Scripture And Discernment Decisionmaking In The Church:

Scripture & Discernment Luke Timothy Johnson, 1996 Yet it is not enough for a congregation simply to turn to the Bible when a decision must be reached for Scripture does not directly address all issues which face the church today and those it does often reflect greatly differing historical and social contexts than our own Thus added to the authority of Scripture in the church's decision making is a process of discernment in which the members of the community under the guidance of the Holy Spirit recall how God has worked in their lives as individuals and as a community and discern together God's direction for the future Johnson argues that this very pattern of decision making can be found in Scripture itself notably in one of the central events of the book of Acts

Scripture & Discernment Luke Timothy Johnson, 2011-12-01 Luke Timothy Johnson begins his study of the practical issue of how decisions are made in the church by admitting to a bias that there ought to be a connection between what the church claims to be and how it does things Because the church claims to be a community of faith it does not reach decisions simply on the basis of good management policy or the analysis of market trends or efficiency or even ideological consistency but in response to God's activity in the world that presses upon us and urges us to decision Faced with how to respond to God's leading the church decides what to do on the basis of two realities Scripture and discernment Because it calls the church into being Scripture is the fundamental authority in the church's life Yet it is not enough for a congregation simply to turn to the Bible when a decision must be reached for Scripture does not directly address all issues which face the church today and those it does often reflect greatly differing historical and social contexts than our own Thus added to the authority of Scripture in the church's decision making is a process of discernment in which the members of the community under the guidance of the Holy Spirit recall how God has worked in their lives as individuals and as a community and discern together God's direction for the future Johnson argues that this very pattern of decision making can be found in Scripture itself notably in one of the central events of the book of Acts Beginning with the conversion of Cornelius and culminating in the Apostolic Council of Acts 15 we see how a string of smaller narratives combine to tell the story of God's movement within their midst and how this narrative became the basis for the reinterpretation of Scripture and the inclusion of Gentiles into the fellowship of the church Looking at a number of thorny issues facing the contemporary church Johnson demonstrates how the interaction of Scripture and discernment can and must become the basis for how we respond to the decisions with which the church wrestles today

Decision Making in the Church Luke Timothy Johnson, 1983 *The Revelatory Body* Luke Timothy Johnson, 2015 Argues that theology can respond faithfully to the living God only by paying due attention to human bodily experience Scripture points to the human body and lived experience as the preeminent arena of God's continuing revelation in the world says Luke Timothy Johnson Attentively discerning the manifestations of God's Spirit in and through the body is essential for theology to recover its nature as an inductive art rather than as traditionally conceived a deductive science Willingness to risk engaging actual human situations as opposed to

abstract conceptualizations of those situations is required of the theologian Johnson argues He celebrates the intimations of divine presence and power in such human experiences as play pain pleasure work and aging showing how theology can respond faithfully to the living God only by paying due attention to human bodily experience

The Way of Discernment Elizabeth Liebert, 2008-08-01 We all make decisions constantly some with careful reflection some without much thought But what if we understood these decisions minor as well as major as matters of faithful Christian living In this helpful and encouraging book Elizabeth Liebert introduces the practice of discernment and guides readers through the process of faithful decision making Following the way of discernment means becoming increasingly able to notice where God is at work in the world and in one s own life and becoming increasingly generous with one s own life in response After briefly exploring the Christian tradition of discernment Liebert then turns to practical steps and exercises that will help readers as they seek God s call in the midst of their decisions allowing readers to internalize some of these practices and incorporate them into their daily lives

The Future of Catholic Biblical Interpretation James B. Prothro, Isaac Augustine Morales, 2024-09-10 Notable Catholic interpreters of Scripture discern the guiding values of biblical interpretation at the brink of a new era for the church Under the influence of Benedict XVI and Francis Roman Catholics whether lay or religious have found renewed interest in studying sacred Scripture Yet the church has also grown and faces new challenges in the new millennium What does the future of Catholic biblical

interpretation look like And how ought the church's rich heritage of biblical interpretation continue to influence it This volume collects essays by some of the most influential voices in Catholic biblical scholarship today Covering a variety of topics from the Old Testament to the New Testament and biblical theology the essays are united by a common goal to hear the word of God and proclaim and apply it within the church The authors pay special tribute to Marie Joseph Lagrange This nineteenth century French Dominican led the way in blending critical methodology with respect for the Church's authority in order to put scriptural study in service to the good of souls Featuring diverse and authentically Catholic perspectives The Future of Catholic Biblical Interpretation represents fresh purpose and direction for the church's long and fruitful tradition of exegesis

Reading Scripture in the Fellowship of the Spirit Trevor Reynolds, 2019-02-19 How does the Holy Spirit guide the Christian community in its custodianship and interpretation of Scripture How does the fact that the Spirit is characterized by *koinonia* impact upon this task In light of this do we read Scripture with too much of an individualistic mindset In this new book Dr Trevor Reynolds addresses these questions seeking answers primarily from within Scripture itself He explores in depth what Jesus and the New Testament community taught concerning the interpretive role of the Holy Spirit How did they interpret Scripture with the help of the Spirit He highlights their corporate Spirit-led hermeneutic with its challenge to our individualistic approaches The New Testament writers interpreted the Old Testament in a way that revealed communal methods of interpretation These were informed by Jewish pneumatic and corporate solidarity notions as reshaped by Jesus' own Spirit-given example and legacy In this book New Testament extracts are discussed which contain either specific examples of how Old Testament Scripture is interpreted by members of the New Testament community with the Spirit's help or speak of the Spirit's work of interpretation in a more general way Trevor Reynolds seeks to uncover their implications for biblical hermeneutics as well as for the doctrine, use and custodianship of Scripture in the life and witness of the church today The book concludes by pointing to the wide-ranging implications that reading Scripture in the fellowship of the Spirit poses for today's church

