Scottish Identity A Christian Vision:

Scottish Identity William Storrar, 1990 The politics and culture of Scotland as a background to the Scottish Parliament

ThirdWay, 1997-04 Monthly current affairs magazine from a Christian perspective with a focus on politics society economics and culture

Evangelicalism and National Identity in Ulster, 1921-1998 Patrick Mitchel, 2003-10-30

Evangelical Protestantism in Ulster is the most influential and historically significant sector of Christianity in Northern Ireland This innovative and controversial book explores different Evangelical responses to the declining fate of Ulster Unionism during the period from Partition in 1921 to the 1998 Good Friday Agreement Focusing on how religious belief has interacted with national identity in a context of political conflict it eschews a reductionist or purely historical approach to interpreting religion Rather using a combination of historical and theological material Patrick Mitchel offers a critical assessment of how Evangelical identities in Ulster have embodied the religious beliefs and values to which they subscribe Evangelical Protestantism is often associated only with the Orange Order and with the controversial figure of Ian Paisley This book s fresh analysis of a spectrum of Evangelical opinion including the frequently overlooked moderate Evangelicals provides a more rounded picture that shows why and how Evangelical Christians in Ulster are deeply divided over politics national identity and the current Peace Process Patrick Mitchel concludes with a critical assessment of the political and theological challenges facing different Evangelical identities in the context of identity conflict in Northern Ireland This is an invaluable guide to understanding both the past and contemporary mindset of Ulster Protestantism

Fulfilling a Vision John Stevenson, 2012-03-02 Education has contributed enormously to the Scottish national character The emphasis has always been on making a good education available to all and on giving those with talent every opportunity of advancement At the beginning of the nineteenth century however it was clear that the provision of schooling was failing to meet the needs of an expanding population and the growth and diversification of the economy In 1824 the Church of Scotland began an ambitious program to tackle the problem In setting up new schools and the first teacher training colleges the Church saw itself as supplementing an existing system of national education for which it shared a statutory managerial responsibility This book offers an account of the struggles and achievements of the Church of Scotland over some fifty years as it sought to control and strengthen school education throughout the country In so doing it furthered the model of education for which Scotland became famous Readers interested in current debates about the curriculum and standards in school education the involvement of parents the place of religious education and the desirability or otherwise of faith schools will recognize their beginnings in these pages

Scotland in Theory, 2021-11-01 Scotland in Theory offers new ways of reading Scottish texts and culture within the context of an altered political framework and a changing sense of national identity With the re establishment of a Parliament in Edinburgh issues of nationality and nationalism can be looked at afresh It is timely now to revisit representations of Scottish culture in cinematography and literature and also to examine aspects of gender sexuality

and ideology that have shaped how Scots have come to understand themselves Established and younger critics use a variety of theoretical approaches here to catch an authentic sense of a post modern Scotland in the process of change Literature and the arts provide radical ways of knowing what Scotland in theory could become The collection will be of interest to teachers and students of Scottish and English literature literary theory cultural and media analysis and the history of ideas Contributors include Eleanor Bell Kasia Boddy Cairns Craig Thomas Docherty Christopher Harvie Ellen Rassa Jackson Willy Maley Gavin Miller Tom Nairn Sarah Neely Laurence Nicoll Berthold Schoene Anne McManus Scriven A J P Thomson Ronald Turnbull Christopher Whyte

Understanding Scotland David McCrone, 2002-11-01 First published in 1992 Routledge is an imprint of Taylor Francis an informa company

The New Sociology of Scotland David McCrone, 2017-03-20 Written by a leading sociologist of Scotland this ground breaking new introduction is a comprehensive account of the social political economic and cultural processes at work in contemporary Scottish society At a time of major uncertainty and transformation The New Sociology of Scotland explores every aspect of Scottish life Placed firmly in the context of globalisation the text examines a broad range of topics including race and ethnicity social inequality national identity health class education sport media and culture among many others looks at the ramifications of recent political events such as British General Election of 2015 the Scottish parliament election of May 2016 and the Brexit referendum of June 2016 uses learning features such as further reading and discussion questions to stimulate students to engage critically with issues raised Written in a lucid and accessible style The New Sociology of Scotland is an indispensable guide for students of sociology and politics

Mission by the People Alexander C. Forsyth, 2017-08-29 How is Christianity to express itself in the public forum within Western nations This book seeks answers through a historical retrieval of the dynamic mission in post war Scotland of Tom Allan and his contemporaries the Iona Community the Gorbals Group Ministry inspired by the East Harlem Protestant Parish and Robert Mackie Ian Fraser and Scottish Churches House Allan's missiology focused upon the apostolate of the laity allowing ordinary people to express their faith in word and deed in a full contextualization of Christianity to seek a missionary parish of constant witness and service The book examines his work in parish ministry nationally as leader of the Tell Scotland Movement and internationally with the WCC and the rich sources and context of his missiology Key questions are asked about tensions caused by the role of the church and the effect of the Billy Graham All Scotland Crusade which Allan instigated on the rapid decline in Christian adherence from the late fifties His work is placed alongside his contemporaries who took bold steps beyond those of Allan to relocate faith to the rhythms of the streets Utilizing present day missiology as a lens their inspiration leads to derivations and principles offered as guideposts for Christian mission now

