Scripture And The Charismatic Renewal Proceedings Of The Milwaukee Symposium December 13 1978:

Spirit and Scripture Kevin L. Spawn, Archie T. Wright, 2011-11-10 This book considers the academic treatment of biblical interpretation in the renewal movement the fastest growing tradition in Christendom today The initial chapter surveys the history of biblical interpretation in the renewal tradition and provides a conceptual basis for the book In Part II six renewal scholars outline a proposal for the future of biblical hermeneutics in the tradition These authors address certain key questions What is the role of the Holy Spirit in biblical interpretation What are the distinctive presuppositions methods and goals of renewal biblical hermeneutics Three prominent biblical scholars Craig G Bartholomew James D G Dunn R Walter L Moberly respond to the proposals outlined above These critical responses deepen the examination of renewal biblical hermeneutics as well as increase its appeal to biblical and theological scholars in general The final chapter offers a synthesis and evaluation of the accomplishments of the discussion as well as an assessment of the state of the discipline with an eye toward the future

The Interpreting Spirit Hannah R. K. Mather, 2020-10-08 The Interpreting Spirit is both a consideration of the Spirit's role in the interpretation of Scripture and a celebration of renewal scholarship It examines those who have focused on the Spirit's role in their hermeneutical considerations recognizing common uniting themes amidst the diversity of scholarly approach and opinion Working on the principle that the Spirit communicates in ways that seek to unify and celebrate the other Mather works diachronically from 1970 identifying and drawing together these common uniting hallmarks into a collective understanding Pivotal to Mather's argument is her emphasis that we do not just interpret Scripture but that the Spirit through Scripture and working in our lives in ways that lead us towards Scripture interprets us The Interpreting Spirit is the first comprehensive analysis of the conversation surrounding pneumatic interpretation that has been taking place particularly among renewal scholars since 1970 It seeks to answer the notoriously difficult question What does the Spirit do in the process of biblical interpretation
