Scotland And The Low Countries 11241994

Michael Lynch

Scotland And The Low Countries 11241994:

Scotland and the Low Countries 1124-1994 Grant G. Simpson, 2021-11-01 This collection of essays presents historical approaches to the links which have existed for over 800 years between Scotland and one of the areas of continental Europe closest to her the Low Countries Topics include Flemish settlers in twelfth century Scotland the Count of Holland who claimed the Scottish throne in 1291 the Flemish aspect of the Auld Alliance with France the view of Scotland taken by a Netherlands born chronicler Jean Froissart Scotland's late medieval involvement in diplomacy with Guelders and in wool exports to the Netherlands the contacts of Scottish patrons with Netherlandish painters in the 15th and 16th centuries Scots pursuing military careers and studies in the arts and law in the Low Countries in early modern times parallels between Belgian Art Nouveau painting and the work of some Glasgow artists around 1900 comparisons between Scotland and the Low Countries in the 20th century in the realms of social housing and oil exploration These varied studies add detailed background to the subject of Scotland within Europe a question now much debated This volume is the third in the Mackie Monographs series based on the Mackie Symposia held in the University of Aberdeen which have as their theme the historical study of Scotland's overseas contacts Scots in the Polish-Lithuanian Commonwealth, 16th to 18th Centuries

Peter Paul Bajer, 2012-03-02 This book offers an examination of Scottish migration to the Polish Lithuanian Commonwealth numbers of migrants patterns of settlement laws regulating their presence their activities their social advancement into the Polish nobility their assimilation and then the eventual disappearance as a distinct ethnic group in Poland Lithuania

History of Universities Mordechai Feingold, Alexander Broadie, 2017-02-09 Volume XXIX 2 of History of Universities contains the customary mix of learned articles and book reviews which makes this publication such an indispensable tool for the historian of higher education This special issue guest edited by Alexander Broadie particularly focuses on Seventeenth Century Scottish Philosophers and their Philosophy The volume is as always a lively combination of original research and invaluable reference material *Global Migrations* McCarthy Angela McCarthy, 2016-05-31 From the seventeenth century to the current day more than 2.5 million Scots have sought new lives elsewhere This book of essays from established and emerging scholars examines the impact since 1600 of out migration from Scotland on the homeland the migrants and the destinations in which they settled and their descendants and affinity Scots It does so through a focus on the under researched themes of slavery cross cultural encounters economics war tourism and the modern diaspora since 1945 It spans diverse destinations including Europe the USA Canada New Zealand Australia South Africa Ceylon now Sri Lanka Hong Kong Guyana and the British World more broadly A key objective is to consider whether the Scottish factor mattered Scottish Soldiers in France in the Reign of the Sun King Matthew Glozier, 2004-05-01 This volume examines the role and significance of Scottish soldiers in France in the age of the Sun King Louis XIV The study examines the complex relationship of expatriate Scottish soldiers to their homeland and native sovereign within the context of a changing environment for military

employment The amity of the so called auld alliance meant little in an age of rapid development in the relationship between armies and the states they served Caught in the middle were a number of Scots attempting to perpetuate traditional modes of employment abroad They found themselves the target of increasing pressures to commit wholeheartedly to one employer or another The book surveys the history of Scottish soldiers service on the continent generally and in France in particular by examining the specific conditions of military service there in the Sun King s reign with a special focus on the soldiers of the regiment of George Douglas Earl of Dumbarton

Warrior dreams David Hesse,2014-11-01 Why does a Parisian banker re-enact the medieval wars of Wallace and Bruce in his spare time Why do more than 20 000 people attend the Schotse Weekend bagpipe competition in Bilzen Flanders Why does an entire village in the Italian Alps celebrate a lost Scottish regiment And why is there a Highland Games circuit of at least 30 kilted strength competitions in Austria with dedicated athletes tossing hay balls and pulling tractors This is the first study of the self-professed Scots of Europe It follows the many thousands of Europeans who are determined to discover their inner Scotsman and argues that by imitating the Scots of popular imagination the self-styled European Highlanders hope to reconnect with their own ancestors their lost songs traditions and tribes They approach Scotland as a site of European memory This book explores issues of performance and celebration memory and nostalgia heritage and identity and will be of interest to specialists on Scottish emigration and diaspora Scottish history and myth and to the Scots of Europe themselves

