Paradoxes Of Power The Kano Mamluks Ma:

Paradoxes of Power Sean Arnold Stilwell, 2004 This book is a history of royal slavery in the Sokoto Caliphate of what is now Nigeria Shaped by the broader literature on Islam and slavery in Africa Stilwell s study seeks to understand the historical relationship between Islam Islamic politics and the use of slaves in Kano a major city in the Caliphate By doing this Stilwell opens a new comparative dimension in African social history This work integrates the history of the most important state of 19th century Islamic Africa with the broader Islamic world Based on highly original research as well as extensive interviews of the descendants of slaves in Kano this book marks a significant contribution to the literature on Islam comparative slavery and African history Stilwell outlines how and why slaves acquired political power He argues that in this African context slavery and power were not mutually exclusive Contesting Claude Meillassoux s argument that slaves were by definition socially isolated and kinless outsiders Stilwell shows how slaves constructed family networks and took advantage of court politics to contest the terms of their subjugation In this process royal slaves aimed not for absolute western style freedom but fought to gain access to and in some cases redefine the political and social system of the dominant aristocratic culture

An African Slaving Port and the Atlantic World Mariana Candido, 2013-03-29 This book traces the history and development of the port of Benguela the third largest port of slave embarkation on the coast of Africa from the early seventeenth to the mid nineteenth century Benguela located on the central coast of present day Angola was founded by the Portuguese in the early seventeenth century In discussing the impact of the transatlantic slave trade on African societies Mariana P Candido explores the formation of new elites the collapse of old states and the emergence of new states Placing Benguela in an Atlantic perspective this study shows how events in the Caribbean and Brazil affected social and political changes on the African coast This book emphasizes the importance of the South Atlantic as a space for the circulation of people ideas and crops

Heaton, 2018-06-21 The Historical Dictionary of Nigeria Second Edition introduces Nigeria s rich and complex history Readers will find a wealth of information on pre 20th century history Nigeria under British colonial rule and important post independence issues while providing greater attention to Nigeria s role in international relations diaspora and contributions to arts film and culture in particular This revised edition covers major developments since the last edition such as the rise of the terrorist group Boko Haram and the election of Muhammadu Buhari to the presidency in 2015 among others This second edition of Historical Dictionary of Nigeria Second Edition contains a chronology an introduction and an extensive bibliography The dictionary section has over 1 000 cross referenced entries on important personalities politics economy foreign relations religion and culture This book is an excellent resource for students researchers and anyone wanting to know more about Nigeria

Jihād in West Africa during the Age of Revolutions Paul E. Lovejoy, 2016-11-30 In Jih d in West Africa during the Age of Revolutions a preeminent historian of Africa argues that scholars of the Americas and the Atlantic world have not given

Africa its due consideration as part of either the Atlantic world or the age of revolutions The book examines the jih d movement in the context of the age of revolutions commonly associated with the American and French revolutions and the erosion of European imperialist powers and shows how West Africa too experienced a period of profound political change in the late eighteenth through the mid nineteenth centuries Paul E Lovejoy argues that West Africa was a vital actor in the Atlantic world and has wrongly been excluded from analyses of the period Among its chief contributions the book reconceptualizes slavery Lovejoy shows that during the decades in question slavery expanded extensively not only in the southern United States Cuba and Brazil but also in the jih d states of West Africa In particular this expansion occurred in the Muslim states of the Sokoto Caliphate Fuuta Jalon and Fuuta Toro At the same time he offers new information on the role antislavery activity in West Africa played in the Atlantic slave trade and the African diaspora Finally Jih d in West Africa during the Age of Revolutions provides unprecedented context for the political and cultural role of Islam in Africa and of the concept of jih d in particular from the eighteenth century into the present Understanding that there is a long tradition of jih d in West Africa Lovejoy argues helps correct the current distortion in understanding the contemporary jih d movement in the Middle East Afghanistan Pakistan and Africa

Plantation Slavery in the Sokoto Caliphate Mohammed Bashir

Salau,2018 A work of synthesis on plantation slavery in nineteenth century Sokoto caliphate engaging with major debates on internal African slavery on the meaning of the term plantation and on comparative slavery *Transformations in Slavery* Paul E. Lovejoy,2011-10-10 This history of African slavery from the fifteenth to the early twentieth centuries examines how indigenous African slavery developed within an international context Paul E Lovejoy discusses the medieval Islamic slave trade and the Atlantic trade as well as the enslavement process and the marketing of slaves He considers the impact of European abolition and assesses slavery s role in African history The book corrects the accepted interpretation that African slavery was mild and resulted in the slaves assimilation Instead slaves were used extensively in production although the exploitation methods and the relationships to world markets differed from those in the Americas Nevertheless slavery in Africa like slavery in the Americas developed from its position on the periphery of capitalist Europe This new edition revises all statistical material on the slave trade demography and incorporates recent research and an updated bibliography

