

Like Adam, we have all lost Paradise; and yet we carry Paradise around inside of us in the form of a longing for, almost a memory of, a blessedness that is no more, or the dream of a blessedness that may someday be again.

Bishop of Hippo Saint Augustine

Paradise And Yet:

Life after Death According to the Orthodox Tradition Jean-Claude Larchet, 2021-10-25 This book offers an accessible and well organized synthesis of the ancient Christian understanding of death and the afterlife French philosopher and patrologist Jean Claude Larchet draws both from Scriptures and a multiplicity of early Christian writings both Greek and Latin in demolishing false conceptions such as reincarnation whilst setting forth with clarity an authentically Christian understanding The reader will gain understanding of both the time and modalities of the bodily resurrection the nature of the Particular and the Universal judgments and of the Church s intercessory prayer for the departed He notes that some divergences between eastern and western traditions have existed since the fifth century and argues that these became of much greater importance after the twelfth century when the Roman Catholic Church developed the notion of Purgatory This work will be of benefit both to the Orthodox Christian reader in enhancing their own understanding of the Church s teaching and to Roman Catholics Protestants and others who desire to become acquainted with the fullness of the Christian tradition on death and the afterlife All will encounter the abundant heritage of the faith which was once for all delivered to the saints Jude 3 *Life in the Middle Ages* George Gordon Coulton, 1929 **Catena Aurea** St. Thomas Aquinas, 1861 This collection has been meticulously reproduced from the original It is NOT produced from an OCR copy it is a true 100% word by word copy English Greek Hebrew of the original The built in table of contents includes links down to each verse in all four of the gospels This is the ultimate e version of Aquinas majestic work St Thomas Aquinas Catena Aurea is the masterpiece anthology of Patristic commentary on the Gospels and includes the work of over eighty Church Fathers Imagine a round table discussion of the Gospels among the supreme theologians of the Church The Catena Aurea is very close St Thomas Aquinas compiled this opus from sermons and commentaries on the Gospels written by the early Church Fathers arranging their thoughts in such a way that they form a continuous commentary on each Gospel For each of the four Gospel writers the Catena Aurea starts by indicating the verses to be analyzed then taking each verse phrase by phrase provides the early Fathers insights into the passage St Thomas Aquinas Catena Aurea is a masterpiece anthology of Patristic commentary on the Gospels it includes the work of over eighty Church Fathers St Thomas Aquinas work demonstrates intimate acquaintance with the Church Fathers and is an excellent complement to the more recent attempts to understand the inner meaning of the Sacred Scriptures For each of the four Gospel writers the Catena Aurea starts by indicating the verses to be analyzed then phrase by phrase provides the early Fathers insights into the passage The unchanging rule of the Church is that no one is to interpret the Sacred Scripture contrary to the unanimous consent of the Fathers Vatican I Just as in our own day there has been renewed interest in the Church Fathers so in the 13th century when the Catena Aurea was compiled the western church was undergoing a similar revival of interest in the ancient patristic authors and the works of many Eastern Fathers were translated from Greek to Latin for the first time During this period there was increasing hunger for the true and authentic

interpretation of Scripture which the Church Fathers hold the key to St Thomas Aquinas was commissioned to write the Catena Aurea by Pope Urban IV in order that an orthodox Patristic commentary on the Gospels was readily available to all readers John Henry Newman who is widely expected to be canonized next year was responsible for its translation into English in 1841 Cardinal Newman hoped that the Catena Aurea would become a source of catechesis within the family and the Church Cardinal Newman's edition of the Catena Aurea is one of the jewels of the 19th century Catholic Restoration making the scholarship of the Fathers available to a wider audience As with many 19th century texts it employs a sober dignified style of English which is eminently suitable to the unsurpassable mysteries of the Catholic Faith The Catena Aurea compiled by one of the Catholic Church's greatest minds is of immeasurable use to priests writing homilies lay people engaged in private or family study or of the Gospels and religious instructors will find it an invaluable help in preparing lessons It is the perfect companion to study the Scriptures in detail and receive the wisdom of St Thomas on particular passages Consider the Catena Aurea as a discussion of the Gospels among the supreme theologians of the Church Their exegesis is astonishing A worthy recommendation for the serious student of the Bible is a copy of the only work that Aquinas was known to carry around with him This is the first time in more than 150 years that the English translation of the Catena Aurea has been entirely re typeset meaning that the text is crisp clear and easy to read unlike many facsimile editions
