Scrambles Amongst the Alps in the Years 1860-69 Edward Whymper,1893 **Scrambles Amongst the Alps in the Years 1860-69 (Classic Reprint)** Edward Whymper,2015-07-21 Excerpt from Scrambles Amongst the Alps in the Years 1860 69 In the year 1860 shortly before leaving England for a long Continental tour a certain eminent London publisher requested me to make for him some sketches of the great Alpine peaks At this time I had only a literary acquaintance with mountaineering and had even not seen much less set foot upon a mountain Amongst the peaks which were upon my list was Mont Pelvoux in Dauphine The sketches that were required of it were to celebrate the triumph of some Englishmen who intended to make its ascent They came they saw but they did not conquer By a mere chance I fell in with a very agreeable Frenchman who accompanied this party and was pressed by him to return to the assault In 1861 we did so with my friend Macdonald and we conquered This was the origin of my scrambles amongst the Alps The ascent of Mont Pelvoux including the disagreeables was a very delightful scramble The mountain air did not act as an emetic the sky did not look black instead of blue nor did I feel tempted to throw myself over precipices I hastened to enlarge my experience and went to the

Matterhorn I was urged toward Mont Pelvoux by those mysterious impulses which cause men to peer into the unknown Not only was this mountain reputed to be the highest in France and on that account was worthy of attention but it was the dominating point of a most picturesque district of the highest interest which to this day remains almost unexplored The Matterhorn attracted me simply by its grandeur It was considered to be the most thoroughly inaccessible of all mountains even by those who ought to have known better About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
