## **Paradise Garden A Trip Through Howard Finster's Visionary World:**

**Paradise Garden** Robert Peacock, Annibel Jenkins, 1996 Sometimes considered Outsider Art the 80 year old Finster's work invites viewers to read touch and viscerally experience his artful and spiritual message Today this remarkable creation beloved by tourists and art lovers alike is threatened by vandals and those who would see it disassembled but Paradise Garden will continue to flourish in this remarkable and evocative volume *Envisioning Howard Finster* Norman J. Girardot, 2015-06-26 The Reverend Howard Finster 1916-2001 was called the backwoods William Blake and the Andy Warhol of the South and he is considered the godfather of contemporary American folk and visionary art This book is the first interpretive analysis of the intertwined artistic and religious significance of Finster's work within the context of the American outsider art tradition Finster began preaching as a teenager in the South in the 1930s But it was not until he received a revelation from God at the age of sixty that he began to make sacred art A modern day Noah who saw his art as a religious crusade to save the world before it was too late Finster worked around the clock often subsisting on a diet of peanut butter and instant coffee He spent the last years of his life feverishly creating his environmental artwork called Paradise Garden and what would ultimately number almost fifty thousand works of bad and nasty art This was visionary work that obsessively combined images and text and featured apocalyptic biblical imagery flying saucers from outer space and popular cultural icons such as Elvis Presley Marilyn Monroe Henry Ford Mona Lisa and George Washington In the 1980s and 90s he developed cult celebrity status and he appeared in the Venice Biennale and on the Tonight Show His work graced the album covers of bands such as R E M and Talking Heads This book explores the life and religious artistic significance of Finster and his work from the personal perspective of religion scholar Norman Girardot friend to Finster and his family during the later years of the artist's life [Paradise Garden](#) Robert Peacock, Annibel Jenkins, 1996 A truly remarkable pictorial homage to Howard Finster's spiritual and artistic garden outside of Atlanta Georgia Finster has been busy for the last 25 years creating a kind of mystical Disney World populated by found sculpture paintings and writings It would be easy to dismiss Finster as a kook but the contributing photographers ably capture for posterity the man's work with a loving detail that conveys the powerful urgency of his art The color photographs are accompanied by Finster's own descriptions of how he created the garden and commentary by fans such as David Byrne Lacks an index Annotation copyright by Book News Inc Portland OR

**Encyclopedia of Religion and Nature** Bron Taylor, 2008-06-10 The Encyclopedia of Religion and Nature originally published in 2005 is a landmark work in the

burgeoning field of religion and nature It covers a vast and interdisciplinary range of material from thinkers to religious traditions and beyond with clarity and style Widely praised by reviewers and the recipient of two reference work awards since its publication see [www.religionandnature.com](http://www.religionandnature.com) ern this new more affordable version is a must have book for anyone interested in the manifold and fascinating links between religion and nature in all their many senses *Sleep* Robert Peacock, Roger Gorman, 1998 With contributions by Paul Auster Alice Walker John Updike and others *Sleep* offers a compelling collection of more than 30 bedtime stories and poetry Illustrated with seductive and many largely unpublished photographs by Sally Mann William Wegman and other leading photographers this hip refreshing anthology provides nourishment for the mind and the eye alike 45 illustrations **Faith in America** Charles H. Lippy, 2006-09-30 Over the last 25 years there has been much talk of the presumed decline in religious participation in America In addition from the 1960s on surveys that mark the influence of religion in American life have shown a mixed response Many suggest that religion is losing influence in the culture as a whole others indicate that while organized religion may be experiencing challenges spirituality is on the upswing At the same time however there have been signs that religious life in the U S is extraordinarily healthy But religion in America has changed to be sure in a number of ways And it has changed us and our culture in return This timely set looks at the major forces that are changing the shape of religion in American life With an influx of immigrants from Asia Latin America and other regions the diversity of religion has grown to include Buddhism Hinduism Islam and other faiths Latin American and African American communities have experienced changes in the ways they practice their faith and in turn influence American culture in general Women have entered the clergy in record numbers and the push for allowing women and gays to enter the clergy in religions that limit or prohibit their roles is on the increase In addition gay couples are leading the same sex marriage movement and other social issues such as abortion stem cell research end of life care etc are still being debated Interest over how people actually live out their religion or spirituality has mushroomed in recent decades thanks in part to the information revolution and popular culture What folks do when they gather together to worship and where they come together has changed dramatically with the advent of the Internet and the role of sports in American life So much has changed and faith in America has become more important than ever as part of our culture our way of life and the way we relate to each other and the world around us The essays found in these pages shed light on our understanding of these transformations and help us comprehend the enormous role of religion in our society and in our world **World Heritage and National Registers** Thomas R. Gensheimer, Celeste Lovette Guichard, 2017-09-08 Historic sites celebrate defining moments in history memorialize important events and people and contribute to the character of the locations where they are situated Heritage designation both globally and nationally is an inherently contested issue As detailed in this volume concerns of politics and identity criteria for designation impacts on communities and sites and challenges to management planning are central to any understanding of the process by which heritage sites are created developed and maintained The

idea for this volume originated at a symposium hosted by the Savannah College of Art and Design Contributors address such topics as the need to revamp criteria for designation the effect historic site recognition has on local communities the challenges encountered in maintaining a site and issues linked to specific political climates or actions and group identity The contributors constitute an international cast of leading scholars employees and policy makers all of whom have had extensive experience with World Heritage and National Register site stewardship The work will be an invaluable reference for historians architects and those committed to the preservation of national monuments
