Screening The Beats Media Culture And The Beat Sensibility:

Screening the Beats David Sterritt, 2004 *The Cambridge Companion to the Beats* Steven Belletto, 2017-02-06 The Cambridge Companion to the Beats offers an in depth overview of one of the most innovative and popular literary periods in America the Beat era The Beats were a literary and cultural phenomenon originating in New York City in the 1940s that reached worldwide significance Although its most well known figures are Jack Kerouac Allen Ginsberg and William S Burroughs the Beat movement radiates out to encompass a rich diversity of figures and texts that merit further study Consummate innovators the Beats had a profound effect not only on the direction of American literature but also on models of socio political critique that would become more widespread in the 1960s and beyond Bringing together the most influential Beat scholars writing today this Companion provides a comprehensive exploration of the Beat movement asking critical questions about its associated figures and arguing for their importance to postwar American letters *The Beats* David Sterritt, 2013-07-11 This book offers a concise overview of the social cultural and aesthetic sensibilities of the Beat Generation explaining how their drastic visions and radical styles challenged postwar America's dominant values in ways that can still be felt in literature cinema music theater and the visual arts Such figures as Jack Kerouac Allen Ginsberg William S Burroughs Neal Cassady Gregory Corso Lawrence Ferlinghetti John Clellon Holmes Carolyn Cassady and Gary Snyder feature prominently in the book *Capturing the Beat Moment* Erik Mortenson, 2010-11-02 CHOICE Outstanding Academic Title Examining the moment as one of the primary motifs of Beat writing Erik Mortenson offers the first book to investigate immediacy and its presence and importance in Beat writing *Capturing the Beat Moment* Cultural Politics and the Poetics of Presence places an expanded canon of Beat writers in an early postmodern context that highlights their importance in American poetics and provides an account of Beat practices that reveal how gender and race affect Beat politics of the moment Mortenson argues that Beat writers focused on action desire and spontaneity to establish an authentic connection to the world around them and believed that living in the moment was the only way in which they might establish the kind of life that led to good writing With this in mind he explores the possibility that far from being the antithesis of their times the Beats actually were a product of them Mortenson outlines the effects of gender and race on Beat writing in the postwar years as well as the Beats attempts to break free of the constrictive notions of time and space prevalent during the 1950s Mortenson discusses such topics as the importance of personal visionary experiences the embodiment of sexuality and the moment of ecstasy in Beat writing how the Beats used photographs to evoke the past and the ways that Beat culture was designed to offer alternatives to existing political and social structures Throughout the volume Mortenson moves beyond the Kerouac Ginsberg Burroughs triumvirate commonly associated with Beat literature discussing women such as Diane di Prima Janine Pommy Vega and Joyce Johnson and African American writers including Bob Kaufman and Amiri Baraka With the inclusion of these authors comes a richer understanding of the Beat writers value and influence in American literary history
