philosophical thought from its origins
to the present day, with new translations
and critical and interpretive commentary*

*Edited by James M. Edie, James P. Scanlan,
& Mary-Barbara Zeldin; with the collabora-
tion of George L. Kline*

Russian Philosophy Volume 2

James M. Edie

Russian Philosophy Volume 2:

Russian Philosophy James M. Edie, James P. Scanlan, Mary-Barbara Zeldin, 1976 Russian Philosophy, Volume 2 James M. Edie, 2025-03-14 The second half of the nineteenth century in Russian philosophy sees it more or less definitive triumph of Westernizing currents over the Slavophiles There is no doubt that both Nihilism and Populism as successive schools of Russian philosophy are the authentic progeny of the senior Westernizers though in the development of their philosophical doctrine they owe much less to German Romanticism than to British utilitarianism French positivism and the socialism of left wing Hegelians Toward the end of the century these philosopher come increasingly under the influence of the scientific socialism of Karl Marx **A History of Russian Philosophy** V. V. Zenkovsky, 1953 Russian philosophy. Vol. II James M. Edie, *A History of Russian Philosophy* V. V. Zenkovsky, 2003 **Russian Philosophy** James M. Edie, 1965 *Russian Philosophy, Volume 1* James M. Edie, 2025-03-14 Russian philosophy begins through the impregnation of the ancient Byzantine tradition of Old Russia by the Western thought of the French Enlightenment and then by German Romanticism The first original Russian philosopher Gregory Skovoroda the Russian Socrates was followed by the early philosophy of history and culture Alexander Radishchev and Peter Chasadayev The fateful break of Russian philosophers into two opposed camps of the Slavophiles was accomplished by the middle of the nineteenth century **A History of Russian Philosophy** Valery A. Kuvakin, 1994-02 For the first time since the break up of the USSR and with the help of 21 leading historians of Russian philosophy from Moscow State University including M N Gromov Z A Kamensky M A Maslin B G Safronov and V V Serbinenko Valery A Kuvakin presents a comprehensive two volume work capturing the rich philosophical heritage of this diverse culture These scholars discuss its interpretation of the universe the essence of history and human existence the ideals of knowledge and a decent life the destiny of Russia and the life of the world community from the 10th century through the early 20th century These discussions are augmented with selected excerpts from original works which served as examples of the main schools of thought Russian Thought After Communism: The Rediscovery of a Philosophical Heritage James P. Scanlan, 2016-09-16 An examination of Russia s philosophical heritage It extends from the Slavophiles to the philosophers of the Silver Age from emigre religious thinkers to Losev and Bakhtin and assesses the meaning for Russian culture as a whole **Russia and Western Civilization** Russell Bova, 2015-02-12 This volume introduces readers to an age old question that has perplexed both Russians and Westerners Is Russia the eastern flank of Europe Or is it really the heartland of another civilization In exploring this question the authors present a sweeping survey of cultural religious political and economic developments in Russia especially over the nineteenth and twentieth centuries Based on the interdisciplinary Russian studies program at Dickinson College this splendid collection will complement many curricula The text features highlight boxes and selected illustrations Each chapter ends with a glossary study questions and a reading list *Kitsch, Propaganda, and the American Avant-Garde* Michael J. Pearce, 2023-03-21 This book details the dramatic history

of the weaponization of avant garde art as propaganda from its violent origins selling the idealistic communism of revolutionary France to its use as an American weapon wielded against the Nazi and Soviet threat as World War II began It shows how art became ammunition in the war of ideas as the protagonists of the Second World War attempted to control the minds of their people The text highlights how the avant garde was the battlefield for the epic struggle between collectivism and American individualism and will appeal to the reader with an interest in vivid stories of art history and politics

Creation and Salvation: A companion on recent theological movements E. M. Conradie, 2012 Christians trying to save the planet have to relate creation with salvation This volume explores the ways in which this task is approached by a wide range of recent theological movements

Democracy and the Quest for Justice, 2004-01-01 This book examines the changes and challenges to democracy particularly in contemporary Russia In the first section Russian and American philosophers scrutinize the virtues and vices facing a country changing to a democratic government The book secondly explores the challenges facing a democratic Russia Lastly the book considers carefully issues of social justice arising from the relationship between democracy and the current economic climate of globalization The series Contemporary Russian Philosophy explores a variety of perspectives in and on philosophy as it is currently being practiced in Russia Co sponsored by the Center for Professional and Applied Ethics at the University of North Carolina Charlotte and by the Russian Philosophical Society this special series features collaborative works between Russians and Americans collections of essays by Russians and monographs by Russians All volumes are published in English

Hans Urs von Balthasar and the Critical Appropriation of Russian Religious Thought Jennifer Newsome Martin, 2015-09-15 In Hans Urs von Balthasar and the Critical Appropriation of Russian Religious Thought Jennifer Newsome Martin offers the first systematic treatment and evaluation of the Swiss Catholic theologian's complex relation to modern speculative Russian religious philosophy Her constructive analysis proceeds through Balthasar's critical reception of Vladimir Soloviev Nikolai Berdyaev and Sergei Bulgakov with respect to theological aesthetics myth eschatology and Trinitarian discourse and examines how Balthasar adjudicates both the possibilities and the limits of theological appropriation especially considering the degree to which these Russian thinkers have been influenced by German Idealism and Romanticism Martin argues that Balthasar's creative reception and modulation of the thought of these Russian philosophers is indicative of a broad speculative tendency in his work that deserves further attention In this respect Martin consciously challenges the prevailing view of Balthasar as a fundamentally conservative or nostalgic thinker In her discussion of the relation between tradition and theological speculation Martin also draws upon the understudied relation between Balthasar and F W J Schelling especially as Schelling's form of Idealism was passed down through the Russian thinkers In doing so she persuasively recasts Balthasar as an ecumenical creatively anti nostalgic theologian hospitable to the richness of contributions from extra magisterial and non Catholic sources

The Oxford Handbook of Russian Religious Thought Caryl Emerson, George Pattison, Randall A.

