several twentieth century conflicts that should have better prepared the country for Vietnam the Philippines after 1898 Nicaragua in the 1920s Greece in the late 1940s and the Philippines again during the Huk War of 1946 1954 Later during the long Salvadoran conflict of the 1980s American leaders seemed to recall what they had learned from their experiences with this type of warfare Guerrilla insurgencies did not end with the Cold War As America faces recurring crises in the Balkans sub Saharan Africa the Middle East and possibly Asia a comprehensive analysis of past guerrilla engagements is essential for today s policymakers

Afghanistan Revisited Cary Gladstone,2001 CJ International ,1989 Infantry ,1991 The Course of Russian History, 5th Edition Melvin C. Wren,Taylor Stults,2009-01-08 Now in its fifth edition this definitive history of the Russian land and people builds on its success as a fascinating survey of two thousand years of struggle to harness vast resources and talents into a powerful and cohesive nation From its beginning as a savage and exotic land Russia underwent a complex evolution of political social and religious forces the barbarism of its internal conflicts in seeming contradiction with its goals to advance in the realms of technology art education and high culture From the conflicts of the fantastically wealthy ruling

class to the poor and oppressed masses emerged the Communist party and the enigmatic figures whose charismatic manipulation of political power reflected the myriad rulers before them Finally as the modern world watched this great entity collapsed in a devastatingly brief time millennia of precarious conflict proving too much for the tenuous coalescence of twentieth century politics Written in an engaging and accessible style this text presents students with a comprehensive look at the momentous events and legendary figures which helped shape Russia's turbulent history

The Great Bear at War, 2019-11-28 A history of the Red Army Soviet Army and Russian Army in 100 years of conflict From the chaos of the civil war to the political manoeuvring of the Cold War Russia's armed forces have shaped the future not only of Russia but of countless other countries around the globe The Great Bear at War The Russian and Soviet Army 1917 Present explores the development and struggles of Soviet and Russian armed forces across the numerous conflicts which mark its history It charts the great historical events that have defined the Red Russian Army especially World War II and the Cold War but also the post communist insurgencies and wars in which the Russian military has redeveloped its outlook and mission The post Soviet development of the Russian military into a modern force is explored in detail including its controversial campaigns in Chechnya 1999 2009 Georgia 2008 and Ukraine from 2014 Sewn into the narrative are details about the equipment uniforms training service conditions and weaponry of the Soviet Russian soldiers bringing personal experience and technological context to the broader history At a time when the world is closely focused upon Russian military behaviour The Great Bear at War is both timely and fascinating
