Russian Orthodoxy On The Eve Of Revolution:

Russian Orthodoxy on the Eve of Revolution Vera Shevzov, 2004 Explores sacred community and how it functioned or sometimes did not in Russian Orthodoxy before the fateful historic events of the 1917 Russian Revolution **Tolstoy and the Religious Culture of His Time** Inessa Medzhibovskaya, 2009-07-15 The first book length study on the subject in any language Tolstoy and the Religious Culture of His Time treats Tolstoy's experience as a massive philosophical and religious project rather than a crisis laden tragedy Inessa Medzhibovskaya explains the evolution of Tolstoy's religious outlook based on his ongoing dialogue with the tradition of conversion in Europe and Russia as well as on the demands of his own heart mind and spirit The author contextualizes Tolstoy's conversion comparing his pattern of religious conversion with that of other notable religious converts Saint Paul Saint Augustine Luther Pascal Rousseau as well with that of Tolstoy's countrymen Pushkin Gogol Chaadaev Stankevich Belinsky Herzen and Dostoevsky Stressing the importance of the religious culture of his time for Tolstoy this study investigates the nineteenth century debates that inspired and repelled Tolstoy as he weighed arguments for or against faith in his dialogues with the culture of his time covering widely differing fields and disciplines of experimental knowledge The author considers German Romantic philosophy the natural sciences pragmatist religious solutions theories of social progress and evolution and the historical school of Christianity Medzhibovskaya stresses the fact that influential intellectual currents were as important to Tolstoy as believers and nonbelievers were from and beyond his immediate environment The author argues that in this sense Tolstoy's conversion emerges as deeply intertextual and this surprising discovery should not diminish our trust in Tolstoy's sincerity during his religious evolution which occurred both spontaneously as well as deliberately The polyphony of discreet spiritual moments that Tolstoy created by fusing in his narratives of conversion religious and artistic realms is arguably his greatest contribution to spiritual autobiography **The**

American YMCA and Russian Culture Matthew Lee Miller, 2012-12-14 In *The American YMCA and Russian Culture* Matthew Lee Miller explores the impact of the philanthropic activities of the Young Men's Christian Association YMCA on Russians during the late imperial and early Soviet periods The YMCA the largest American service organization initiated its intense engagement with Russians in 1900 During the First World War the Association organized assistance for prisoners of war and after the emigration of many Russians to central and western Europe founded the YMCA Press and supported the St Sergius Theological Academy in Paris Miller demonstrates that the YMCA contributed to the preservation expansion and enrichment of Eastern Orthodox Christianity It therefore played a major role in preserving an important part of pre revolutionary Russian culture in Western Europe during the Soviet period until the repatriation of this culture following the collapse of the USSR The research is based on the YMCA's archival records Moscow and Paris archives and memoirs of both Russian and American participants This is the first comprehensive discussion of an extraordinary period of interaction between American and Russian cultures It also presents a rare example of fruitful interconfessional cooperation by

Protestant and Orthodox Christians Law and the Christian Tradition in Modern Russia Paul Valliere, Randall Poole, 2021-09-15 This book authored by an international group of scholars focuses on a vibrant central current within the history of Russian legal thought how Christianity and theistic belief generally has inspired the aspiration to the rule of law in Russia informed Russian philosophies of law and shaped legal practices Following a substantial introduction to the phenomenon of Russian legal consciousness the volume presents twelve concise non technical portraits of modern Russian jurists and philosophers of law whose thought was shaped significantly by Orthodox Christian faith or theistic belief Also included are chapters on the role the Orthodox Church has played in the legal culture of Russia and on the contribution of modern Russian scholars to the critical investigation of Orthodox canon law The collection embraces the most creative period of Russian legal thought the century and a half from the later Enlightenment to the Russian emigration following the Bolshevik Revolution This book will merit the attention of anyone interested in the connections between law and religion in modern times

Russian Bible Wars Stephen K. Batalden, 2013-03-14 This first comprehensive history of the Russian Bible demonstrates how scriptural translation exposed serious divisions in modern Russian religious culture

Selling to the Masses Marjorie L. Hilton, 2012-01-08 In *Selling to the Masses* Marjorie L. Hilton presents a captivating history of consumer culture in Russia from the 1880s to the early 1930s She highlights the critical role of consumerism as a vehicle for shaping class and gender identities modernity urbanism and as a mechanism of state power in the transition from tsarist autocracy to Soviet socialism Beginning in the late nineteenth century Russia witnessed a rise in mass production consumer goods advertising and new retail venues such as arcades and department stores These mirrored similar developments in other European countries and reflected a growing quest for leisure activities luxuries and a modern lifestyle As Hilton reveals retail commerce played a major role in developing Russian public culture it affected celebrations of religious holidays engaged diverse groups of individuals defined behaviors and rituals of city life inspired new interpretations of masculinity and femininity and became a visible symbol of state influence and provision Through monarchies revolution civil war and monumental changes in the political sphere Russia's distinctive culture of consumption was contested and recreated Leaders of all stripes continued to look to the commerce of exchange as a key element in appealing to the masses garnering political support and promoting a modern nation Hilton follows the evolution of retailing and retailers alike from crude outdoor stalls to elite establishments through the competition of private versus state run stores during the NEP and finally to a system of total state control indifferent workers rationing and shortages under a consolidating Stalinist state

