Scotland's Castles Janet Brennan-Inglis,2014-07-07 Scotland s Castles is a beautifully illustrated celebration and account of the renaissance of Scottish castles that has taken place since 1950 Over 100 ruined and derelict buildings from tiny towers to rambling baronial mansions have been restored as homes hotels and holiday lets These restorations have mainly been carried out by new owners without any connections to the land or the family history of the buildings which they bought as ruins Their struggles and triumphs including interviews and first person accounts form the core of the book set in the context of the enormous social political and economic changes of the late twentieth century Scottish Building Standards in Brief Ray Tricker,Rozz Algar,2010-05-04 Scottish Building Standards in Brief takes the highly successful formula of Ray Tricker s Building Regulations in Brief and applies it to the requirements of the Building Scotland Regulations 2004 With the same no

nonsense and simple to follow guidance but written specifically for the Scottish Building Standards it s the ideal book for builders architects designers and DIY enthusiasts working in Scotland Ray Tricker and Roz Algar explain the meaning of the regulations their history current status requirements associated documentation and how local authorities view their importance and emphasises the benefits and requirements of each one There is no easier or clearer guide to help you to comply with the Scottish Building Standards in the simplest and most cost effective manner possible **History of Scottish**

Architecture Miles Glendinning,2019-07-30 At last here is a single volume authoritative history of Scottish architecture This compact yet comprehensive account combines factual description of the vast and fertile range of visual forms and key architects in each period with a wide ranging analysis of their social ideological and historical context As Scotland has often been closely involved with new trends in western architecture this book highlights the interaction of Scottish developments with broader European and international movements From the beginnings of the Renaissance in the 15th century right up to the 1990s this much needed survey covers the entire post medieval story in one volume *Scotland's Best Churches* John R

Hume,2019-07-31 In this book a hundred and eighty four churches still used for worship are illustrated with line drawings and photographs with pithy texts drawing out where they fit into the fabric of Scotland and into nearly a thousand years of church construction Conservation of Historic Buildings and Their Contents David Watt,Belinda Colston,2016-01-08 The conference entitled Where Conservation Meets Conservation held at De Montfort University Leicester on 9 September 2002 provided the opportunity to explore the interface between historic buildings and their contents by recognizing the interrelationships between architectural and object conservation Within this consideration was given to the role of conservation science and technology in achieving appropriate and sustainable solutions The emphasis of the conference was on raising awareness at a practical interdisciplinary level and providing a platform for sharing knowledge and experience
