

Russias Civil War

W. Bruce Lincoln

Russias Civil War:

Russia in Flames Laura Engelstein, 2018 Laura Engelstein one of the greatest scholars of Russian history has written a searing and defining account of the Russian Revolution the fall of the old order and the creation of the Soviet state **The Origins of the Russian Civil War** Geoffrey Swain, 2013-11-26 Concentrating on the turbulent months from February 1917 to November 1918 Geoffrey Swain explores the origins of the Civil War against the wider background of revolutionary Russia He examines the aims of the anti Bolshevik insurgents themselves but he also shows how far the fear of civil war governed the action of the Provisional Government and even the plans of the Bolsheviks If the war itself can seem a fairly straightforward line up of revolutionaries and counter revolutionaries this study reveals how complex were the motives of the people who precipitated it *The Bolshevik Revolution and Russian Civil War* Rex A. Wade, 2001 Examines the Bolshevik Revolution and the Russian Civil War through narrative history and analysis biographies and primary documents also includes a glossary an annotated bibliography and a time line Civil War in Russia, 1917-1920 John Francis Nejez Bradley, 1975 **Red Victory** W. Bruce Lincoln, 1989 A chronicle of the Russian Civil War from 1918 to 1921 **The Russian Civil War** Evan Mawdsley, 2009-02-24 Examines the causes and events of the 1917 revolution in Russia that led to the rise of Communism **The "Russian" Civil Wars, 1916-1926** Jonathan Smele, 2016-01-15 This volume offers a comprehensive and original analysis and reconceptualisation of the compendium of struggles that wracked the collapsing Tsarist empire and the emergent USSR profoundly affecting the history of the twentieth century Indeed the reverberations of those decade long wars echo to the present day not despite but because of the collapse of the Soviet Union which re opened many old wounds from the Baltic to the Caucasus Contemporary memorialising and de memorialising of these wars therefore form part of the book s focus but at its heart lie the struggles between various Russian political and military forces which sought to inherit and preserve or even expand the territory of the tsars overlain with examinations of the attempts of many non Russian national and religious groups to divide the former empire The reasons why some of the latter were successful Poland and Finland for example while others Ukraine Georgia and the Muslim Basmachi were not are as much the author s concern as are explanations as to why the chief victors of the Russian Civil Wars were the Bolsheviks Tellingly the work begins and ends with battles in Central Asia a theatre of the Russian Civil Wars that was closer to Mumbai than it was to Moscow Russian Civil War Michael Foley, 2020-01-31 This historical study examines how the Bolshevik Revolution and Russian Civil War influenced events on the world stage in the Great War and beyond The Russian Revolution of 1917 is remembered as the catalyst for a bloody conflict between the Communist Red Army and the anti Communist White Army But in reality the conflict was far more complex and multifaceted involving forces from outside Russia In this probing history Michael Foley examines the Russian Civil War in terms of its relationship to the larger conflict raging across Europe It is an epic tale of brutal violence and political upheaval featuring a colorful cast of characters including Tsar Nicholas II Vladimir

Lenin Leon Trotsky Joseph Stalin and Winston Churchill *The Russian Revolution and Civil War 1917-1921* Jonathan Smele, 2006-04-15 The Russian Revolution and Civil War in the years 1917 to 1921 is one of the most widely studied periods in history It is also somewhat inevitably one that has generated a huge flow of literature in the decades that have passed since the events themselves However until now historians of the revolution have had no dedicated bibliography of the period and little claim to bibliographical control over the literature The Russian Revolution and Civil War 1917 1921 offers for the first time a comprehensive bibliographical guide to this crucial and fascinating period of history The Bibliography focuses on the key years of 1917 to 1921 starting with the February Revolution of 1917 and concluding with the 10th Party Congress of March 1921 and covers all the key events of the intervening years As such it identifies these crucial years as something more than simply the creation of a communist state **The Russian Civil War** V.P. Butt, Geoffrey Swain, A.B. Murphy, N.A. Myshov, 2016-01-07 Russia's experiences during the Civil War determined the framework within which the Russian people were governed throughout the Soviet period These newly released documents reveal how the events of 1918 22 reflected struggles and tensions in Russian society that were more complex than the simple Red White propaganda war In this collection the authors have sought out documents which highlight the complexities of the struggle exploring episodes which shed light on what was a multifaceted struggle which left wounds on Russian society which never healed **The Russian Revolution** Nik Cornish, 2012-07-19 Often the drama of the October Revolution and the Bolshevik seizure of power overshadow the disastrous Russian German war that preceded it and the extended confusing many sided civil war between the Reds and the Whites that followed But Nik Cornish's vivid photographic history gives equal coverage to each of these momentous events and shows how the Russian empire of the Romanovs was transformed into the Soviet dictatorship Contemporary photographs show the leading characters in the drama Tsar Nicholas II Kerensky Lenin and Trotsky and other Bolsheviks and the White commanders Denikin Kolchak Wrangel and the rest But they also record in an unforgettable way the ordinary people who were caught up in the surge of events civilian crowds on the city streets peasant groups in the villages the faces of common soldiers on all sides who fought on multiple fronts across Russia from Poland the Baltic states and the White Sea to the Black Sea and Siberia The scale of the conflict was remarkable as was the intensity of the experience of those who took part and witnessed it and this collection of historic photographs gives a poignant insight into the conditions of their time It is a fascinating introduction to a period that saw a sea change in Russian history **Experiencing Russia's Civil War** Donald J. Raleigh, 2021-05-11 This book is the only comprehensive history of the total experience of the Russian Civil War Focusing on the key Volga city of Saratov and the surrounding region Donald Raleigh is the first historian to fully show how the experience of civil war embedded itself into both the people's and the state's outlook and behavior He demonstrates how and why the programs and ideals that had propelled the Bolsheviks into power were so quickly lost and the repressive Soviet party state was born Experiencing Russia's Civil War is based on exhaustive use of previously classified