Poole,2020-09-04 The Oxford Handbook of Russian Religious Thought is an authoritative new reference and interpretive volume detailing the origins development and influence of one of the richest aspects of Russian cultural and intellectual life its religious ideas After setting the historical background and context the Handbook follows the leading figures and movements in modern Russian religious thought through a period of immense historical upheavals including seventy years of officially atheist communist rule and the growth of an exiled diaspora with e g its journal The Way Therefore the shape of Russian religious thought cannot be separated from long running debates with nihilism and atheism Important thinkers such as Losev and Bakhtin had to guard their words in an environment of religious persecution whilst some views were shaped by prison experiences Before the Soviet period Russian national identity was closely linked with religion linkages which again are being forged in the new Russia Relevant in this connection are complex relationships with Judaism In addition to religious thinkers such as Philaret Chaadaev Khomiakov Kireevsky Soloviev Florensky Bulgakov Berdyaev Shestov Frank Karsavin and Alexander Men the Handbook also looks at the role of religion in aesthetics music poetry art film and the novelists Dostoevsky and Tolstoy Ideas institutions and movements discussed include the Church academies Slavophilism and Westernism theosis the name glorifying imiaslavie controversy the God seekers and God builders Russian religious idealism and liberalism and the Neopatristic school Occultism is considered as is the role of tradition and the influence of Russian religious thought in the West The Self in Jungian Psychology Leslie Stein,2021-10-15 Realizing the Self is the absolute goal of Jungian psychology Yet as a concept it is impossibly vague as it defines a center of our being that also embraces the mystery of existence This work synthesizes the thousands of statements Jung made about the Self in order to bring it to ground to unravel its true purpose and to understand how it might be able to manifest **Selected Essays, Volume II** Andrew Louth,2023 These two volumes contain selected essays written over forty years by Andrew Louth a major scholar in the fields of Theology and Patristics early Christian thought Many of the essays in volume II concern the nature of theology drawing from a famous group of twentieth century Russian thinkers exiled after the 1917 Communist revolution

Dialogue and the New Cosmopolitanism Fred Dallmayr,2022-11-28 Dialogue and the New Cosmopolitanism Conversations with Edward Demenchonok stands in opposition to the doctrine that might makes right and that the purpose of politics is to establish domination over others rather than justice and the good life for all In the pursuit of the latter goal the book stresses the importance of dialogue with participants who take seriously the views and interests of others and who seek to reach a fair solution In this sense the book supports the idea of cosmopolitanism which by contrast to empire involves multi lateral cooperation and thus the quest for a just cosmopolis The international contributors to this volume with their varied perspectives are all committed to this same quest Edited by Fred Dallmayr the chapters take the form of conversations with Edward Demenchonok a well known practitioner of international and cross cultural philosophy The conversations are structured in parts that stress the philosophical anthropological cultural and ethical dimensions of global dialogue In our

conflicted world it is inspiring to find so many authors from different places agreeing on a shared vision **Christianity and the Eastern Slavs, Volume II** Robert P. Hughes, Irina Paperno, 2024-06-04 This publication in three volumes originated in papers delivered at two conferences held in May 1988 at the University of California Berkeley and the Kennan Institute for Advanced Russian Studies in Washington DC Like many other conferences organized that year in the United States Europe and the Soviet Union they were convened to commemorate the millennium of the acceptance of Christianity in Rus This collection of essays throws light on the enormous truly unique role that the Christian tradition has played throughout the centuries in shaping the nations that spring from Kievan Rus the Russians Ukrainians and Belorussians Although these volumes devote greater attention to Russian culture the investigation of the issue in the history of Christianity in Ukrainian and Belorussian cultures occupies an important and integral part of the project Volume I Slavic Cultures in the Middle Ages Edited by Boris Gasparov and Olga Raevsky Hughes Volume II Russian Culture in Modern Times Edited by Robert P Hughes and Irina Paperno Volume III Russian Literature in Modern Times Edited by Boris Gasparov Robert P Hughes Irina Paperno and Olga Raevsky Hughes This title is part of UC Press s Voices Revived program which commemorates University of California Press s mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1994 **Russian Studies in Philosophy** , 2003

As recognized, adventure as well as experience just about lesson, amusement, as without difficulty as concord can be gotten by just checking out a ebook **Russian Philosophy Volume 2** as a consequence it is not directly done, you could take on even more as regards this life, concerning the world.

We allow you this proper as skillfully as easy quirk to acquire those all. We come up with the money for Russian Philosophy Volume 2 and numerous book collections from fictions to scientific research in any way. in the course of them is this Russian Philosophy Volume 2 that can be your partner.
