A Place to Call Home Ramya Ramanath, 2018-07-20 Any city is a product of politics and economics organizations and people Yet the life experiences of women uprooted from its poorest quarters seldom inform urban resettlement plans In this ethnographic field study Ramya Ramanath Associate Professor at DePaul University examines the lives of women displaced by slum clearance and relocated to the largest slum resettlement site in Asia Through conversations with diverse women of different ages levels of education types of employment marital status ethnicity caste religion and household make up Ramanath recounts how women negotiate a drastic change in environment from makeshift housing in a park slum to ownership of a high rise apartment in a posh Mumbai suburb Each phase of their city lives reflects how women initiate change and disseminate a vision valuable to planners intent on urban and residential transformations Ramanath urges the concerted engagement of residents in design development and evaluation of place making processes in cities and within their own neighborhoods especially This book will interest scholars of public policy women and gender studies South Asian studies and urban planning

A Place to Call Home Volume One Sonya T. Anderson, 2018-06-09 One year my husband and I decided to host a Thanksgiving celebration in our home for about twenty to

twenty five people In preparation we went beyond the basics of shampooing the carpets and mopping the floors We put a fresh coat of paint on every wall purchased new furniture for the living room and installed a second bathroom We even knocked out a wall in order to make the living room bigger The night before our guests were set to arrive we were still up cooking and completing minor details How much more should we prepare our hearts to become the habitation of Yahweh Let us turn our attention inwardly and focus on preparing our living sanctuaries The King of Kings desires to make your heart his home and you must get ready

No Place to Call Home United States. Congress. House. Select Committee on Children, Youth, and Families, 1989 Abstract This publication reports the conclusions of a series of hearing concerning support and services for children in troubled families The Congress has made a commitment to guarantee support in the form of out of home placement when necessary and reunification with their families when possible This report sought to answer several questions including are there fewer unnecessary placements of children out of their homes than previously occurred When children must be placed are there more effective permanent placements than there were ten years ago Are children receiving quality services when they are entrusted to the child welfare system Several failings of the system are revealed while some promising policies innovative strategies and effective programs were found

Immigration Realities Ernesto Castañeda, Carina Cione, 2024-11-05 Immigrants are less likely to commit crimes They are eager to learn local languages Immigration is not a burden on social services Border walls do not work There is no unmanageable refugee crisis Yet many such misinformed assumptions and harmful misconceptions pervade conversations about immigration This timely book is a practical evidence based primer on immigrants and immigration Each chapter debunks a frequently encountered claim and answers common questions Presenting the latest findings and decades of interdisciplinary research in an accessible way Ernesto Castañeda and Carina Cione emphasize the expert consensus that immigration is vital to the United States and many other countries around the world Featuring original insights from research conducted in El Paso Texas *Immigration Realities* considers a wide range of places ethnic groups and historical eras It provides the key data and context to understand how immigration affects economies crime rates and social welfare systems and it sheds light on contentious issues such as the safety of the U S Mexico border and the consequences of Brexit This book is an indispensable guide for all readers who want to counter false claims about immigration and are interested in what the research shows