local and central archives It is also bold and ambitious in its breadth of thematic coverage dealing with all aspects of the war experience from institutional evolution and demographics to survival strategies Complicating our understanding of this formative period Raleigh provides compelling evidence that many features of the Soviet system that we associate with the Stalin era were already adumbrated and practiced by the early 1920s as Bolshevism became closed to real alternatives Raleigh interprets this as the consequence of a complex dynamic shaped by Russia's political tradition and culture Bolshevik ideology and dire political economic and military crises starting with World War I and strongly reinforced by the indelible mythologized experience of survival in the Civil War Fluidly written replete with new information and always engaged with important questions this is history finely wrought *Russia* Antony Beevor, 2022-09-20 Riveting There is a wealth of new information here that adds considerable texture and nuance to his story and helps to set Russia apart from previous works The Wall Street Journal An epic new account of the conflict that reshaped Eastern Europe and set the stage for the rest of the twentieth century Between 1917 and 1921 a devastating struggle took place in Russia following the collapse of the Tsarist empire The doomed White alliance of moderate socialists and reactionary monarchists stood little chance against Trotsky's Red Army and the single minded Communist dictatorship under Lenin In the savage civil war that followed terror begat terror which in turn led to ever greater cruelty with man's inhumanity to man woman and child The struggle became a world war by proxy as Churchill deployed weaponry and troops from the British empire while contingents from the United States France Italy Japan Poland and Czechoslovakia played rival parts Using the most up to date scholarship and archival research Antony Beevor assembles the complete picture in a gripping narrative that conveys the conflict through the eyes of everyone from the worker on the streets of Petrograd to the cavalry officer on the battlefield and the doctor in an improvised hospital

Making War, Forging Revolution Peter Holquist, 2002-12-30 Reinterpreting the emergence of the Soviet state Holquist situates the Bolshevik Revolution within the continuum of mobilization and violence that began with World War I and extended through Russia's civil war thereby providing a genealogy for Bolshevik political practices that places them clearly among Russian and European wartime measures **Red Victory** W. Bruce Lincoln, 1999-05-07 Shortly after withdrawing from World War I Russia descended into a bitter civil war unprecedented for its savagery epidemics battles mass executions forced labor and famine claimed millions of lives From 1918 to 1921 through great cities and tiny villages across untouched forests and vast frozen wasteland the Bolshevik Reds fought the anti Communist Whites and their Allies fourteen foreign countries contributed weapons money and troops including 20 000 American soldiers This landmark history re creates the epic conflict that transformed Russia from the Empire of the Tsars into the Empire of the Commissars while never losing sight of the horrifying human cost **The Russian Civil War, 1918-22** David Bullock, 2008 The Russian Civil War is the most important civil war of the 20th century changing the lives of over half a billion people and dramatically shaping the geography of Europe the Far East and Asia Over a four year period 20 countries battled in a crucible that would give birth to

