Favorite Recipes the Melting Pot Cuisine Uma Aggarwal,2016-11-10 America is called a melting pot of all cultures As the  
immigration of different cultures continue to flood this land of opportunity a revolution is taking place in the fusion of their  
cultures and cuisines This transformation has been very prominent in the last 50 years and it is clearly visible in the  
emerging American cuisine Practically this cuisine has fused to become a spectacular global cuisine In my book I am not only  
giving the recipes that we love so dearly but also tried to emphasize the history and origin of these recipes and describe the  
use of healthful ingredients and spices to prolong your life We have to watch what we eat I am trying to bring this point to  
the attention of the reader that according to ancient Indian treatises and modern scientific research it is established that the  
use of spices is not only for taste but it is for their hidden meaning They have anti carcinogenic properties and their use is  
very important to maintain a good healthy lifestyle Americans are heavily ridden with obesity heart diseases diabetes breast  
cancer and many other diseases Being an American East Indian pioneer with my east Indian wisdom of Ayurvedas my idea is  
to make these exotic recipes as healthy as possible by using these spices I have also tried to capture and write the history  
and origin of these recipes My basic point of view is that to make the food delicious use fresh ingredients herbs and spices  
and do not try to over load them with various cheeses creams sugars and lards to make them delicious You are what you eat  
Most of these foreign recipes have historical dimensions and origin They have now shaped themselves gradually to suit the  
American pallet and have become an integral part of American cuisine We can make them equally delicious by wisely using  
healthful ingredients In order to make these books interesting and enjoyable they are written with easy step by step

instructions I am hopeful that these books Americas Favorite Recipes Part I Part II and Part III will soon become your favorite coffee table books as well as your recipe books      Library of Congress Subject Headings Library of Congress,2012