Global Tensions in the Russian Orthodox Diaspora Robert Collins, 2022-12-30 This book explores the tensions that have arisen in the diaspora as a result of large numbers of Russian migrants entering established overseas parishes following the collapse of the Soviet Union These tensions made more fervent by the increasing role of the Church as part of the expression of Russian identity and by the Church's entry into the global culture wars carry with them alternative views of a range of key issues cosmopolitanism versus reservation liberalism versus conservatism and ecumenism versus dogmatism The book focuses on particular disputes discusses the broader debates and examines the wider context of how the Russian Orthodox Church is evolving overall

Russia Gregory L. Freeze, 2009 The history of Russia from Kievan Rus to Vladimir Putin Russia A History cuts through the myths and mystery that have surrounded Russia from its earliest days with startling revelations from classified archives that until comparatively recently were not even known to exist A distinguished team of historians has stripped away the propaganda and preconceptions of the past to tell the definitive story of Russia from tenth century Kiev and Muscovy through empire and revolution to the fall of Communism and the new order of the 1990s and early 21st century A compelling story in its own right it is essential reading for anyone with an interest in Russia and its place in the world This updated edition now covers the developments in the Putin era in the first decade of the 21st century

Intimate Empire Alexa von Winning, 2022 Intimate Empire tells the story of the Mansurovs a small noble family who played a momentous role in the Russian Empire as they struggled to reassert the country's importance on the global stage after their defeat in the Crimean War showing how three generations of a family advanced the intertwined causes of the Russian Empire and Orthodoxy

The Muslim Question and Russian Imperial Governance Elena I. Campbell, 2015-01-26 A major contribution to the history of nationality religious identity and governance in late imperial Russia William G Rosenberg coauthor of Processing the Past From the time of the Crimean War through the fall of the Tsar the question of what to do about the Russian empire's large Muslim population was a highly contested issue among educated Russians both inside and outside the government As formulated in the nineteenth and early twentieth centuries the Muslim Question comprised a complex set of ideas and concerns that centered on the problems of reimagining and governing the tremendously diverse Russian empire in the face of the challenges presented by the modernizing world Basing her analysis on extensive research in archival and primary sources Elena I Campbell reconstructs the issues debates and personalities that shaped the development of Russian policies toward the empire's Muslims and the impact of the Muslim Question on the modernizing path that Russia would follow Readable original and endlessly interesting Campbell's book deserves the very highest praise Journal of Islamic Studies Campbell's book shows how profound official Islamophobia paradoxically led to the preservation of earlier confessional structures grudging non interference with the spiritual and social life of most Muslim communities a restraining hand on the actions if not the rhetoric of Orthodox missionaries and a certain uneasy toleration Slavonic and East

