Highland Storytellers Teresa MacIsaac, 2015-10-15

HIGHLAND STORYTELLERS is a work of creative nonfiction. The narrative finds its basis in the tragic story of the exodus of the Highland Scots from their homeland in the early 1800s and in their noble efforts to create a better life for themselves and their families in Nova Scotia. In this tale Lewis and Margaret MacDonald and their little daughter Mairi confront their fear of what is happening to their homeland, their anguish about leaving, and their uncertainty about what lies ahead, the hardships of their trip across the Atlantic, and the challenge of settling in Nova Scotia. We watch as Mairi grows up in the new settlement and follow the journey of her children and grandchildren voicing their varying aspirations for a better life in a changing world and struggling to achieve them. This fascinating narrative portrays the power and drama of the experiences of the Highland settlers, their worst setbacks, and highest attainments. The characters are authentic, and this deeply moving story of their hopes and dreams, joys and sorrows, captures the soul of the Highland Scot.

Andrew David Irvine, 2021-03-24. For over three quarters of a century, the Governor General's Literary Awards have been awarded annually in a variety of evolving categories. Fifteen Governors General have served as their patron. The impressive list continues to grow apace: between 1936 and 2018, the awards recognized 719 books in English and French and have been presented to 580 authors, illustrators, and translators. This beautifully illustrated bilingual compendium presents the biographies of all 580 award laureates, many accompanied by stunning archival portraits. This is the final instalment in Andrew Irvine's remarkable and comprehensive research into what has become a touchstone of Canada's literary culture. Together with *Canada's Best* and *The Governor General's Literary Awards of Canada: A Bibliography*, this work provides readers with a definitive overview of this literary prize. By itself, *Canada's Storytellers* is an invaluable reading companion for anyone wanting to be introduced to many of our most influential authors, illustrators, and translators working in both French and English over the past decades. It belongs on the shelf of every enthusiast of Canadian literature. Bilingual edition.

Stories About Storytellers Douglas Gibson, 2011-10-01. The legendary Canadian book editor presents this remarkable four-decade romp through the back rooms of publishing. Toronto Sun Scottish-born Douglas Gibson was drawn to Canada by the writing of Stephen Leacock and eventually made his way across the Atlantic to find a job in book publishing, where he edited a biography of none other than Leacock. But over the decades, his stellar career would lead him to work with many more of the country's leading literary lights. This memoir shares stories of working and playing alongside writers including Robertson Davies, Mavis Gallant, Brian Mulroney, Val Ross, W. O. Mitchell, and many more. Gibson reveals the projects he brainstormed for Barry Broadfoot, how he convinced future Nobel Prize winner Alice Munro to keep writing short stories.

Insightful and entertaining, this collection of tales goes behind the scenes and between the covers to divulge a treasure trove of literary adventures. He makes his life in publishing sound like great fun. *The Globe and Mail* Toronto **Tales Until Dawn** Joe Neil MacNeil, 1987 Joe Neil MacNeil holds in his memory a wealth of Gaelic folktales learned in his youth in Cape Breton. Hornsby,1992-03-24 During the North American colonial period the expansion of European capital and labour into North America created two broad patterns of regional development agricultural settlement and the exploitation of raw materials or staples Hornsby examines the development of nineteenth century Cape Breton in light of these patterns focusing on the impact of Scottish immigration on the island s settlement and agricultural development and on the role of mercantile and industrial capital in developing Cape Breton s two great staple industries cod fishing and coal mining Hornsby also outlines the reasons for the massive exodus from Cape Breton during the late nineteenth century The intersection of these two patterns of development gave rise to a distinctive regional geography Over the course of a hundred years a complex mosaic of different settlements economies and cultures emerged on the island While the details and circumstances of these developments were unique to the island elements of the Cape Breton experience were found in other

areas of Maritime Canada Viewed more generally Hornsby suggests that the historical geography of this small peripheral island offers a simple somewhat stark encapsulation of some of the salient developments in the rest of settled Canada during the nineteenth century