American Slavery, Atlantic Slavery, and Beyond Enrico Dal Lago,2015-12-22 American Slavery Atlantic Slavery and Beyond provides an up to date summary of past and present views of American slavery in international perspective and suggests new directions for current and future comparative scholarship It argues that we can better understand the nature and meaning of American slavery and antislavery if we place them clearly within a Euro American context Current scholarship on American slavery acknowledges the importance of the continental and Atlantic dimensions of the historical phenomenon comparing it often with slavery in the Caribbean and Latin America However since the 1980s a handful of studies has looked further and has compared American slavery with European forms of unfree and nominally free labor

Building on this innovative scholarship this book treats the U S peculiar institution as part of both an Atlantic and a wider Euro American world It shows how the Euro American context is no less crucial than the Atlantic one in understanding colonial slavery and the American Revolution in an age of global enlightenment reformism and revolutionary upheavals the Cotton Kingdom s heyday in a world of systems of unfree labor and the making of radical Abolitionism and the occurrence of the American Civil War at a time when nationalist ideologies and nation building movements were widespread **Historical Dictionary of Slavery and Abolition** Martin A. Klein,2014-09-04 For almost four thousand years men and women with power have exploited vulnerable populations for cheap or free labor These slaves serfs helots tenants peons bonded or forced laborers etc built pyramids and temples dug canals and mined the earth for precious metals and gemstones They built the palaces and mansions in which the powerful lived grown the food they ate spun the cloth that clothed them This second edition of Historical Dictionary of Slavery and Abolition relates the long and brutal history of slavery and the struggle for abolition using several key features Chronology Introductory essayAppendixesExtensive bibliographyOver 500 cross referenced entries on forms of slavery famous slaves and abolitionists sources of slaves and current conditions of modern slavery around the world This book is an excellent access point for students researchers and anyone wanting to know more about slavery and abolition *Ransoming Prisoners in Precolonial Muslim Western Africa* Jennifer Lofkrantz,2023 Introduction Chapter One Islamic Discourse on Slavery and Ransoming before 1800 Chapter Two The Policy and Practice of Ransoming in the Maghrib Chapter Three Jihad the Sokoto Caliphate and Ransoming Chapter Four The Jihad of Umar Taal and its Ransoming Non Policies Chapter Five The Negotiation and Practice of Ransoming Captives Conclusion **Slave Owners of West Africa** Sandra E. Greene,2017-05-22 In this groundbreaking book Sandra E Greene explores the lives of three prominent West African slave owners during the age of abolition These first published biographies reveal personal and political accomplishments and concerns economic interests religious beliefs and responses to colonial rule in an attempt to understand why the subjects reacted to the demise of slavery as they did Greene emphasizes the notion that the decisions made by these individuals were deeply influenced by their personalities desires to protect their economic and social status and their insecurities and sympathies for wives friends and other associates Knowing why these individuals and so many others in West Africa made the decisions they did Greene contends is critical to understanding how and why the institution of indigenous slavery continues to influence social relations in West Africa to this day **Allah Made Us** Rudolf Pell Gaudio,2011-09-13 A rich and engrossing account of sexual outlaws in the Hausa speaking region of northern Nigeria where Islamic law requires strict separation of the sexes and different rules of behavior for women and men in virtually every facet of life The first ethnographic study of sexual minorities in Africa and one of very few works on sexual minorities in the Islamic world Engagingly written combining innovative ethnographic narrative with analyses of sociolinguistic transcripts historical texts and popular media including video film newspapers and song poetry Analyzes the social experiences and expressive