European Review A major contribution to the understanding of Russia's Muslim Question past and present Recommended Choice Alter Icons Jefferson J. A. Gatrall, Douglas M. Greenfield, 2010 A collection of essays by eleven scholars of Russian history art literature cinema philosophy and theology that track key shifts in the production circulation and consumption of the Russian icon from Peter the Great's Enlightenment to the post Soviet revival of the Orthodox Church Provided by publisher **Women and Martyrdom in Stalinist War Cinema** Mozghan Samadi, 2024-04-03 The key question asked in this book is how did Stalinist war cinema present Soviet women's resistance against the Nazi forces during World War II This book challenges those scholarly works which support the idea of the compatibility of femininity and combat under Stalinism Despite the Soviet regime's claim of being opposed to any religious heritage this book reveals how Stalinist cinema drew on Russian religious tradition and culture in the creation of cinematic representations of Soviet women during WWII Further the book shows how the adoption of Russian cultural and religious heritage in Soviet war cinema served Stalinist collective identity construction policies and state citizen relations In so doing this study contributes to a range of fields within Russian and Soviet studies including gender studies cinema studies Soviet modernity and the study of identity construction and state nation relations Whilst this book is aimed at researchers and academics it provides a supplementary source for undergraduate and postgraduate students of Soviet Russian studies *The Oxford Handbook of Christmas* Timothy Larsen, 2020 Includes 45 chapters on a comprehensive range of topics providing information on all aspects of Christmas Provides an interdisciplinary approach drawing on the insights of experts from across numerous disciplines including history literature art theology Bible anthropology sociology film and law Presents Christmas as a truly global phenomenon and explores its variations from Bethlehem to Japan Book jacket **Lost in Wonder** Aidan Nichols O. P., 2016-04-22 This book explores the Liturgy as the manifestation by cultic signs of Christian revelation the setting of the Liturgy in terms of architectural space iconography and music and the poetic response which the revelation the Liturgy carries can produce The conclusion offers a synthetic statement of the unity of religion cosmology and art Aidan Nichols makes the case for Christianity's capacity to inspire high culture both in principle and through well chosen historical examples which draw on the best in Catholicism Eastern Orthodoxy and Anglicanism *Ministries of Compassion among Russian Evangelicals, 1905-1929* Mary Raber, 2016-05-13 The present study fills a gap in the study of the evangelical movement in Russia by presenting a comprehensive picture of their compassionate ministry during their longest stretch of relative freedom before the 1980s Better known for their energetic preaching and literature work Russian evangelicals also gave attention to compassionate ministry although it was never extensive because of their marginal status They established assistance funds organized charitable institutions practiced urban rescue ministry participated in the Russian temperance movement and established economic communities Each area is distinct yet all were supported by the same set of theological convictions The Russian evangelicals were convinced that their witness should consist of good works as well as words and that the gospel had

the power to undo human suffering While intentionally cultivating an attitude of concern for the needs of others they taught that compassion was the concern of all members of the community regardless of economic status or age In their publications evangelicals devoted a good deal of teaching to the proper Christian attitude toward money and giving They drew on Western models but also their indigenous sectarian roots

The Oxford Handbook of Religion and Europe Grace Davie, Lucian N. Leustean, 2021-12-08 The Oxford Handbook of Religion and Europe offers a detailed overview of religious ideas structures and institutions in the making of Europe It examines the role of religion in fostering identity survival and tolerance in the empires and nation states of Europe from Antiquity until today the interplay between religion politics and ideologies in the twentieth century the dialogue between religious communities and European institutions in the construction of the European Union and the engagement of Catholicism Protestantism Eastern Orthodoxy Islam Judaism and Eastern religions with the idea of Europe The collection closes with an overview of European nation states focusing on history demography legal perspectives political authorities societal changes and current trends Written by leading scholars in the field the Handbook is an authoritative and up to date volume which demonstrates the enduring presence of lived and institutionalized religion in the social networks of identity policy and power over two millennia of European history

Landmarks Revisited Robin Aizlewood, Ruth Coates, 2019-08-28 The Vekhi Landmarks symposium 1909 is one of the most famous publications in Russian intellectual and political history Its fame rests on the critique it offers of the phenomenon of the Russian intelligentsia in the period of crisis that led to the 1917 Russian Revolution It was published as a polemical response to the revolution of 1905 the failed outcome of which was deemed by all the Vekhi contributors to exemplify and illuminate fatal philosophical political and psychological flaws in the revolutionary intelligentsia that had sought it Landmarks Revisited offers a new and comprehensive assessment of the symposium and its legacy from a variety of disciplinary perspectives by leading scholars in their fields It will be of compelling interest to all students of Russian history politics and culture and the impact of these on the wider world

Late Tsarist Russia, 1881-1913 Beryl Williams, 2020-09-17 This book brings together the large volume of work on late Tsarist Russia published over the last 30 years to show an overall picture of Russia under the last two tsars before the war brought down not only the Russian empire but also those of Germany Austria Hungary and Turkey It turns the attention from the old emphases on workers revolutionaries and a reactionary government to a more diverse and nuanced picture of a country which was both a major European great power facing the challenges of modernization and industrialization and also a multi ethnic and multi confessional empire stretching across both Europe and Asia

Modern Occultism in Late Imperial Russia Julia Mannherz, 2012-10-15 Modern Occultism in Late Imperial Russia traces the history of occult thought and practice from its origins in private salons to its popularity in turn of the century mass culture In lucid prose Julia Mannherz examines the ferocious public debates of the 1870s on higher dimensional mathematics and the workings of seance phenomena discusses the world of cheap instruction manuals and popular occult journals and looks at

haunted houses which brought together the rural settings and the urban masses that obsessed over them In addition Mannherz looks at reactions of Russian Orthodox theologians to the occult In spite of its prominence the role of the occult in turn of the century Russian culture has been largely ignored if not actively written out of histories of the modern state For specialists and students of Russian history culture and science as well as those generally interested in the occult Mannherz s fascinating study remedies this gap and returns the occult to its rightful place in the popular imagination of late nineteenth and early twentieth century Russian society
