Paradise Lost In Our Time:

Paradise Lost in Our Time Douglas Bush,1957 *Henry Fielding In Our Time* J. A. Downie,2020-11-09 Henry Fielding In Our Time publishes many of the papers presented at the international conference held at the University of London 19 21 April 2007 to commemorate the tercentenary of his birth Written by established scholars including the acknowledged doyen of Fielding scholars Martin C Battestin of the University of Virginia as well as younger scholars who successfully bring their recent research to bear on neglected areas of Fielding s life and works the essays offer a cross section of current approaches to Fielding and his writings from his ballad operas poetry and political journalism via Joseph Andrews Tom Jones and Amelia the novels for which he is still best known to the social pamphlets written during his years at Bow Street as magistrate for Westminster and Middlesex The collection should appeal both to undergraduate and postgraduate students as well as academics and general readers interested in the eighteenth century in general and Fielding s contribution to the emergence and development of the novel form in particular **Anna Karenina in Our Time** Gary Saul Morson,2007-01-01 In this invigorating new assessment of Anna Karenina Gary Saul Morson overturns traditional interpretations of the classic novel and shows why readers have misunderstood Tolstoy s characters and intentions Morson argues that Tolstoy s ideas are far more radical than has been thought his masterpiece challenges deeply held conceptions of romantic love the process of social reform modernization and the nature of good and evil By investigating the ethical philosophical and social issues with which Tolstoy grappled Morson finds in Anna Karenina powerful connections with the concerns of today He proposes that Tolstoy s effort to see the world more wisely can deeply inform our own search for wisdom in the present day The book offers brilliant analyses of Anna Karenin Dolly Levin and other characters with a particularly subtle portrait of Anna s extremism and self deception Morson probes Tolstoy s important insights evil is often the result of negligence goodness derives from small everyday deeds and completes the volume with an irresistible original list of One Hundred and Sixty Three Tolstoyan Conclusions **Blake in Our Time** Karen Mulhallen,2010-01-01 Blake in Our Time explores the work of British poet and artist William Blake in the context of the material culture of his era In the 1960s University of Toronto scholar G E Bentley Jr almost singlehandedly shifted the focus of Blake criticism from formalism and symbolism to the materiality that contextualizes Blake s work Following in the footsteps of Bentley s pioneering scholarship this collection richly illustrated demonstrates that the locus of Blake s work lies in the elements that are historically particular to his place and time Topics include the impact of the town of Chichester on Blake s imagination the material processes of Blake s painting the detection of a Blake forgery and new biographical materials using archives and online resources on Blake s contemporaries patrons peers and friends Essays on the importance of Blake collections world wide on variant printings and on the heirs of Blake in British painting extend the focus of this remarkable investigation to include chalcography and book history **Reading for Our Time** J. Wittreich demonstrates Rajan's critical range and his ability to adapt to new ideas always reformulating them in his own characteristic and individual manner. Milton and the Climates of Reading offers timely statements about the ways in which Milton's writings not only addressed their own time but also speak profoundly and powerfully to ours. **King Lear in our Time** Maynard Mack, 2013-10-08 This edition first published in 1966 Previous edition published 1965 by the University of California Press Perhaps more than any other play of Shakespeare's King Lear has been subjected to almost totally contradictory interpretations In the first historical section of the book the author describes the varying concepts of the play and the distortions of text and even plot that have been widely used Garrick's playing of Lear as a pathetic and down trodden old man Laughton's and Olivier's versions and Herbert Blau's theory of the subtext are described and analysed The central section of the book examines the medieval folk and romance sources of the play The final chapter illustrates how the action of the play and its pervading violence and evil are not explained in terms of human motive and rely for their meaning more on their effects than their antecedents An important theme is the play's examination of society and the ties of service and family love **A Concise Companion to Milton** Angelica Duran, 2016-02-18 With brevity depth and accessibility this book helps readers to appreciate the works of John Milton and to understand the great influence they have had on literature and other disciplines Presents new and authoritative essays by internationally respected Milton scholars Explains how and why Milton's works established their central place in the English literary canon Structured chronologically around Milton's major works Also includes a select bibliography and a chronology detailing Milton's life and works alongside relevant world events Ideal as a first critical work on Milton *Passions of Our Time* Julia Kristeva, 2025-03-04 Julia Kristeva is a true polymath an intellectual of astonishingly wide range whose erudition and insight have been brought to bear on psychoanalysis literary criticism gender and sex and cultural critique *Passions of Our Time* showcases recent essays of Kristeva's that demonstrate the scope of her capacious intellect her gifts as a stylist and the profound contribution of her thought to the challenges of the present The collection begins with vivid recollection of celebrating as a child in Bulgaria Alphabet Day the holiday honoring the Cyrillic letters which proceeds outward into a contemplation of the writer as translator Kristeva considers literature with Barthes freedom through Rousseau Teresa of Avila and mystical experience Simone de Beauvoir's dream life and Antigone and the psychic life of women A group of essays drawing on her psychoanalytic work delve into Freud Lacan maternal eroticism and the continued importance of psychoanalysis today In a series of striking investigations she thinks through disability and normativity monotheism and secularization the need to believe and the desire to know Calling for the courage to renew and reinvent humanism she outlines the principles of a stance founded on the importance of respecting human life Finally Kristeva discusses French culture and diversity rethinking universalism and interrogating the potential for Islam and psychoanalysis to meet and pays homage to Beauvoir by rephrasing her dictum into the provocative One is born woman but I become one Familial Forms Erin Murphy, 2011 *Familial Forms* is the first full length study to examine how literary
