Walking in the Chilterns Steve Davison, 2021-09-06 A guidebook to 35 day walks in the Chiltern Hills Lying within reach of London the spectacular Chilterns AONB extends across Oxfordshire Buckinghamshire Hertfordshire and Bedfordshire and with routes in the guidebook covering the whole region there's something for beginner and experienced walkers alike The walks range in length from 6-19km 4-12 miles and take between 2 and 6 hours to complete perfect for either a short stroll or a full day out 1:50 000 OS maps reproduced at 1:40 000 for greater clarity included for each walk Sized to easily fit in a jacket pocket GPX files available to download Detailed information on refreshments and public transport for each walk Local points of interest are featured including Ivanhoe

Beacon Cycling the Canal de la Garonne Declan Lyons, 2019-01-16 A guidebook to cycling the Canal de la Garonne route from Bordeaux to Toulouse Covering 290km 180 miles this long distance cycle across south western France can be completed in 1 week and is suitable for both first time and experienced long distance cyclists The route is described from north to south in 7 stages each between 31 and 59km 19 37 miles in length A 135km 84 mile excursion from Bordeaux to Lacanau on the Atlantic coast is described as well as optional side trips exploring the countryside and historical towns and villages including Agen Moissac Marmande and Montauban 1 100 000 maps and profiles included for each stage Refreshment and accommodation information given Information on cycle shops with repair facilities along the route Advice on planning and preparation Skye's Cuillin Ridge Traverse Adrian Trendall, 2020-07-20 A guidebook to the Isle of Skye's Cuillin Ridge Traverse This 2 volume set is a comprehensive guide to planning and completing this challenging and technical 12km scramble typically done in 1 2 days With a route that includes scrambling sections to Grade 3 technical climbs to Severe and a handful of abseils a head for heights technical skill and mental and physical stamina are needed Volume 1 contains planning and logistics information training notes recommended gear list and safety tips Volume 2 focuses on the traverse itself across 10 sections a step by step guide to traversing the ridge is given with full route description Harvey mapping and photo topos The two volumes are sold together Harvey mapping and photo topos In depth route description and advice for completing the traverse in winter Volume 2 is perfectly sized to carry with you during the traverse 10 classic Cuillin scrambles are also included that can be used as practice routes Easier climbing alternatives Cuillin Ridge Light are provided for the harder climbing sections **Mountaineering Literature** Jill Neate, 1986 Long established as a standard reference work worldwide this is a thorough bibliography of all mountaineering books that are of practical use to climbers or for reading pleasure or historical interest Documenting more than 2000 books of mountaineering literature it also includes nearly 900 climber's guidebooks a sampling of more than 400 works of mountaineering fiction plus journals and bibliographies *Walking Ben Lawers, Rannoch and Atholl* Ronald Turnbull, 2021-08-15 The south eastern Grampians of the former county of Perthshire may be grassier and less rugged than other Scottish mountains but they are just as big The routes in this guide take you to the summits of these jolly green giants covering all of the region's Munros often by unconventional routes as well as several Corbetts and smaller hills and also over the Atholl passes along rivers and through the woods of Perthshire's Big Tree Country The 80 walks comprise a mixture of low level mid level and mountain routes and are graded by both length and difficulty Many are demanding crossing remote uneven steep and or pathless terrain but also included are gentler walks on clear paths taking in local features of interest The route description is illustrated with clear mapping a mixture of OS 1 50 000 and smaller scale maps for the longer routes and the route summary table and grading information make it easy to choose an appropriate route There is a wealth of information about the landscape and the region's fascinating history Finally appendices cover local facilities and access to the hills during the deer stalking season With

highlights including the mighty Ben Lawers Beinn Dorain Ben Alder and Beinn a Ghlo Schiehallion the great rivers Tay and Garry the Birks of Aberfeldy and old drovers routes over the passes of Minigaig and Gaick Perthshire has plenty to offer And with historic towns such as Perth and Pitlochry and attractive villages this is an ideal base for a walking holiday Walking in Norfolk Laurence Mitchell,2017-03-31 This guidebook describes 40 circular walks in Norfolk including walks along the coast and walks exploring the Fens and the Broads From 4 to 12 miles these mostly flat walks use footpaths bridleways and quiet country lanes and some involve parts of long distance paths including the Peddars Way Norfolk Coast Path Boudica s Way and Weavers Way The walks are divided into five sections walks on the northeast coast and the Broads walks in south Norfolk the Yare and Waveney walks in North Norfolk and the Coast walks in Central Norfolk and Breckland and walks in West Norfolk and the Fens All routes are easy to moderate and can be done by anyone of reasonable fitness and enjoyed all year round Each route is described step by step illustrated with 1 40K OS map extracts and packed with historical geological and other information about the landscape the route passes through The Fenland region of Norfolk s far west is flat and low lying as are the marshes and waterways of the Broads in the east but between these two extremes there is a great deal of topography going on The county is far more varied than most outsiders imagine with several distinct and unique landscapes As well as Broads and the Fens it has the sandy Brecks rolling farmland ancient woodland meandering rivers and the gorgeous North Norfolk coast with its beaches shingle banks salt marshes and tidal mud flats A Lake District Miscellany Tom Holman,2010-10-14 Packed with facts figures biographies recipes poems and lists this is an entertaining and informative ramble through the Lake District Discover the area s best fells walks views food and pubs all chosen by people in the know Learn the lingo of Cumbrian sheepdog trials and wrestling and uncover the secrets of cooking sticky toffee pudding and Kendal mint cake The Lake District Miscellany has everything you need to know about this much loved part of the country and a few things you never thought you wanted to know This title is also available as an ebook in either Kindle ePub or PDF editions *More Scrambles in the Lake District* Richard Brian Evans,1990-01-01 Extremely detailed guide books are available for walking and rock climbing in the Lake District so detailed that it appears nothing has been overlooked and no inviolate places remain for the adventurer Yet this is not quite the case There is a very interesting area which is not really rock climbing yet involves the use of the hands on rock and is certainly far removed from normal walking Scrambling is what this book is about Scrambling as a sport is not new The ascent of easy rocks where hands may be used is naturally satisfying and has been enjoyed by mountaineers since the sport began The majority of Alpine peaks involve some scrambling in their ascent by their normal routes The early rock climbers created routes which involved rope scrambling without the numerous aids to safety which climbers use today Many of the Lake District scrambles have been known since Victorian times and many have been used at odd times by generations of climbers In recent years high standard rock climbing has become so specialized that it is a sport far removed from the rock climbing of even twenty or thirty years ago Extremes but it is difficult

to know just where to draw the line to know where scrambling becomes rock climbing I consider scrambling to be an ascent of rock where the hands are necessary for progress ascending rock that is not usually difficult or steep enough to warrant the term rock climbing Many of the routes are in exciting places often well removed from the beaten path You can go into a popular area and by combining several scrambles hardly touch a path and rarely see other people at close quarters This is a way of getting back to a wilder Lakeland to enjoy the freedom of rough mountain country A good long scramble with interesting route finding uncluttered with the paraphernalia of modern rock climbing gives a very satisfying way

Immerse yourself in heartwarming tales of love and emotion with is touching creation, **Scrambles And Easy Climbs In The Lake District** . This emotionally charged ebook, available for download in a PDF format (Download in PDF: *), is a celebration of love in all its forms.
