Scriptores Historiae Augustae li L14:

Rethinking the Ancient Druids Miranda Aldhouse-Green, 2021-09-15 Relevance of the religious beliefs and practices of past European societies can enhance understanding of our own The popular notion of Druids is unpacked and debunked using archaeological evidence New research findings are shared with readers in accessible and engaging ways enhanced by copious illustrations that weave into the text The book is thoroughly readable and tells stories of the past in a deeply compelling manner *Teubner's Greek and Latin Classics Sold by David Nutt*, 1874* *Faustina I and II* Barbara Levick, 2014 A learned study of a mother and daughter both the wives of emperors and their importance in the golden age of the Roman Empire *Individuals and Materials in the Greco-Roman Cults of Isis (SET)* Valentino Gasparini, Richard Veymiers, 2018-10-16 In *Individuals and Materials in the Greco Roman Cults of Isis* Valentino Gasparini and Richard Veymiers present a collection of reflections on the individuals and groups which animated one of Antiquity's most dynamic significant and popular religious phenomena the reception of the cults of Isis and other Egyptian gods throughout the Hellenistic and Roman worlds These communities whose members seem to share the same religious identity for a long time have been studied in a monolithic way through the prism of the Cumontian category of the Oriental religions The 26 contributions of this book divided into three sections devoted to the agents their images and their practices shed new light on this religious movement that appears much more heterogeneous and colorful than previously recognized **Dwarfs in Ancient Egypt and Greece** Veronique Dasen, 2013-03-21 This book examines dwarfs in myth and everyday life in ancient Egypt and Greece The spectacular forms of dwarfism were always a focus of interest and it is the most depicted disorder in antiquity Dasen brings together a whole range of mostly unpublished or little known iconographic epigraphic literary and anthropological evidence **Narrative of the Siege of Zaragoza** Charles Richard Vaughan, 1809 *The Oxford History of Classical Reception in English Literature* Rita Copeland, 2016-01-28 The Oxford History of Classical Reception in English Literature OHCREL is designed to offer a comprehensive investigation of the numerous and diverse ways in which literary texts of the classical world have stimulated responses and refashioning by English writers Covering the full range of English literature from the early Middle Ages to the present day OHCREL both synthesizes existing scholarship and presents cutting edge new research employing an international team of expert contributors for each of the five volumes OHCREL endeavours to interrogate rather than inertly reiterate conventional assumptions about literary periods the processes of canon formation and the relations between literary and non literary discourse It conceives of reception as a complex process of dialogic exchange and rather than offering large cultural generalizations it engages in close critical analysis of literary texts It explores in detail the ways in which English writers' engagement with classical literature casts as much light on the classical originals as it does on the English writers' own cultural context This first volume and fourth to appear in the series covers the years c 800 1558 and surveys the reception and transformation of classical literary culture in England from the Anglo Saxon

period up to the Henrician era Chapters on the classics in the medieval curriculum the trivium and quadrivium medieval libraries and medieval mythography provide context for medieval reception The reception of specific classical authors and traditions is represented in chapters on Virgil Ovid Lucan Statius the matter of Troy Boethius moral philosophy historiography biblical epics English learning in the twelfth century and the role of antiquity in medieval alliterative poetry The medieval section includes coverage of Chaucer Gower and Lydgate while the part of the volume dedicated to the later period explores early English humanism humanist education and libraries in the Henrician era and includes chapters that focus on the classicism of Skelton Douglas Wyatt and Surrey **Unspoken Rome** Tom Geue,Elena Giusti,2021-09-16

Showcases innovative approaches to Latin literature by reading textual absence as a generative force for literary interpretation and reception Includes chapters by a wide range of scholars covering some of the main authors of the Latin literary tradition often in dialogue with modern literature and philosophy *Humanistica Lovaniensia* Gilbert

