## **Parallax Visions Making Sense Of American East Asian Relations Asia Pacific:**

*Parallax Visions* Bruce Cumings, 2002 Collection of essays by Cumings on the complex problems of political economy and ideology power and culture in East and Northeast Asia providing an understanding of the United States's role in these regions and the consequences for subsequent policy making **The United States in the Asia-Pacific Since 1945** Roger

Buckley, 2002-05-07 In a fast moving and incisive narrative Roger Buckley examines America's close and continuous relationship with the Asia Pacific region from the end of the Pacific War to the first days of the Presidency of George W Bush The author traces the responses of the United States government to the major crises in the area through the Cold War decades and the initial post Cold War years He demonstrates how the US sought to maintain its dominant regional position through a series of security alliances and its own political military and economic strengths Professor Buckley examines the subject from geopolitical perspectives to provide a gateway to the understanding of a complex region certain to be of global importance in the twenty first century **Imagining Our Americas** Sandhya Shukla, Heidi Tinsman, 2007-07-20 Challenges the disciplinary boundaries and the assumptions underlying the fields of Latin American Studies and American U S Studies demonstrating that the Americas is a concept that transcends geographical place *Mr. X and the Pacific* Paul J.

Heer, 2018-05-15 George F Kennan is well known as the preeminent American expert on the Soviet Union during the Cold War and the author of the doctrine of containment In *Mr X and the Pacific* Paul J Heer chronicles and assesses Kennan's work in affecting US policy toward East Asia Heer traces the origins development and bearing of Kennan's strategic perspective on the Far East during his time as director of the State Department's Policy Planning Staff from 1947 to 1950 The author follows Kennan's career and evolution of his thinking as he subsequently became a prominent critic of American participation in the Vietnam War *Mr X and the Pacific* offers readers a new view of Kennan revealing his importance and the totality of his role in East Asia policy his struggle with American foreign policy in the region and the ways in which Kennan's legacy still has implications for how the United States approaches the region in the twenty first century **ASEAN's**

**Diplomatic and Security Culture** Jurgen Haacke, 2013-05-13 Member states of ASEAN the Association of South East Asian Nations have developed a distinctive approach to political and security co operation which builds on the principles of sovereign equality non intervention and non interference quiet diplomacy mutual respect and the principle of not involving ASEAN in mediating bilateral disputes among the membership This book examines the origins of ASEAN's diplomatic and security culture and analyses how over time its key principles have been practised and contested as ASEAN states have responded to regional conflicts as well as challenges posed by the major regional powers ASEAN's enlargement and the Asian financial crisis The book goes on to assess whether ASEAN's diplomatic and security culture is likely to remain salient as the political economic and security context in which regional leaderships operate is undergoing further change

**Philosophy in Multiple Voices** George Yancy, 2007-08-05 *Philosophy in Multiple Voices* invites transactional dialogue

critical imagination and the desire to travel to enter those discursive spaces where the love of wisdom gets inflected through both lived embodiment and situational history The text raises significant meta philosophical questions around the issue of who constitutes the philosophical we through a delineation and valorization of multiple philosophical voices African American Afro Caribbean Asian American Feminist Latin American Lesbian Native American and Queer that set forth complex concerns around canon formation the relationship between philosophical discursive configurations and issues of gendered sexed racial and ethnic identities the dynamic of shifting philosophical historical trajectories differential philosophical visions sensibilities and philosophical praxes that are still largely underrepresented within the institutional confines of mainstream philosophy The text encourages philosophical heterogeneity as a value that ought to be nurtured Imagine Otherwise Kandice Chuh, 2003-04-17 A critical examination of what constitutes the varied positions grouped together as Asian American seen in relation to both American and transnational forces *Race for Citizenship* Helen Heran Jun, 2011-02-23 Original and compelling Bringing her considerable knowledge of historical and contemporary political theory to bear on her readings of African and Asian American literature and film Jun analyzes how discourses of race gender and national belonging American orientalism and American feminism have shaped African and Asian American lives in relation to each other Simultaneously sophisticated and accessible *Race for Citizenship* fills a critical lacuna in race relations studies ELAINE KIM University of California Berkeley **Guys Like Us** Michael Davidson, 2004 *Guys Like Us* considers how writers of the 1950s and 60s struggled to craft literature that countered the politics of consensus and anticommunist hysteria in America and how notions of masculinity figured in their effort Michael Davidson examines a wide range of postwar literature from the fiction of Jack Kerouac to the poetry of Gwendolyn Brooks Frank O Hara Elizabeth Bishop and Sylvia Plath He also explores the connection between masculinity and sexuality in films such as *Chinatown* and *The Lady from Shanghai* as well as television shows plays and magazines from the period What results is a virtuoso work that looks at American poetic and artistic innovation through the revealing lenses of gender and history **Thailand at the Margins** Jim Glassman, 2004-03-04 Jim Glassman addresses the role of the state in the industrial transformation of what was before the economic crisis of 1997 98 one of Southeast Asia's fastest growing economies Approaching this issue from a different angle to those dominating 1980s and 1990s debates about the role of states in East Asian growth Glassman argues that the Thai state has been both proactive and interventionist in encouraging industrial transformation contrary to what neo liberals have asserted but at the same time has not been a developmental state of the sort championed by neo Weberian analysts of East Asia Analyzing the Cold War period the period of the economic boom as well as the economic crisis and its political aftershock *Thailand at the Margins* recasts the story of the Thai state's post World War II development performance by focusing on uneven industrialization and the interaction between internationalization and the transformation of Thai labour *Singapore in the Global System* Peter Preston, 2007-12-21 This book tracks the phases of Singapore's economic and political development arguing that its success