Peter's Halakhic Nightmare John R.L. Moxon, 2017-07-20 Did Luke intend Peter's visionary command to eat unclean animals in Acts 10 to suggest the dissolution of the Jewish Law Whilst scholars have argued over sources, inconsistent redaction and later reception many have failed to notice here the novel use of a type of transgression anxiety dream John Moxon shows how by the incorporation of such naturalistic motifs Luke takes revelation in a new and decidedly psychological direction probably imitating similar developments in Graeco-Roman biography If the vision reveals an illegitimate transfer of disgust within an exaggerated halakha of separation then its target is prejudice and inconsistency not the Jew-Gentile divide as such as underlined by the ironic contrast with the pious Cornelius In this reading Luke's non-supersessionism is maintained whilst showing him acutely aware of the kinds of nightmare holding many back from the nascent Gentile mission

The Church's Guide for Reading Paul Brevard S. Childs, 2008 The Church's Guide for Reading Paul is the final work of a prolific and beloved biblical scholar Brevard Childs here turns his sharp scholarly eye to

the works of the apostle Paul and makes an unusual argument the New Testament canon s formation was above all a hermeneutical exercise in which its anonymous apostles and postapostolic editors collected preserved and theologically shaped the material in order for the evangelical traditions to serve successive generations of Christians BOOK JACKET

African Pentecostalism and Eschatological Expectations Marius Nel,2019-09-16 The Pentecostalisation of African Christianity has been called the African Reformation of the past thirty years African Pentecostalism is a diverse movement characterised by its emphases on Spirit baptism divine healing charismatic worship and eschatological expectations This work investigates its eschatological systems in terms of its unrealised expectation of the second coming of Christ and suggestions are presented for the movement to keep its eschatology at the heart of its impetus This is accomplished through a hermeneutical awareness of the distinctiveness of Pentecostalism as a restorationist movement Written for pastors church leaders and believers this book discusses the literalistic way of reading the Bible in most of the classical Pentecostal components of African Pentecostalism supporting their premillennialist and even dispensational eschatological views It suggests a new Pentecostal hermeneutics developed by scholarship in the past forty years in line with significant elements of the way in which early Pentecostals read the Bible This new hermeneutical awareness implies new and exciting ways of thinking about eschatology that will enrich and enlighten African Pentecostalism in its hope for the second coming of Christ

Robert A. J. Gagnon,2010-10-01 Gagnon offers the most thorough analysis to date of the biblical texts relating to homosexuality He demonstrates why attempts to classify the Bible s rejection of same sex intercourse as irrelevant for our contemporary context fail to do justice to the biblical texts and to current scientific data Gagnon s book powerfully challenges attempts to identify love and inclusivity with affirmation of homosexual practice the most sophisticated and convincing examination of the biblical data for our time J rgen Becker Professor of New Testament Christian Albrechts University

Hermeneutical Community C. S. Barefoot, 2024-12-23 Many Western initiatives exist for theological development in the majority world but how often do practitioners from the West pause to examine the role they should play in that endeavor Missions history and church history have revealed inadequacies of imposing foreign theology on local churches yet the

alternative of withdrawing from local theological development appears equally problematic. If therefore the outsider's role is neither to impose theology nor withdraw from the task, then what is his or her role? Hermeneutical Community addresses this fundamental question and seeks to lay a sound missiological foundation for local theological development. The Mind in Another Place Luke Timothy Johnson, 2022-03-22 A witness to the peculiar way of being that is the scholar's. Luke Timothy Johnson is one of the best known and most influential New Testament scholars of recent decades. In this memoir he draws on his rich experience to invite readers into the scholar's life: its aims, commitments, and habits. In addition to sharing his own story from childhood to retirement, Johnson reflects on the nature of scholarship more generally, showing how this vocation has changed over the past half century and where it might be going in the future. He is as candid and unsparing about negative trends in academia as he is hopeful about the possibilities of steadfast, disciplined scholarship. In two closing chapters he discusses the essential intellectual and moral virtues of scholarly excellence, including curiosity, imagination, courage, discipline, persistence, detachment, and contentment. Johnson's robust defense of the scholarly life portrayed throughout this book as a generative process of discovery and disclosure will inspire both new and seasoned scholars as well as anyone who reads and values good scholarship. But *The Mind in Another Place* ultimately resonates beyond the walls of the academy and speaks to matters more universally human: the love of knowledge and the lifelong pursuit of truth. *The Lord and Giver of Life* David Hadley Jensen, 2008-01-01 In this exciting collection, an array of contemporary theologians reflect on the work of the Holy Spirit in relation to some of the world's most pressing issues and problems. Offering a corrective to disembodied discussions of the Spirit, this book provides a look at the Holy Spirit set loose and sustaining the gift and struggle for life in the midst of today's troubled world. Among other topics, the contributors examine the Spirit's activity in the reading of Scripture, the reality of religious pluralism, the growing ecological crisis, the rise of consumerism, and issues of empire. Contributors include John B. Cobb Jr., Roger Haight SJ, Barbara A. Holmes, David H. Jensen, Molly T. Marshall, Sallie McFague, Amy Plantinga Pauw, Joerg Rieger, Eugene F. Rogers Jr., and Amos Yong.
