 Lawrence,1995-12-18 In this second volume of Strong on Music Vera Brodsky Lawrence carries into the 1850s her landmark
 account of the nineteenth century New York music scene Using music entries from George Templeton Strong s famous
 journals most published here for the first time as a point of departure Lawrence provides a vivid portrait of a vibrant musical
 culture Each chapter presents one year in the musical life of New York City with Lawrence s extensive commentary enriched
 both by excerpts from Strong s diaries and a lavish selection of little known music criticism and comment from the period
 The reviews written by an often truculent sometimes venal tribe of music journalists cover the entire world of music from
 opera to barrel organ salon to saloon In this New York operas performed by renowned artists are parodied by blackface
 minstrels performances of the Philharmonic Society are drowned by the raucous chatter of flirtatious adolescents who turn

concerts into a noisy singles hangout and irate critics trash the first performances of Verdi operas calling the plots indecent and the scores noisy and unmelodic In this volatile atmosphere a native musical culture is born its whose first faltering efforts are dubiously received and the first American composers begin to emerge **Promised Land** Peter