Hospitality Paul Lynch, Alison Morrison, Conrad Lashley, 2007-01-18 Hospitality a social lens follows on from the unique contribution made by In Search of Hospitality theoretical perspectives and debates It progresses debate challenges the boundaries of ways of knowing hospitality and offers intellectual insights stimulated by the study of hospitality The contributing authors provide

tangible evidence of continuing advancement and development of knowledge pertaining to the phenomenon of hospitality They draw on the richness of the social sciences taking host and guest relations as a means of studying in group and out group relations with and between societies The chapter contributors represent a multi disciplinary international grouping of leading academics with expertise in hospitality management and education human resource management linguistics modern languages gastronomy history human geography art architecture anthropology and sociology Each lends their expertise to apply as a social lens through which to view analyse and explore hospitality within a range of contexts Through this process novel ways of interpreting knowing and sense making emerge that are captured in the final chapter of the book and have informed future research themes which are explored

Reforming the Kirk Doug Gay, 2017-08-30 Reforming the Kirk is essential reading for anyone who cares about the future of the Church of Scotland or who wants to understand the deep challenges facing it in contemporary Scotland The Church of Scotland has had a profound social and cultural influence on all aspects of Scottish life for over 450 years Yet many feel that times now are harder for the Church than ever before and that spirits are low People are asking what has happened to the Church that they have loved served and belonged to for so long and how the Church can have a strong vibrant future The Church's motto *semper reformanda* means always to be reformed but what kind of reformation is needed now to bring about the future for which so many so long Doug Gay's analysis brings a rich blend of historical theological and cultural understanding to bear on analysing patterns of decline within the context of a secularising Scotland and proposing bold and creative ways for the Kirk to respond

Missionary Women Rhonda Anne Semple, 2003 Under the influence of wise and devoted and spiritually minded colleagues She is a lady of much ability and intelligence the selection and training of candidates LMS work in North India the feeblest work in all of India Good temper and common sense are invaluable the Church of Scotland Eastern Himalayan Mission The work of the CIM at Chefoo faith filled generations Gender and the professionalization of Victorian society the mission example Conclusion fools for Christ

Gathering Disciples Myra Blyth, Andy Goodliff, 2017-02-08 This collection of essays by British Baptists honors the work of Christopher Ellis amongst the Baptist community recognizing in particular the contribution he has made to the practice and theology of Free Church worship The book takes a selection of his hymns as a starting point for reflection on areas of worship discipleship the sacraments and theology

Honey from the Lion Gay Doug, 2015-04-21 Doug Gay explores the ethics of nationalism recognising that for many Christians churches and theologians nationalism has often been seen as intrinsically unethical due to a presumption that at best it involves privileging one nation's interests over another's and at worst it amounts to a form of ethnocentrism or even racism

The Role of Religion in Modern Societies Detlef Pollack, Daniel V.A. Olson, 2012-08-21 Does modernization lead to the decline of religion This question lies at the centre of a key debate in the sociology of religion During the past decade American scholars using primarily American data have dominated this debate and have made a strong case that the answer to this question is no Recently however a new crop of

European scholars working with new sources of European data have uncovered evidence that points toward an affirmative answer This volume pays special attention to these trends and developments to provide the reader with a more well rounded understanding of the many ways in which religion interacts with modernization Respected scholars such as David Voas Steve Bruce and Anthony Gill examine modern societies across the world in this splendid book which will interest sociologists political scientists historians and theologians in equal measure *Church, State and Civil Society* David

Fergusson,2004-12-02 At a time when secular liberalism is in crisis and when the civic contribution of religion is being reassessed the rich tradition of Christian political theology demands renewed attention This book based on the 2001 Bampton Lectures explores the relationship of the church both to the state and civil institutions Arguing that theological approaches to the state were often situated within the context of Christendom and are therefore outmoded the author claims that a more differentiated approach can be developed by attention to the concept of civil society The book offers a critical assessment of the effect of the First Amendment in the USA and in a concluding chapter it defends the case for continuing disestablishment in England and Scotland Mission in Contemporary Scotland Liam Jerrold Fraser,2021-09-30 Mission in Contemporary

Scotland is the first book to fully examine the challenges and opportunities of Christian mission in contemporary Scotland It covers all of the most important topics and questions engaging the church today such as the reality of decline the changing nature of domestic mission the response of the Church to change and the different models of mission that are being used today Describing and analysing a wealth of concrete examples from a Scottish context this study gives practical guidance to church leaders engaged in Fresh Expressions and church planting in a Scottish context A major contribution of the book is to envisage ways in which the institutional Church can respond imaginatively to its secular and pluralist context This is the first work of its kind and fills a significant gap in the market **Religion, Theology and the Human Sciences** Richard H.

Roberts,2002 Religion Theology and the Human Sciences explores the religious consequences of the so called end of history and triumph of capitalism as they have impinged upon key institutions of social reproduction in recent times The book explores the imposition of managerial modernity upon successive sectors of society and shows why many people today feel themselves to be oppressed by systems of management that seem to leave them no option but to conform Richard Roberts seeks to challenge and outflank such seamless oppressive modernity through reconfiguration of the religious and spiritual field **ThirdWay** ,1995-03 Monthly current affairs magazine from a Christian perspective with a focus on politics society economics and culture Faith in Education T.
