

RUSSIA'S RULERS UNDER THE OLD REGIME

Dominic Lieven

Russias Rulers Under The Old Regime

Simon Dixon

Russias Rulers Under The Old Regime:

Russia's Rulers Under the Old Regime D. C. B. Lieven, 1989 *Russia's Rulers Under the Old Regime* Dominic Lieven, 1991-02-06 Who were the members of the Russian ruling elite during the reign of the last Tsar before the Revolution How did high level politics operate in Imperial Russia s last years In this highly original book Dominic Lieven probes deeply into the lives of the 215 men appointed by Nicholas II to the State Council which contained all important members of the Russian governmental system of that era Basing his research on previously untouched Soviet archival sources Dominic Lieven describes the social ethnic educational and career backgrounds of these men and he explores how their mentalities were shaped what their political views were and how their attitudes and opinions were influenced by their differing backgrounds and careers Lieven looks not only forward to the causes of the collapse of the old regime but in his introductory chapter backward as well tracing the history of the Russian ruling elite from its earliest origins and making comparisons with the ruling elite of other societies His conclusions about the resilience of the old aristocratic Russian families and the operation of their self protective career advancing network are striking and original Lieven s book serves many purposes It tells us a great deal about the balance of power between the bureaucrats and their monarchs it brings to life the members of the last ruling elite and it reveals interesting information about the role and personality of the Emperor Nicholas II By making regular comparisons with aristocratic elites elsewhere it sets the Russian experience in a broader European context And by looking at Russia s problems through the eyes of its ruling aristocracy it enables us to understand a good deal that is otherwise incomprehensible about the coming of the Russian Revolution **Russia's Rulers Under the Old Regime** D. C. B. Lieven, 1989 Karl W. Ryavec, 2005 This unique study provides an original nitty gritty view of the true nature and operation of Russia s state bureaucracy from the imperial period to the present including the Putin presidency The only book length exploration of the problems and deficiencies of Russian bureaucracy since tsarist times this detailed work sheds important new light on Russian public administration an often overlooked but key barrier to Russian normalization and democratization **Russia in the Age of Reaction and Reform 1801-1881** David Saunders, 2014-07-30 This eagerly awaited study of Russia under Alexander I Nicholas I and Alexander II the Russia of War and Peace and Anna Karenina brings the series near to completion David Saunders examines Russia s failure to adapt to the era of reform and democracy ushered into the rest of Europe by the French Revolution Why despite so much effort did it fail This is a superb book both as a portrait of an age and as a piece of sustained historical analysis **Revolutions and the Collapse of Monarchy** Zhand Shakibi, 2007-02-23 What causes revolution What brought about the end of the last major monarchies of the modern period Were Louis XVI Nicholas II and Mohammad Reza Pahlavi the unwitting victims of historical circumstance or did their own actions help to bring about the revolutions that overthrew them This powerful and original book is the first comparative study of the revolutions in Bourbon France Romanov Russia and Pahlavi Iran Zhand Shakibi analyses fully the timing and causes of

these three revolutions and reveals the important similarities between them. **Revolutions and the Collapse of Monarchy** argues provocatively that it is often the monarch's own personality that provides the vital spark which produces revolution. This ambitious and important book challenges the Marxist interpretation of history and adds a compelling new perspective to theories of revolution.

The History of Russia from 1801 to the Present Rosina Beckman, 2018-07-15 In the slightly more than two centuries since the dawn of the nineteenth century Russia has undergone sweeping changes several times over. Readers will learn about the tension between reform and autocracy that marked the nineteenth century, World War I and the fall of the last tsar and the rise of the USSR. They will examine the USSR's time as a twentieth century superpower, the fall of communism and Russia's current power plays for global influence. Sidebars provide extra information while historical photographs let readers see the figures and events that shaped Russian history with their own eyes.

Russia's Great Reforms, 1855-1881 Ben Eklof, John Bushnell, Larissa Zakharova, 1994-06-22 The Great Reforms undertaken during the reign of Alexander II represented a unique attempt by the tsarist government to restructure virtually every aspect of Russian life beginning with the emancipation of the serfs and continuing through reforms of local government, the judiciary, the military, education, the financial system, censorship and other domains. This volume is the work of an international group of scholars that includes historians from Russia, maps out the major landmarks in the conceptualization and implementation of the Great Reforms during the reign of Alexander II and proposes a variety of perspectives from which to view them. From publisher's description.

Rediscovering Russia in Asia Stephen Kotkin, David Wolff, 2015-03-04 This work presents a trans-Siberian expedition to rediscover the peoples, cultures and riches of Russia's eastern frontiers. It addresses such questions as who are the people of the region, have they a distinct culture and does the area have a future as part of the Pacific Rim.

The Modernisation of Russia, 1676-1825 Simon Dixon, 1999-07-29 This is the first book to place Russia's long eighteenth century squarely in its European context. The conceptual framework is set out in an opening critique of modernisation which while rejecting its linear implications maintains its focus on the relationship between government, economy and society. Following a chronological introduction, a series of thematic chapters covering topics such as finance and taxation, society, government and politics, culture, ideology and economy emphasise the ways in which Russia's international ambitions as an emerging great power provoked administrative and fiscal reforms with wide-ranging and often unanticipated social consequences. This thematic analysis allows Simon Dixon to demonstrate that the more the tsars tried to modernise their state, the more backward their empire became. A chronology and critical bibliography are also provided to allow students to discover more about this colourful period of Russian history.

Imperial Rivals Sarah C.M. Paine, 2023-05-31 Based on archival research, this is a history of the Russo-Chinese border which examines Russia's expansion into the Asian heartland during the decades of Chinese decline and the 20th century paradox of Russia's inability to sustain political and economic sway over its domains.

