The Epistles of John David E. Hiebert,1991

This commentary on what the author calls a singular irreplaceable gem among the books of the New Testament is written with a balance of theological orthodoxy reverent scholarship and evangelical warmth It is a work which provides the preacher teacher and layman with a clear and concise discussion of the meaning of the biblical text yet never ignores the devotional purpose with which the Apostle John wrote Back cover

A Thematic Access-Oriented Bibliography of Jesus's Resurrection Michael J. Alter,2019-12-31 The keystone of Christianity is Jesus s physical bodily resurrection Present day scholars can be significantly challenged as they forage through voluminous documents on the resurrection of Jesus The literature measures well over seven thousand sources in English language books alone This makes finding specific sources that are most relevant for specific scholarly purposes an arduous task Even when a specific book is relevant finding the parts of the book that are most relevant to the resurrection rather than other topics often requires additional effort A Thematic Access Oriented Bibliography of Jesus s Resurrection addresses these challenges in several ways First the bibliography organizes more than seven thousand English sources into twelve main categories and then thirty four subcategories which are designed to help you find the most relevant literature quickly and efficiently Embedded are pro and con arguments which support efficient access through brief annotations and then annotate the diversity and complexity of the field of religion by including sources that represent a diverse range of views theistic e g Christian Jewish Muslim etc agnostic and nontheistic The objective of this bibliography is to provide convenient access to relevant sources from a variety of perspectives allowing you to browse or find the one source accurately and with ease

An exposition of the Epistles of John the apostle, with a new version William Kelly,1905

The Publishers' Trade List Annual ,1898

Can Christians Prove the

Resurrection? Sandoval Chris Sandoval,Chris Sandoval,2010 Christian apologists like Josh McDowell Norman Geisler and William Lane Craig have claimed that the Resurrection of Jesus is the best proved fact of history As they tell the story the original eyewitnesses of the risen Jesus sacrificed their lives for their faith and people who knew Jesus during his lifetime would have challenged any errors in their testimony Allegedly these and many other lines of historical evidence prove the Resurrection beyond a reasonable doubt In *Can Christians Prove the Resurrection* the traditional Christian arguments for the Resurrection are analyzed and critiqued In reality we do not know how most of the apostles met their fates and religious sects like the Kimbanguists and Hasidic Jews have likewise proclaimed miracles and produced martyrs within the lifetimes of eyewitnesses who should have been able to set the record straight These and many other lines of evidence raise copious reasonable doubts regarding the claims of the apologists as this book demonstrates Once all the relevant evidence is examined it becomes clear that there is little likelihood that Jesus of Nazareth arose from the dead or that the Resurrection

ever took place **The True History of God's True Church: And Its 2,000-Year War With the Great False Church**
Philadelphia Church of God, Gerald Flurry, 2015-04-30 When Jesus Christ founded the New Testament Church He said the
gates of hell would not prevail against it He prophesied of seven successive eras it would undergo before His Second Coming
and even foretold the predominant character of each History shows that God's true Church though it has gone largely
unnoticed has survived through the 20 centuries since that time fulfilling Christ's prophecies in specific detail Now on the
cusp of Christ's return this dramatic and miraculous story can be fully told The Library of John Quinn John Quinn, 1923
