L. J. Parrott,2014-02-24 First published in 1986
