Department of Bibliography,1978-11 **Torus Universe** Cristian Knopke,2019-04-27 The tradition of Vedic chanting was included by UNESCO in 2003 in the collection of Masterpieces of the Oral and Intangible Heritage of Humanity and in 2008 in the Representative List of the Intangible Cultural Heritage of Humanity The word Vedas is Sanskrit Indo Aryan and means knowledge not belief The Vedas do not constitute religion in the sense of a pious faith without knowledge but a science of captivating logic and wholeness In this essay I want to show that it obviously even can fulfill the expectations on a Theory of Everything TOE However Vedic science itself does not claim to include a theory but the absolute definitive and unchangeable truth This was also not the result of human considerations but has been handed over to humans by Brahma Creator of the Universe Here it should be particularly emphasized that the Vedas contain the same scientific knowledge as the pyramid cultures Since then this knowledge has been transmitted orally by Brahmins in which each Brahmin family was entrusted only a portion of the whole and this was passed down in verse and song from generation to generation It was not until the first millennium BC that the written deposition of the Vedas began producing a picture containing enough fragments to recognize it as a metaphysical concept but not enough to understand its full scientific meaning I have reconstructed the missing fragments during my study of the Vedas and the enthusiasm that overwhelmed me when I recognized the dimension that opened up to me with the salvage of this treasure can hardly be expressed by words Let me put it this way if the world view that reveals her proves to be true then we are probably at the dawn of a new technological age and before a quantum leap in our consciousness Pursuant to that matter evolves from electromagnetic patterns toroidal multipole patterns that are brought into resonance with each other via the poloidal and toroidal field of the universe and thus to materialization However the proof that this is really the case can only be provided by scientists This essay reveals in a manageable way with a multitude of illustrations and without a single mathematical formula so that really everyone can understand it in which way the universe works according to the Vedic TOE *Know The Vedas At A Glance*
