[Holy Available](#) Gary Thomas, 2009-08-30 True Christian faith is a profoundly transformational experience in which every part of our being is marked by God's change and energized by his presence. This transformation takes us far beyond mere sin avoidance to a robust full-bodied holiness in which we make ourselves holy available to God every minute of the day. From Starbucks to the office to the soccer fields to the boardroom, believers have the opportunity to carry the presence of Christ wherever they go. God offers the reader more than mere forgiveness; he wants to radically change and fill them with his presence so they can experience an entirely different kind of life based not just on what they do or don't do but on who they are. Yet while many Christians today profess belief, their Christianity has no pulse. *Holy Available* is a manifesto of fully alive faith. Gary Thomas issues a compelling call for readers to see with Christ's eyes, feel with Christ's heart, and serve with Christ's hands. We make ourselves available to become God oases, places of spiritual refuge where God can bring the hurting and lost to enjoy his presence and ministry.

With in-depth research, heartfelt personal experience, and expert advice, Bergren shows women that keeping their six key relationships vital may take work, but it's well worth the effort. Whether she has just brought a new baby home or is still trying to find her footing raising young children, every mom can benefit from the wisdom found in this book.
