Scottish Art Since 19:

Demarco's Edinburgh Richard Demarco, Roddy Martine, 2023-08-04 The Edinburgh Festival of those days was a much more accessible village The ground rules were well enough understood Everything about it was containable The Fringe was the seed bed for talent and ran happily in step with its established elders and betters They both knew their place But then something equally remarkable was about to take place in the New Town of the city I knew and loved The same year Roddy Martine is born In 1963 when at the age of sixteen he interviewed Sir Yehudi Menuhin and David Frost for an Edinburgh Festival magazine he edited and the following year met Marlene Dietrich Both Richard and Roddy have unique perspectives on the most remarkable international festival of the arts the world has ever known They have witnessed its evolution over the years and are passionate believers in the power of creativity within everyone In this fascinating book Richard the 2013 UK recipient of the Citizen of Europe medal explores the original world vision of Sir John Falconer and Rudolph Bing and with Roddy recalls the highs and lows of The Edinburgh International Festival The Fringe Art Book Jazz and Television Festivals and The Royal Edinburgh Military Tattoo Now in its eighth decade can the Edinburgh Festival survive Where do we go from here
