The Short Story Anthology and Women's Writing Aleix Tura Vecino,2025-08-14 Hundreds of anthologies of women s short stories have appeared in the literary market between the 1970s and now This publishing and cultural phenomenon is considered for the first time in this book which argues that during this period anthologies have become a literary technology used not only to make visible female short story writers but also to think about and mould ideas of womanhood Through creative and contextualised readings of the most important anthologies produced in this period this study shows that this literary form has contributed to and in some cases pioneered key developments in gender theory and feminist thought including questions of political combination among women which underlie contemporary global movements such as MeToo In doing so the book also develops the first book length conceptualisation of the features and meaning making mechanisms of the short story anthology as a literary form This book will benefit academics and students working in the fields of short fiction publishing and women s studies as well as feminist scholars and a growing number of specialists interested in the anthology as a literary form worldwide

British Short Fiction in the Early Nineteenth Century Tim Killick,2016-05-23 In spite of the importance of the idea of the tale within Romantic era literature short fiction of the period has received little attention from critics Contextualizing British short fiction within the broader framework of early nineteenth century print culture Tim Killick argues that authors and publishers sought to present short fiction in book length volumes as a way of competing with the novel as a legitimate and prestigious genre Beginning with an overview of the development of short fiction through the late eighteenth century and analysis of the publishing conditions for the genre including its appearance in magazines and annuals Killick shows how Washington Irving s hugely popular collections set the stage for British writers Subsequent chapters consider the stories and sketches of writers as diverse as Mary Russell Mitford and James Hogg as well as didactic short fiction by authors such as Hannah More Maria Edgeworth and Amelia Opie His book makes a convincing case for the evolution of short fiction into a self conscious intentionally modern form with its own techniques and imperatives separate from those of the novel

The Facts on File Companion to the British Short Story Andrew Maunder,2007 A comprehensive reference to short fiction from Great Britain Ireland and the British Commonwealth With approximately 450 entries this A to Z guide explores the literary contributions of such writers as Joseph Conrad James Joyce D H Lawrence Rudyard Kipling Oscar Wilde Katherine Mansfield Martin Amis and others

Beyond Identity Attila Dósa,2009 In Beyond Identity thirteen of Scotland s best known poets reflect upon the theoretical practical and political considerations involved in the act of writing They furnish a unique guide to contemporary Scottish poetry discussing a range of issues that include nationhood education language religion landscape translation and identity John Burnside Robert

Crawford Douglas Dunn Kathleen Jamie Edwin Morgan Kenneth White and others together with such noted experimentalists as Frank Kuppner Tom Leonard and Richard Price explore questions about the relationship between social economic and ecological realities and their poetic transformation These interviews are set within the altered political context that followed from the re establishment of a Scottish Parliament in 1999 and the potential of a renewed engagement with wider European culture Attila Dosa is Senior Lecturer at the Department of English at the University of Miskolc in northern Hungary

A Companion to the British and Irish Short Story David Malcolm, Cheryl Alexander Malcolm, 2009-01-30 A Companion to the British and Irish Short Story provides a comprehensive treatment of short fiction writing and chronicles its development in Britain and Ireland from 1880 to the present Provides a comprehensive treatment of the short story in Britain and Ireland as it developed over the period 1880 to the present Includes essays on topics and genres as well as on individual texts and authors Comprises chapters on women s writing Irish fiction gay and lesbian writing and short fiction by immigrants to Britain

Literature of Scotland Roderick Watson, 2006-11-24 Critics hailed the first edition of The Literature of Scotland as one of the most comprehensive and fascinatingly readable accounts of Scottish literature in all three of the country s languages Gaelic Scots and English In this extensively revised and expanded new edition Roderick Watson traces the lives and works of Scottish writers in a beautiful and rugged country that has been divided by political and religious conflict but united too by a democratic and egalitarian ideal of nationhood The Literature of Scotland The Twentieth Century provides a comprehensive account of the richest ever period in Scottish literary history From The House with the Green Shutters to Trainspotting and far beyond this companion volume to The Literature of Scotland The Middle Ages to the Nineteenth Century gives a critical and historical context to the upsurge of writing in the languages of Scotland Roderick Watson covers a wide range of modern and contemporary Scottish authors including MacDiarmid MacLean Grassie Gibbon Gunn Robert Garioch Iain Crichton Smith Alasdair Gray Edwin Morgan James Kelman Irvine Welsh Alan Warner A L Kennedy Liz Lochhead John Burnside Jackie Kay Kathleen Jamie and many many more Also featuring an extended list of Further Reading and a helpful chronological timeline this is an indispensable introduction to the great variety of Scottish writing which has emerged since the start of the twentieth century
