Scrap Of Anguillas Revolution:

Scrap Book of Anguilla's Revolution Ronald Webster, 1987 Operation Sheepskin Matthew J. Lord, 2023-12-19 In the early morning darkness of 19 March 1969 troops from Britain's 2nd Battalion of the Parachute Regiment 2 PARA and Royal Marines clambered into the small landing craft and helicopters aboard HMS Minerva and HMS Rothesay. Their objective under Operation Sheepskin was to invade the small Caribbean island of Anguilla through both an amphibious and airborne assault. The operation aimed to crush a two-year island rebellion against the postcolonial government of Robert Bradshaw on St Kitts. Recent military intelligence reports had been patchy as to the level of resistance to be expected from the islanders; however, the number of firearms estimated to be on the island and the recent hostility experienced by British diplomats suggested that the troops were about to encounter a storm of bullets as they hit the beaches. Strangely enough, as the squaddies splashed ashore, they were met by the thunderous silence of an empty beach, apart from the clicks of journalists' cameras. To the surprise of all involved, the occupation of the island was subsequently achieved without bloodshed. Whilst British policymakers soon questioned whether they had misread the situation in Anguilla and overreacted militarily, Fleet Street and the international media responded with ridicule. The operation was presented as a farce and emblematic of Britain's declining world role since the end of empire. This satirical interpretation has remained the abiding memory if the invasion is remembered at all within British public consciousness. Despite the military anti-climax, however, this does not detract from the considerable importance of Operation Sheepskin for understanding the complexities of decolonization in the Caribbean. Britain's military performance following the retreat from East of Suez and decision making within the Labour government of Prime Minister Harold Wilson. This book offers an in-depth military and political reappraisal of the Anguilla Crisis, exploring the countdown to military intervention, its tactical implementation and its legacy. In doing so, the book evaluates the reasons for the British government's apparent overreaction to the crisis, the scandal that rocked Whitehall as Operation Sheepskin was being arranged, and finally the series of operational blunders which emerged as the operation was carried out. Constituting a neglected and unusual chapter of post-war British military history, the book will appeal to those readers interested in the wars of decolonization, British politics in the 1960s, and the history of the Caribbean at the end of empire.

Island Time Jessica Swanston Baker, 2024-10-04 A close look at how wylers, a popular musical style from the island of St Kitts and Nevis, expresses a unique mode of relation in the postcolonial Caribbean. In *Island Time*, ethnomusicologist Jessica Swanston Baker examines wylers, a musical form from St Kitts and Nevis that is characterized by speed. Baker argues that this speed becomes a useful and highly subjective metric for measuring the relationship between Caribbean aspirations and the promises of economic modernity, women's bodily autonomy, and the nationalist fantasies that would seek to curb that autonomy and the material realities of Kittitian/Nevisian youth living in the disillusionment following postcolonial independence. She traces the wider Caribbean musical, cultural, and media-based resonances of wylers, posing an alternative

model to scholarship on Caribbean music that has tended to privilege the big islands Trinidad Jamaica and Haiti thus neglecting not only the unique cultural worlds of smaller nations but also the unbounded nature of musical exchange in the region The archipelago emerges as a useful model for apprehending the relationality across scales that governs the temporal and spatial logics that undergird Caribbean performance The archipelago and its speeds ultimately emerge as a meaningful medium for postcolonial postmodern world making **Ethnic Groups of the Americas** James B.