Tournoy,1979-02-15 Volume 28 **The Story of Greece and Rome** Tony Spawforth,2018-11-06 This excellent survey spans the rise and fall of the Greco Roman world This conversational yet erudite history is a treat Publishers Weekly starred review The magnificent civilization created by the ancient Greeks and Romans is the greatest legacy of the classical world However narratives about the civilized Greek and Roman empires resisting the barbarians at the gate are far from accurate Tony Spawforth an esteemed scholar author and BBC presenter follows the thread of civilization through more than six millennia of history His story reveals that Greek and Roman civilization to varying degrees was surprisingly receptive to external influences particularly from the East From the rise of the Mycenaean world of the sixteenth century B C Spawforth traces a path through the ancient Aegean to the zenith of the Hellenic state and the rise of the Roman Empire the coming of Christianity and the consequences of the first caliphate Deeply informed provocative and entirely fresh this is the first and only accessible work that tells the extraordinary story of the classical world in its entirety A welcome survey of the two greatest powers in the ancient Mediterranean world and their bound destinies Kirkus Reviews A sweeping beautifully written story With Spawforth as our guide we grasp a world less of myths and superheroes than of people who really lived John Timpane The Philadelphia Inquirer With great agility Spawforth mixes literary inscriptional and archaeological material and offers a nuanced understanding of how civilisations evolve Professor Michael Scott author of Ancient Worlds Informed informative and thoroughly enjoyable A book that brings the past back to life Peter Frankopan author of The Silk Roads

The Year's Work in Classical Studies Classical Association (Great Britain),1920 *Maximinus Thrax* Paul N. Pearson,2017-05-23 The first full length biography of the half barbarian emperor Maximinus was a Thracian tribesman of frightening appearance and colossal size who could smash stones with his bare hands and pull fully laden wagons unaided Such feats impressed the emperor Severus who enlisted Maximinus into the imperial bodyguard whereupon he embarked on a distinguished military career Eventually he achieved senior command in the massive Roman invasion of Persia in 232 AD

and three years later he became emperor himself in a military coup the first common soldier ever to assume the imperial throne Supposedly more than seven feet tall it is likely he had a pituitary disorder Maximinus was surely one of Rome s most extraordinary emperors He campaigned across the Rhine and Danube for three years until a rebellion erupted in Africa and the snobbish senate engaged in civil war against him This is a narrative account of the life and times of the Thracian giant from his humble origins up to and beyond the civil war of 238 AD Replete with accounts of treachery assassination and civil war Maximinus Thrax is written for enthusiasts of Roman history and warfare Skyhorse Publishing as well as our Arcade imprint are proud to publish a broad range of books for readers interested in history books about World War II the Third Reich Hitler and his henchmen the JFK assassination conspiracies the American Civil War the American Revolution gladiators Vikings ancient Rome medieval times the old West and much more While not every title we publish becomes a New York Times bestseller or a national bestseller we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home

A Copious and Critical Latin-English Lexicon Ethan Allen Andrews,1875 A Copious and Critical Latin-English Lexicon Founded on the Larger Latin-German Lexicon of Dr. William Freund Ethan Allen Andrews,1858 Man His Destiny in the Great Religions Samuel George Frederick Brandon,1963 *A Companion to the Flavian Age of Imperial Rome* Andrew Zissos,2016-03-07 A Companion to the Flavian Age of Imperial Rome provides a systematic and comprehensive examination of the political economic social and cultural nuances of the Flavian Age 69 96 CE Includes contributions from over two dozen Classical Studies scholars organized into six thematic sections Illustrates how economic social and cultural forces interacted to create a variety of social worlds within a composite Roman empire Concludes with a series of appendices that provide detailed chronological and demographic information and an extensive glossary of terms Examines the Flavian Age more broadly and inclusively than ever before incorporating coverage of often neglected groups such as women and non Romans within the Empire **Gerardus Joannes Vossius** Jan Bloemendal,2010-05-31 This is a new critical edition in two volumes of Vossius Latin Poeticae institutiones with a translation in English an introduction annotations and a commentary In 1647 the Amsterdam professor Gerardus Vossius published his main work on poetics Poeticarum institutionum libri III which can be considered as an important result of the Dutch Golden Age In the same year two shorter works appeared De artis poeticae natura ac constitutione which is an introduction to the main work and De imitatione which elaborates on two aspects of poetics imitation and recitation These are added in appendices also with a translation but without a commentary Now this important early modern work on the making of poetry labeled by Sellin as The last of the Renaissance monsters is made available also for readers without Latin Political Thought of Peter Martyr Vermigli : (the) ,1980 *The Scriptorum Historiae Augustae: the two Valerians-The two Gallieni-The thirty Pretenders-The deified Claudius-The deified Aurelian-Tacitus-Probus-Firmus, Saturninus, Proculus and Bonosus-Carus, Carinus and Numerian* ,1932 Catalogue Baltimore Peabody inst, libr,1883