Monarchy, the Court, and the Provincial Elite in Early Modern Europe Peter Edwards,2024-02-26 A team of experts view the relationship between rulers and their leading subjects across Europe and further afield If God-derived authority legitimized a monarch s rule it did not necessarily prevent opposition to perceived arbitrary government as subjects put forward the counter-concept of consensual rule The provincial elite might serve the ruler as advisors and officers at court but they also possessed an independent source of power based on their extensive estates While monarchs wanted to perpetuate a system in which they could watch over members of the regional elite at court and keep them busy they sought to make use of them as local and provincial administrators that is as long as they remained loyal a fraught balancing act Contributors include Hlder Carvalhal Peter Edwards Jemma Field Cailean Gallagher Pedro Jos Herades Ruiz Graeme S Millen Vita Mala inskien Tibor Monostori Steve Murdoch David Potter Peter R Roberts Irene Maria Vicente Martin and Matthias Wong

Alexander Leslie and the Scottish Generals of the Thirty Years' War, 1618-1648 Alexia Grosjean,Steve Murdoch,2015-10-06 Field Marshal Alexander Leslie was the highest ranking commander from the British Isles to serve in the Thirty Years War Though Leslie s life provides the thread that runs through this work the authors use his story to explore the impacts of the Thirty Years War the British Civil Wars and the age of Military Revolution

British and Irish Emigrants and Exiles in Europe David Worthington,2010-01-01 This book comprises the first full-length comparison of Scottish Irish English and Welsh migration within Europe in the early modern period The contributions demonstrate the fruitfulness of pursuing a comparative approach to seventeenth century British and

Irish history *Bridging the Early Modern Atlantic World* Caroline A. Williams, 2016-04-15 Bridging the Early Modern Atlantic World brings together ten original essays by an international group of scholars exploring the complex outcomes of the intermingling of people circulation of goods exchange of information and exposure to new ideas that are the hallmark of the early modern Atlantic Spanning the period from the earliest French crossings to Newfoundland at the beginning of the sixteenth century to the end of the wars of independence in Spanish South America c 1830 and encompassing a range of disciplinary approaches the contributors direct particular attention to regions communities and groups whose activities in and responses to an ever more closely bound Atlantic world remain relatively under represented in the literature Some of the chapters focus on the experience of Europeans including French consumers of Newfoundland cod English merchants forming families in Spanish Seville and Jewish refugees from Dutch Brazil making the Caribbean island of Nevis their home Others focus on the ways in which the populations with whom Europeans came into contact enslaved or among whom they settled the Tupi peoples of Brazil the Kriston women of the west African port of Cacheu among others adapted to and were changed by their interactions with previously unknown peoples goods institutions and ideas Together with the substantial Introduction by the editor which reviews the significance of the field as a whole these essays capture the complexity and variety of experience of the countless men and women who came into contact during the period whilst highlighting and illustrating the porous and fluid nature in practice of the early modern Atlantic world **King's College Chapel, Aberdeen, 1500-2000**

Jane Geddes, 2020-10-28 This new edition is a revised and expanded version of the book produced in 2000 to celebrate the quincentenary of King s College Chapel Aberdeen Since then exciting discoveries have taken place and old ideas have been reappraised The choir stalls and woodwork have provided a fresh seam of information about the meaning and use of the medieval chapel Daniel MacCannell has identified new iconography in the stalls Jane Geddes prompted by the installation of the new organ has investigated the original function and appearance of the great pulpitum or screen between the choir and nave and discovered the location of a magnificent lost organ loft Mary Pryor and John Morrison have examined the great baroque biblical paintings and come up with a totally new interpretation of their iconography and function a political warning to King Charles II Easter Smart the university chaplain describes the flexible and ecumenical use of the chapel today The revised edition appears in time to honour the quincentenary of the death of Bishop William Elphinstone the founder of Aberdeen University who died in 1514 This book aims to integrate his legacy to the chapel the liturgy music architecture and fittings Thanks to an unusually tolerant and conservative attitude towards religion at the university following the Reformation the chapel has survived in a more complete medieval state than any other church in Scotland The rich archive of university documents show how benign neglect and a fierce pride in their iconic building caused the university to maintain the structure and its furnishings even during the long centuries when it ceased to serve a religious function **Scots in Habsburg Service** D. C. Worthington, 2004 This book offers an original approach to the study of the Scottish diaspora in

Europe It highlights the activities of a group of emigrants and exiles who served the twin headed Habsburg dynasty during the first half of the seventeenth century Conflict and Soldiers' Literature in Early Modern Europe Paul

