**Screens Jets Heaven** Jill Jones, 2002 Jill Jones poems are remarkable for their perceptions and insights at once gentle yet resistant accessible yet strict the language assured in its effects and selection of detail Her use of the meditative lyric is both masterful and compelling Judith Beveridge Jill Jones poetry is both juicy and intimate But underneath its lovely Sydney tang of sun and harbour is a dark destabilising smell of trouble This is a complex and fascinating book Dorothy Porter One of those poets who is beginning to move Australian poetry into new directions towards a greater trust than ever in the poet's own responses a quietening of judgemental implications and a desire to be able to articulate positive emotion to find ways of exploring the rhapsodic Martin Langford Southerly **Imagined Australia** Renata Summo-O'Connell, 2009 From Terra Nullius to Land of Opportunities and Last Frontier the European dream has constructed and deconstructed Australia to feed its imagination of new societies At the same time Australia has over the last two centuries forged and re-invented its own liaisons with Europe arguably to carve out its identity From the arts to social sciences to society itself a complex dynamic has grown between the two continents in ways that invite study and discussion A transnational research group has begun its collective investigation project of which this first volume is the outcome The book is a substantial multidisciplinary collection of current research and offers critical perspectives on culture literature and history around themes at the heart of the Imagined Australia project The essays instigate reflection discovery and discussion of how reciprocal imagining between Australia and Europe has articulated itself and ways and dimensions in which a relationship between communities imagined and not has unfolded **In the Criminal's Cabinet** Val Stevenson, Todd Swift, 2004 **Dark Bright Doors** Jill Jones, 2010 This latest book of poetry by award-winning poet Jill Jones raises questions of the self as well as the ecology of place and language The poems are intimate sharp self-critical and very present **Exchange Values** Tom Beckett, 2008-09 **The Heavens** Amédée Guillemin, 1871 Small City Tales of Strangeness and Beauty Gillian Britton, Stephen Lawrence, 2009 In these stories poems and photographs with Adelaide as its theme the city sighs with shifting sands Its mornings swirl with readdressed mail and untended gardens its afternoons seethe with melting bitumen and its nights crackle with heat breakdown the attrition of marriages The city disgorges stories in the way waste yields coloured glass not as a collector's item but as something being halted from passing out of memory From the foreword by Brian Castro Contributors include Nicholas Jose Jude Aquilina Rachel Hennessy Anne Bartlett Carol LeFevre Jill Jones Ken Bolton Graham Rowlands and John Tranter writing as Mark Pallas *Gender and Prestige in Literature* Alexandra Dane, 2020-07-10 Gender and Prestige in Literature Contemporary Australian Book Culture explores the relationship between gender power reputation and book publishing's consecratory institutions in the Australian literary field from 1965-2015 Focusing on book reviews literary festivals and literary prizes this work analyses the ways in which these institutions exist in an increasingly cooperative and generative relationship in the contemporary publishing industry a system designed to limit field transformation Taking an

intersectional approach this research acknowledges that a number of factors in addition to gender may influence the reception of an author or a title in the literary field and finds that progress towards equality is unstable and non linear By combining quantitative data analysis with interviews from authors editors critics publishers and prize judges Alexandra Dane maps the circulation of prestige in Australian publishing addressing questions around gender identity literary reputation literary worth and the resilience of the status quo that have long plagued the field **Bowl of Heaven and Shipstar**