The End of Tsarist Russia Dominic Lieven, 2016-08-16 An Economist Best Book of the Year, A Financial Times Best Book

of the Year Winner of the the Pushkin House Russian Book Prize Finalist for the Lionel Gelber Prize An Amazon Best Book of the Month History One of the world s leading scholars offers a fresh interpretation of the linked origins of World War I and the Russian Revolution Lieven has a double gift first for harvesting details to convey the essence of an era and second for finding new startling and clarifying elements in familiar stories This is history with a heartbeat and it could not be more engrossing Foreign Affairs World War I and the Russian Revolution together shaped the twentieth century in profound ways In *The End of Tsarist Russia* acclaimed scholar Dominic Lieven connects for the first time the two events providing both a history of the First World War s origins from a Russian perspective and an international history of why the revolution happened Based on exhaustive work in seven Russian archives as well as many non Russian sources Dominic Lieven s work is about far more than just Russia By placing the crisis of empire at its core Lieven links World War I to the sweep of twentieth century global history He shows how contemporary hot issues such as the struggle for Ukraine were already crucial elements in the run up to 1914 By incorporating into his book new approaches and comparisons Lieven tells the story of war and revolution in a way that is truly original and thought provoking

The Cambridge History of Russia: Volume 2, Imperial Russia, 1689-1917 Maureen Perrie, D. C. B. Lieven, Ronald Grigor Suny, 2006-08-17 A definitive new history of Russia from early Rus to the collapse of the Soviet Union

The Radical Right in Late Imperial Russia George Gilbert, 2015-11-19 The revolutionary movements in late tsarist Russia inspired a reaction by groups on the right Although these groups were ostensibly defending the status quo they were in fact as this book argues very radical in many ways This book discusses these radical rightist groups showing how they developed considerable popular appeal across the whole Russian Empire securing support from a wide cross section of society The book considers the nature and organisation of the groups their ideologies and policies on particular issues and how they changed over time The book concludes by examining how and why the groups lost momentum and support in the years immediately before the First World War and briefly explores how far present day rightist groups in Russia are connected to this earlier movement

Russia in War and Revolution Gary M. Hamburg, 2021-03-01 Fyodor Sergeyevich Olferieff 1885 1971 led a remarkable life in the shadows of history This book presents his memoirs for the first time translated and annotated by his granddaughter Tanya A Cameron Born into a noble family Olferieff was a Russian career military officer who observed firsthand key events of the early twentieth century including the 1905 7 revolution the Great War the collapse of the imperial state and the civil wars in Ukraine and Crimea Olferieff wrestles with moral and political questions wondering whether his own advantages could be justified and whether if born a peasant he might have thrown himself into the revolution As Gary Hamburg writes in an illuminating companion essay Olferieff wrote to understand himself and to record his broken life for posterity as a privileged observer of a bloody historically pivotal era

Count Sergei Witte and the Twilight of Imperial Russia Sidney Harcave, 2015-04-08 Sergei Witte served as finance minister and later prime minister of Russia during the reigns of

Alexander III and Nicholas II and was in large part responsible for the development policies which saw Russia transformed from a peasant economy into an industrial nation This is the first biography of Witte in English *Russia and the Eastern Question* Alexander Bitis,2006-11-30 This is the only research monograph in English to discuss the military and diplomatic policies of Russia as it struggled with the Ottoman Empire for influence in the Balkans and the Caucasus Subjects examined include the 1828 1829 Russo Turkish War Russia s relations with Balkan nationalities and the role of Russian public opinion

The Rise and Fall of Modern Empires, Volume III Sarah Stockwell,2017-03-02 Few aspects of the history of modern empires are of such significance as their economics and politics These factors are inextricably linked in many analyses have generated extensive historiographical debate and are currently the subject of some of the freshest and liveliest scholarship The articles and chapters which are brought together in this volume relate not only to the European colonial empires but also to the Napoleonic Russian and Japanese empires The collection is strongly comparative in approach with the articles arranged into thematic sections on the place of politics and economics in the rise and fall of modern empires the causal relationship between modern empires and colonial global and metropolitan economic transformations and the technologies of rule which provided the frameworks through which colonial economies were managed and rights defined The collection reflects new approaches as well as the continuing importance of issues addressed in an older historiography and the thematic arrangement produces useful juxtapositions of older and newer literatures The substantial introduction explores the themes and identifies key historiographical trends in relation to each Stalin Stephen Kotkin,2015-10-13 In his biography of Stalin Kotkin rejects the inherited wisdom about Stalin s psychological makeup showing us instead how Stalin s near paranoia was fundamentally political and closely tracks the Bolshevik revolution s structural paranoia the predicament of a Communist regime in an overwhelmingly capitalist world surrounded and penetrated by enemies At the same time Kotkin posits the impossibility of understanding Stalin s momentous decisions outside of the context of the history of imperial Russia

Russia and Islam G. Yemelianova,2002-05-10 The end of communism has revived the historical debate about Russia s relations with both the West and the East Some commentators viewed the Russian Chechen war as a clash of civilizations which would shape the future relationships between the new Russia and its Muslim periphery and perhaps lead to its disintegration But the reality has challenged this scenario This book surveys the public and private relations between Russia and Islam and concludes these are more complex than is usually recognized

Russias Rulers Under The Old Regime Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In todays fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Russias Rulers Under The Old Regime PDF books and manuals is the internets largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Russias Rulers Under The Old Regime PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal

boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Russias Rulers Under The Old Regime free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.