Communist revolutions worldwide and the Cold War David Bullock offers a fresh perspective on this conflict examining the forces involved as well as the fascinating intervention by Allied forces At the dawn of modern war as cavalry duelled with tanks aircraft and armoured trains along shifting fronts this title tells a military story enacted against a backdrop of political and social revolution and within the context of immense human loss The reader cannot fail to be moved by the rare photographs and illustrations that make this history come alive Bloomsbury Publishing *Civil War in South Russia, 1919-1920* Peter Kenez, 2023-09-01 The Russian Civil War a multifaceted struggle between the Bolsheviks and their opponents offers a profound lens into the dynamics of power ideology and societal upheaval At its core the war was more than a military contest it was a political battle for the hearts and minds of a fragmented nation While the Bolsheviks demonstrated superior political strategy organization and adaptability the Whites floundered due to their inability to construct effective institutions or garner widespread legitimacy This failure compounded by their reliance on outdated systems and resistance to political engagement critically undermined their capacity to govern and mobilize support Despite the seeming advantages of Allied aid and a pool of experienced administrators the Whites internal divisions and lack of cohesive vision rendered their efforts increasingly ineffectual This study delves into the political administrative and ideological shortcomings of the White movement particularly in South Russia as it evolved from initial optimism to ultimate collapse By examining the policies social structures and leadership dynamics within the White territories the analysis reveals a pattern of disconnection between central authority and local implementation Through a comparative approach the book highlights how the Bolsheviks ability to align their actions with the aspirations of the masses starkly contrasted with the Whites entrenched elitism and detachment While military operations and Allied involvement feature as important elements the primary focus lies on the political dimensions and institutional weaknesses that defined the conflict and determined its outcome Ultimately the Whites defeat underscores the essential interplay of legitimacy force and political engagement in shaping the trajectory of civil wars This title is part of UC Press s Voices Revived program which commemorates University of California Press s mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1977 *The Russian Civil War* Brian Murphy, Felix Patrikeeff, 2000 A B Murphy uses translated documents from Russian archives to give fresh insight into the Russian civil war a struggle whose outcome defined much of the history of our time Areas covered include Soviet relations with the Don Cossacks the problems of securing supplies for the Red Army the issue of disloyalty of the two successful cavalry commanders Colonel Mironov and Sergeant Budyonny as well as a selection of documents from White sources **Historical Dictionary of the Russian Civil Wars, 1916-1926** Jonathan D. Smele, 2015-11-19 This book is a detailed reference of the twentieth century struggles that were waged across and beyond the decaying Russian Empire at the end of the First World War as tsarism and

democratic alternatives to it collapsed and the world's first Communist state the Union of Soviet Socialist Republics was born. At the same time it is a necessary corrective to studies that have viewed events of the time as a unitary Russian Civil War that sprang from the Russian Revolution of 1917. Instead it contributes to the ongoing process of integrating the civil wars into a continuum of crises that wracked the Russian Empire and its would-be successor states across a prolonged period. The *Historical Dictionary of the Russian Civil Wars 1916-1926* covers the history of this period through a chronology, an introductory essay, appendixes, and an extensive bibliography. The dictionary section has almost 2,000 cross-referenced entries on individuals, political and governmental institutions, political parties, military formations, and concepts, as well as religion, art, film, propaganda, uniforms, and weaponry. This book is an excellent access point for students, researchers, and anyone wanting to know more about the Russian Civil War.

Memory Politics and the Russian Civil War Marlene Laruelle, Margarita Karnysheva, 2020-11-12. In examining the re-emergence of Russia's White Movement, *Memory Politics and the Russian Civil War* gets to the heart of the rich 20th-century memory debates going on in Putin's Russia today. The Kremlin has been giving preference to a Soviet-lite nostalgia that denounces the 1917 Bolshevik revolution but celebrates the birth of a powerful Soviet Union able to bring the country to the forefront of the international scene after the victory in World War II. Yet in parallel, another historical narrative has gradually consolidated on the Russian public scene: one that favours the opposite camp, namely the White movement and the pro-tsarist groups defeated in the early 1920s. This book offers the first comprehensive exploration of this White Revenge, looking at the different actors who promote a White and pro-Romanov rehabilitation agenda in the political, ideological, and cultural arenas, and what this historical agenda might mean for Russia both today and tomorrow.

Getting the books **Russias Civil War** now is not type of challenging means. You could not unaided going similar to ebook addition or library or borrowing from your associates to entrance them. This is an no question easy means to specifically get guide by on-line. This online statement Russias Civil War can be one of the options to accompany you later than having other time.

It will not waste your time. admit me, the e-book will extremely tell you additional business to read. Just invest tiny times to admission this on-line statement **Russias Civil War** as without difficulty as review them wherever you are now.

Russias Civil War Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In todays fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Russias Civil War PDF books and manuals is the internets largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to

become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Russias Civil War PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Russias Civil War free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Russias Civil War Books

1. Where can I buy Russias Civil War books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Russias Civil War book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Russias Civil War books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing,

and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.

7. What are Russias Civil War audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
