BURIED SCRIPTURE Edward D. Andrews,2025-05-06 For over a millennium the Word of God was buried beneath the weight of man made tradition ecclesiastical decrees and papal dominance From 500 to 1500 C E the Roman Catholic Church systematically obscured the Scriptures locking them in Latin condemning their translation and replacing their authority with that of councils creeds and a corrupt hierarchy BURIED SCRIPTURE confronts this historical reality head on Edward D Andrews author of over 220 books and a leading conservative biblical scholar

exposes how Rome silenced the Bible and elevated tradition above truth This is not a work of theological diplomacy It is a bold and unapologetic defense of sola Scriptura the truth that the Bible alone is the final authority in all matters of faith and doctrine In this thoroughly documented and theologically grounded volume Andrews traces the rise of papal power the suppression of Scripture and the courageous efforts of Reformers who reclaimed the buried Word of God for the people The book unearths the historical mechanisms Rome used to replace Scripture with tradition and challenges modern readers to once again submit fully to the inspired inerrant Word of God Whether you are a student of church history a pastor or a Christian committed to truth over tradition **BURIED SCRIPTURE** is a timely and essential call to return to the authority of the Bible and to reject every rival that would dare to take its place

Illumination and Interpretation M. X. Seaman, 2013-03-06 The Holy Spirit s ministry of illumination is a commonly misunderstood doctrine both pragmatically and theologically As a result this divine activity is often neglected but it should be recognized that it is indispensable for the hermeneutical endeavor This distinctive work seeks to take an apparently abstract concept and make it concrete by establishing proper categories and definitions for the doctrine of illumination while reemphasizing the cooperation of Word and Spirit In doing so this book treats issues such as the relationship between illumination and other hermeneutical doctrines the accessibility of the Spirit s illumination when interpreting the Scriptures and the question of unregenerate biblical interpretation Accordingly *Illumination and Interpretation* presents a biblical theological evaluation of the Spirit s work of illumination for the transformative purpose of understanding how to appropriate this vital hermeneutical doctrine into one s faith and practice

Written Peter Nafzger,2013-05-31 Today there is an increasing awareness and availability of the sacred writings of the world s religions This raises important questions about the Christian Scriptures What is distinctive about these writings What role do they play in the Christian story What makes these particular texts holy The modern battle for the Bible with its narrow focus on proving or disproving biblical inerrancy has made it difficult to provide sufficient answers This work of constructive theology rethinks the concepts categories and assumptions that have dominated the modern approach to the Bible by returning to the biblical narrative and its focus on the cross It identifies the Scriptures as the written form of the living and active Word of God which was spoken by the prophets and apostles and became human in the person of Jesus Christ This conception of the Bible provides Christians in this postmodern world with a solid ground from which to address pressing questions about canon authority and interpretation of their Scriptures *Saved By Faithfulness: How The Covenant Shapes Our Understanding of Salvation* Mark Skillin,2009-09-21 Evangelical Christianity has long been founded on the theological tradition of justification by faith alone This is the heart of the Protestant gospel But how close is it to the Gospel revealed in Scripture In *Saved by Faithfulness* Mark Skillin highlights the interpretational problems that emerge when one holds to a faith alone paradigm He talks about the importance of the concept of covenant in Scripture and demonstrates through a survey of the biblical covenants that God has always placed faith and obedience in very close relationship to each other as necessary for the salvation of His people *Saved by Faithfulness* challenges centuries of Scriptural interpretation and consequent church practice which have enshrined a distorted gospel with far reaching consequences for the church It is a call to return to faithful biblical interpretation and faithful Christian lives

Antisemitism Decoded : A Gentile's Journey Into the World's Oldest hate Antisemitism Decoded: A Gentiles Journey Into the World's Oldest Hate,2025-05-17 As a Gentile I never imagined I d write a book about anti Semitism But as I look back I see how God led me on a journey not only to guard my heart against this pervasive prejudice but also to confront its ugly truth Anti Semitism is everywhere seeping into minds by sheer prevalence and it remains one of humanity s most enduring and destructive hatreds This journey compelled me to expose its deep roots its far reaching consequences and the

unprecedented mistreatment of the Jewish people As a journalist analyst and Evangelical Christian I bring a unique and objective perspective to this critical issue Antisemitism Decoded A Gentile s Journey Into the World s Oldest Hate combines personal experiences biblical insights and rigorous research to offer a bold examination of anti Semitism Drawing on my time in the geopolitical arena I reveal how this ancient hatred manifests in global institutions foreign policies and even everyday interactions My hope is that this book will rivet readers with its unflinching examination of anti Semitism inspire a moral awakening and mobilize a new generation of advocates for the Jewish people *The Spirit in the Book of Revelation* Robby Waddell,2019-08-26 The investigation centres on the role of the Spirit in Revelation which the author considers is best defined as the Spirit of Prophecy A survey of scholarship on the pneumatology of the Apocalypse is followed by a study of intertextual connections The author s own religious context within Pentecostalism then informs a possible hermeneutic that is faithful to the ethos of the movement Biblical and literary studies are situated within the context of a Pentecostal community as attention is paid to the prophecy concerning the temple and the witnesses in Rev 11 This key passage is shown to form the theological as well as the literary centre of the Spirit s role in Revelation **Talking with Catholics about the Gospel** Christopher A.