culture of *yan daudu* feminine men in Nigerian Hausaland in relation to local national and global debates over gender and sexuality at the turn of the twenty first century Winner of the 2009 Ruth Benedict Prize in the category of Outstanding Monograph **Democracy's Slaves** Paulin Ismard,2017-01-09 Challenging the modern belief that democracy and bondage are incompatible Paulin Ismard directs our attention to ancient Athens where the functioning of civic government depended on skilled knowledgeable experts who were literally public servants slaves owned by the city state rather than by private citizens *African Voices on Slavery and the Slave Trade: Volume 2, Essays on Sources and Methods* Alice Bellagamba,Sandra E. Greene,Martin A. Klein,2016-04-14 What were the experiences of those in Africa who suffered from the practice of slavery those who found themselves captured and sold from person to person those who died on the trails those who were forced to live in fear And what of those Africans who profited from the slave trade and slavery What were their perspectives How do we access any of these experiences and views This volume explores diverse sources such as oral testimonies possession rituals Arabic language sources European missionary administrative and court records and African intellectual writings to discover what they can tell us about slavery and the slave trade in Africa Also discussed are the methodologies that can be used to uncover the often hidden experiences of Africans embedded in these sources This book will be invaluable for students and researchers interested in the history of slavery the slave trade and post slavery in Africa *African Voices on Slavery and the Slave Trade* Alice Bellagamba,Sandra E. Greene,Martin A. Klein,2016-04-14 Explores how to use different types of sources to write the history of slavery and the slave trade in Africa *Wealth, Land, and Property in Angola* Mariana P. Candido,2022-09-29 Exploring the multifaceted history of dispossession consumption and inequality in West Central Africa Mariana P Candido presents a bold revisionist history of Angola from the sixteenth century until the Berlin Conference of 1884 5 Synthesising disparate strands of scholarship including the histories of slavery land tenure and gender in West Central Africa Candido makes a significant contribution to ongoing historical debates She demonstrates how ideas about dominion and land rights eventually came to inform the appropriation and enslavement of free people and their labour By centring the experiences of West Central Africans and especially African women this book challenges dominant historical narratives and shows that securing property was a gendered process Drawing attention to how archives obscure African forms of knowledge and normalize conquest Candido interrogates simplistic interpretations of ownership and pushes for the decolonization of African history *Black Morocco* Chouki El Hamel,2013 Chronicles the experiences identity agency and achievements of enslaved black people in Morocco from the sixteenth century to the beginning of the twentieth century *African Agency and European Colonialism* Femi J. Kolapo,Kwabena O. Akurang-Parry,2007-08-15 This work provides insights into important moments in the European colonization project in Africa and into structural intersections between the active agents of colonialism and the different layers of Africa s socio political structures It reveals the indispensability of the African peoples their pre colonial establishments and knowledge of the

colonial encounter The book also clarifies the significant impact that African people's choices, chances, mistakes and internal politics had in structuring their colonial experience and European dominance Colonized Africans and colonizing Europeans had to negotiate the nature of their relationship the grid, nexus and hierarchy of colonial power and authority were constantly under construction, deconstruction and reconstruction African Agency and European Colonialism expounds upon these beclouded features of Africa's engagement of colonialism It is appropriate for students, scholars, political analysts, sociologists and other professionals interested in the social and political history of Africa

Une histoire de l'esclavage en Afrique

Paul Lovejoy, 2017-05-23 Ce livre est un ouvrage de référence dans l'historiographie internationale de l'esclavage De fait, on argumente qu'il montre l'importance de l'esclavage dans l'histoire de l'Afrique et met en exergue un phénomène historique central qui a eu ses propres dynamiques régionales et sa propre périodisation Il offre une synthèse des connaissances et un cadre structurel pour penser l'esclavage en Afrique S'appuyant sur de nombreuses archives, Paul Lovejoy montre que l'esclavage s'est transformé dans le temps sous l'effet d'influences externes, l'Afrique principalement par la demande de la traite européenne et la traite islamique, puis par l'abolition européenne et sous l'effet de dynamiques internes, travers l'usage d'esclaves comme mode de production Comment l'Afrique et ses populations furent-elles pleinement impliquées dans le système global de l'esclavage qui s'étendit dans le monde entier Quels furent les effets sur le continent ? Comment quantifier la traite selon les époques, selon les lieux ? Quelles furent les conséquences sur les relations sociales et culturelles en Afrique ? Ce livre ouvre aussi des pistes pour penser les diasporas des Africains en mettant en relation l'Atlantique et le continent Briser le silence sur les implications de l'esclavage dans l'histoire de l'Afrique mais aussi dans l'histoire du monde tel est l'objectif de cet ouvrage indispensable

2004 Massimo Mastrogregori, 2013-10-10 Annually published since 1930 the International Bibliography of Historical Sciences (IBOHS) is an international bibliography of the most important historical monographs and periodical articles published throughout the world which deal with history from the earliest to the most recent times The IBOHS is thus currently the only continuous bibliography of its kind covering such a broad period of time, spectrum of subjects and geographical range The works are arranged systematically according to period, region or historical discipline and alphabetically according to authors' names or in the case of anonymous works by the characteristic main title word The bibliography contains a geographical index and indexes of persons and authors
