Paradise Of Fools

William Davenport Adams

Paradise Of Fools:

Fools' Gold Nicholas Hagger,2022-12-09 In Fools Paradise Nicholas Hagger presented the UK's attempt to leave the EU under Prime Minister Theresa May in terms of the voyage of Sebastian Brant's 1494 Ship of Fools heading with a mutinous crew for the illusory nonexistent paradise of Narragonia His mock heroic satirical poem on the political chaos surrounding the most important UK decision since the Second World War is in rhymed heroic couplets in the tradition of Dryden and Pope In this sequel Fools Gold Hagger focuses on the beginning of Boris Johnson's premiership the promises that won him the 2019 General Election with an 80 seat majority and his removal of the UK from the EU only to be engulfed by the deadly Covid pandemic which has devastated the UK economy Hagger describes the catastrophic national events in heroic blank verse which befits the darkening mood The UK public has been promised a new Golden Age an age of plenty and it remains to be seen whether there will be prosperity for all gold now that the UK is facing colossal debt outside the EU or whether the promises will turn out to be worthless iron pyrites fools gold

Inside Paradise Lost David Quint,2014-02-02 Inside Paradise Lost opens up new readings and ways of reading Milton's epic poem by mapping out the intricacies of its narrative and symbolic designs and by revealing and exploring the deeply allusive texture of its verse David Quint's comprehensive study demonstrates how systematic patterns of allusion and keywords give structure and coherence both to individual books of Paradise Lost and to the overarching relationship among its books and episodes Looking at poems within the poem Quint provides new interpretations as he takes readers through the major subjects of Paradise Lost its relationship to epic tradition and the Bible its cosmology and politics and its dramas of human choice Quint shows how Milton radically revises the epic tradition and the Genesis story itself by arguing that it is better to create than destroy by telling the reader to make love not war and by appearing to ratify Adam's decision to fall and die with his wife The Milton of this Paradise Lost is a Christian humanist who believes in the power and freedom of human moral agency As this indispensable guide and reference takes us inside the poetry of Milton's masterpiece Paradise Lost reveals itself in new formal configurations and unsuspected levels of meaning and design