was always dependent upon the territories links with the surrounding region and the wider global system and suggests that managing these links today will be the key to the country's future Singapore has followed a distinctive historical development trajectory It was one of a number of cities which provided bases for the expansion of the British empire in the East But the Pacific War provided local elites with their chance to secure independence In Singapore the elite disciplined and mobilized their population and built successfully on their colonial inheritance Today the city state prospers in the context of its regional and global networks and sustaining and nurturing these are the keys to its future But there are clouds on the elite's horizons domestically the population is restive with inequality migration and surplus repression causing concern and internationally the strategy of constructing a business hub economy is being widely copied and both Hong Kong and Shanghai are significant competitors This book discusses these issues and argues that although success is likely to characterize Singapore's future the elite will have to address these significant domestic and international problems *East Asia's New Democracies* Yin-wah Chu, Siu-lun Wong, 2010-04-09 This collection brings us up to date on the contemporary situations in the new democracies of East Asia and debates on the prospect of introducing liberal democracy to this part of the world The chapters cover a wide range of cases including in depth examination of China Korea Taiwan the Philippines Thailand and broad comparisons of Malaysia Singapore Indonesia Vietnam and other countries The contributors who are foremost experts in their fields examine the roles performed by civil society social classes and strategic groups as well as the intertwining of values and interests in the transition to consolidation of and reversal from democracy They also evaluate the extent to which these new democracies have facilitated regional peace helped extend social welfare benefits bolstered poverty alleviation and upheld the rule of law and human rights Grounding their analyses in the historical development of these societies and examining them through the comparative strategy they also explore the desirability of liberal democracy whether in the subjective assessment of the Asian people or in relation to the social political challenges faced by these Asian countries *East Asia's New Democracies* will be of interest to students and scholars of comparative politics political science political sociology East and Southeast Asian studies **Pacific Connections** Kornel Chang, 2012-06-12 In the late nineteenth century the borderlands between the United States the British Empire in Canada and the Asia Pacific Rim emerged as a crossroads of the Pacific world In *Pacific Connections* Kornel Chang tells the dramatic stories of the laborers merchants smugglers and activists who crossed these borders into the twentieth century and the American and British empire builders who countered them by hardening racial and national lines But even as settler societies attempted to control the processes of imperial integration their project fractured under its contradictions Migrant workers and radical activists pursued a transnational politics through the very networks that made empire possible Charting the U S Canadian borderlands from above and below Chang reveals the messiness of imperial formation and the struggles it spawned from multiple locations and through different actors across the Pacific world *Pacific Connections* is the winner of the Outstanding Book in History award

**China and East Asian Strategic Dynamics** Mingjiang Li, Dongmin Lee, 2011-07-16 China and East Asian Strategic Dynamics the Shaping of a New Regional Order edited by Mingjiang Li and Dongmin Lee examines how China's remarkable economic growth and its proactive diplomatic efforts in recent years have not only shored up its importance in global issues but also induced a transformation of the strategic dynamics in East Asia. The authors argue that major power relations in the region appear to be driven by some new momentum along with the changing international environment. The contributors of this edited volume are well known scholars in their areas of specialty and the book is divided into five parts. The first part discusses China's soft and hard power in East Asia. The second examines China and the strategic interactions between major powers; this particular section is devoted to discussion on the strategic responses of the major regional powers: the United States, Japan, Korea, India, and ASEAN to China's rise. Part three focuses on China's strategic approach to East Asian regionalism. Of particular note are China's active leadership role in institution building efforts, strategic calculations, and preference for an informal approach. The fourth section analyzes the Cross Taiwan Strait relations and their impact on both China and East Asia. The final section of China and East Asian Strategic Dynamics addresses the issue of China and maritime order in East Asia. China and East Asian Strategic Dynamics the Shaping of a New Regional Order edited by Mingjiang Li and Dongmin Lee is a pioneering work. Given that the rise of China is a prominent issue in politics and economics worldwide, this edited collection is essential for a wide audience of policy makers, academics, and students alike.

Placing Empire Kate McDonald, 2017-08 Seeing like the nation: The new territories. Boundary narratives. Local color. Speaking Japanese.

Conservatism and the Kissinger-Mao Axis Lam Lai Sing, 2015-05-20 Kissinger's dual purpose instrument of the US-China and US-Soviet détente was devised to achieve a stable balance of power in the contemporary world in the second half of the 1960s. Stimulated by both Kissinger's doctrine and the historical novel The Romance of the Three Kingdoms, Mao's global order of tripolarity was created to feature the new US-China relations in the early 1970s with his initiative of the ping pong diplomacy through this Kissinger-Mao axis. This made his quest for a modernization revolution possible with the Western market oriented approach. Strengthening Mao's modernization program, Xiaoping's good neighborhood policy was designed to induce the world to help modernize China. Vitality including Russia with the collapse of

the Soviet Union Deng's policy helped maintain a peaceful and stable international environment though it also marked the end of Mao's global order Perceiving the PRC's rise as a threat to its dominance in the Asia Pacific region the US containment effort was enhanced with US Japanese collusion and siding with the Philippines and Vietnam in relevant maritime disputes with the PRC The US united with the Republic of Korea nations in Southeast Asia and Australia in establishing a wide range alliance to go against the China threat The post Cold War eastward expansion of the US led NATO and the Russian determination to be a great power again contributed to tension with the United States The Russian desire to maintain its nuclear deterrent capability was at odds with the US missile defense plans Thus the US deployment of its missile shield in Eastern Europe as part of its strategic configuration in Alaska and the Far East was to contain Russia from both the Far East and Europe