Scannell,2014-12-18 In Conflict and Soldiers' Literature in Early Modern Europe Paul Scannell analyses the late 16th century and early 17th century literature of warfare through the published works of English Welsh and Scottish soldiers The book explores the dramatic increase in printed material on many aspects of warfare the diversity of authors the adaptation of existing writing traditions and the growing public interest in military affairs There is an extensive discussion on the categorisation of soldiers which argues that soldiers works are under used evidence of the developing professionalism among military leaders at various levels Through analysis of autobiographical material the thought process behind an individual s engagement with an army is investigated shedding light on the relevance of significant personal factors such as religious belief and the concept of loyalty The narratives of soldiers reveal the finer details of their experience an enquiry that greatly assists in understanding the formidable difficulties that were faced by individuals charged with both administering an army and confronting an enemy This book provides a reassessment of early modern warfare by viewing it from the perspective of those who experienced it directly Paul Scannell highlights how various types of soldier viewed their commitment to war while also considering the impact of published early modern material on domestic military capability the art of war **Plantation**

and Civility in the North Atlantic World Aonghas MacCoinnich,2015-09-17 The settlement of the Hebrides is usually considered in terms of the state formation agenda Yet the area was subject to successive attempts at plantation largely overlooked in historical narrative Aonghas MacCoinnich s study Plantation and Civility explores these plantations against the background of a Lowland Highland cultural divide and competition over resources The Macleod of Lewis clan uncivil Gaelic Highlanders were dispossessed by the Lowland civil Fife Adventurers 1598 1609 Despite the collapse of this Lowland Plantation however the recourse to the Mackenzie clan often thought a failure of policy was instead a pragmatic response to an intractable problem The Mackenzies also pursued the civility agenda treating with Dutch partners and fending off their English rivals in order to develop their plantation Network North Steve Murdoch,2006 Discussing a series of economic

confessional political and espionage networks this volume provides an illuminating study of network history in Northern Europe in the early modern period The empirically researched chapters advance existing social network theory into accessible historical discussion The Oxford Handbook of Modern Scottish History T. M. Devine,Jenny

Wormald,2012-01-26 Over the last three decades major advances in research and scholarship have transformed understanding of the Scottish past In this landmark study some of the most eminent writers on the subject together with emerging new talents have combined to produce a large scale volume which reconsiders in fresh and illuminating ways the classic themes of the nation s history since the sixteenth century as well as a number of new topics which are only now receiving detailed attention Such major themes as the Reformation the Union of 1707 the Scottish Enlightenment clearances

industrialisation empire emigration and the Great War are approached from novel and fascinating perspectives but so too are such issues as the Scottish environment myth family criminality the literary tradition and Scotland's contemporary history All chapters contain expert syntheses of current knowledge but their authors also stand back and reflect critically on the questions which still remain unanswered the issues which generate dispute and controversy and sketch out where appropriate the agenda for future research The Handbook also places the Scottish experience firmly into an international historical perspective with a considerable focus on the age old emigration of the Scottish people the impact of successive waves of immigrants to Scotland and the nation's key role within the British Empire The overall result is a vibrant and stimulating review of modern Scottish history essential reading for students and scholars alike [The Oxford Companion to Scottish History](#) Michael Lynch, 2007 Searchable online reference covers more than 20 centuries of history and interprets history broadly covering areas such as archaeology climate culture languages immigration migration and emigration Multi-authored entries analyze key themes such as national identity women and society living standards and religious belief across the centuries in an authoritative yet approachable way The A-Z entries are complemented by maps genealogies a glossary a chronology and an extensive guide to further reading From title screen **Law, Lawyers, and Humanism** John W Cairns, 2015-07-27 This collection brings together a selection of the most cited articles published by Professor John W Cairns Essays range from Scots Law from 16th and 17th century Scotland through to the 18th century influence of Dutch Humanism into the 19th century a **European War and Diplomacy, 1337-1815** William Young, 2003-10 The history of international relations and warfare of early modern Europe has gained popularity in recent years This bibliography provides a valuable listing of books dissertations and journal articles in the English language for scholars and general readers interested in diplomatic relations and warfare from the Hundred Years War to the Napoleonic Wars **David II** Michael Penman, 2005-02-22 David II 1329-1371 son of the hero King of Scots Robert Bruce 1306-1329 has suffered a harsh historical press condemned as a disastrous general a womaniser and a sympathiser with Scotland's auld enemy England Bringing together evidence from Scotland England and France Michael Penman offers a different view that of a child king who survived usurpation English invasion exile and eleven years of English captivity after defeat in battle in 1326 to emerge as a formidable ruler of Scotland Learning from Philip VI of France and Edward III of England in turn David became the charismatic patron of a vibrant court focused on the arts of chivalry had he lived longer Scotland's political landscape and national outlook might have been very different to that which emerged under his successors the Stewart kings But David's was also a reign of internal tensions fuelled by his increasingly desperate efforts to determine the royal succession overawe great magnates like his heir presumptive Robert the Steward and persuade his subjects of the need for closer relations with England after sixty years of war

When people should go to the ebook stores, search establishment by shop, shelf by shelf, it is in reality problematic. This is why we provide the books compilations in this website. It will extremely ease you to look guide **Scotland And The Low Countries 11241994** as you such as.
